DRUMMOYNE POWER JUNIOR AUSTRALIAN FOOTBALL CLUB

Founded in 1999 with a single team of under 12s, Drummoyne Power now fields teams in age groups from the Auskick under 5/6s through to under 16s. With over 250 registrations and 16 teams in 2011 Drummoyne Power is now established as one of the largest junior football clubs competing in the Greater Sydney Juniors association. On any weekend during the season, over 200 players take the field wearing a black, silver and teal jumper.

In 2011, due to solid registrations, a season not overly disrupted by poor weather and a very busy post-season, more players played more games for Drummoyne Power than in any previous year.

Drummoyne Power's principle "catchment" zone includes a score of primary schools located in the suburbs of Haberfield, Leichhardt, Orange Grove, Rozelle, Balmain, Five Dock, Abbotsford, Drummoyne, Hunters Hill, Gladesville and Boronia Park.

Power play their home games at two venues; the Five Dock Oval and the newly refurbished Drummoyne Oval with its first class playing surface and substantial facilities for players, parents and spectators, the envy of all visitors.

Drummoyne Power JAFC achievements on-field, in operations and administration has been widely recognized by its peers and parent bodies. In 2011, for the fourth time in its 12 year history, the Club has been awarded the title of Sydney Harbor City Club of the Year (2002, 2007, 2009 and 2011).

Drummoyne Power draws strength from the enthusiasm and support of the now hundreds of boys, girls and families associated with the Club wearing black, silver and teal livery and their connections into the local community.

Developments in the Drummoyne Oval precinct

The newly constructed Drummoyne Oval Community Facility was officially opened on Thursday, 29 July 2010 by Anthony Albanese, Federal Minister for Infrastructure and Local Government and Labor Member for Lowe, John Murphy. This follows a successful \$5.3 million grant application through the Government's Regional and Local Community Infrastructure Projects program.

At the opening ceremony Mr. Albanese also announced that if re-elected, the Gillard Government would provide an additional \$1.75 million for the new floodlights for Drummoyne Oval. Council has since been advised that the Department of Regional Australia, Regional Development and Local Government will be providing this funding through the Community Organisation Infrastructure Grant Program.

Council went to tender for the lighting works in February 2011 for the Drummoyne Oval Electrical Power Upgrade with works commencing on site in April 2011.

A power upgrade is being undertaken at Drummoyne Oval. The cable runs are now complete, the switchboards have been installed. The new electronic scoreboard has been installed. The substations should be completed by early October.

PRESIDENTS REPORT

It has been a truly memorable year for our football club in so many ways both on and off the field. In a year where Australian Rules Football is in growth mode across NSW with the second Sydney team about to join the AFL competition in 2012 interest in our game is at an exciting level.

The season seems to go so fast once the players are in teams, kitted out, organized and have a footy in their hands. To look back over the six months it's amazing to note the big improvement in skills and how our teams have developed. All the smiles, high fives, team huddles, great kicks/marks/goals and overall passion for our game sure are great memories.

We are so fortunate to have such committed coaches, assistants and helpers that are there at training and games to guide our players patiently and with purpose. Our team managers do a fantastic job organising everything from the jumpers, communication, team sheets and answering lots of questions and keeping everyone smiling. Thanks to all those families that help out with jumper washing, cutting oranges or any other team support

Our Under 10, Under 12, Under 13 and Under 14 teams all participated in Grand Finals weekend with two Premierships to our Under 12 and Under 13 teams – great to see. We were awarded Sydney City Club of the Year and our Under 16 team Sydney City Team of the year for outstanding sportsmanship highlighting excellent conduct and sportsmanship. Goes to show...We'll never stop, stop, stop 'till we're top, top, top!

Again in 2011 our playing numbers increased which is testament to the quality of our club, our reputation, the dedicated families that make up the committee, volunteers, and everybody else involved in the club including sponsors and supporters. All this success came through a great deal of planning and action, starting late last year with when we conducted a survey and range of workshops that led to the establishment of a strategic plan that focused on fun, friendship and fitness. Position descriptions and new roles were established to spread the load and increase focus on key areas.

I'd like to sincerely thank and acknowledge our all those that make our club what it is. Our wonderfully efficient and hard working committee – Jeremy Stanwix, Leonard Robertson, Darren Lewtas, Adrian Walton, Steve Wall, Alan Dunne, Andrew Hamilton, Simon Ringer and Graeme Durrant thanks for the massive work put in before, during and after the season. Setting up and managing every home game is a big production – thanks to all those that assist especially Lynette and David Garrick, Bonita Nelson, Aonghas Macdonald and Noel Ford for the many hours you devoted to the club and of course each and every family member that spends time in the canteen or on the BBQ.

Running our community football club requires significant funding and we gratefully thank our valued sponsors for their support. This year we made many investments including equipment, clothing, multiple functions and the funding of a wet weather facility.

We gratefully acknowledge the support of Canada Bay Council for our playing fields; AFL NSW and the Greater Sydney Juniors Regional Committee in managing our competitions and ensuring teams get to play as much football as possible.

Congratulations to all of our players and I hope you enjoyed your season. Hope to see you all back in 2012, tell your friends how much fun we have!

We bid a very fond farewell to the Under 16 boys that have played their last game with the club – Thomas, Matthew, Ryan, Michael, Jake, Matt, Alec and Severin. Congratulations on a long and distinguished career at Drummoyne Power to our longer serving players particularly Thomas Garrick our longest serving player who started Auskick in 2000 when our club was formed. Best of luck to you all for the next stage in your sporting career.

It's been an absolute pleasure to watch our Auskick, Junior and Youth players grow and observe the many friendships formed this year. I'm excited already about next season where we plan to continue our growth and success for both boys and girls who wish to play footy.

Go Drummoyne Power!

VICE PRESIDENT'S REPORT

2011 has been a year characterised by sustainable growth and we are very proud of being awarded Club of the Year in the Sydney City competition for the third time in seven years. We have undertaken a series of planning workshops; have built more structures to promote skills development, participation and performance in our children, and most importantly engaging sponsors and volunteers effectively.

There were many contributors to a series of **planning workshops** in late 2010. With over 40 attendees, we focused our efforts in:

- **Keeping our kids fit, having fun & performing well**
- **Identifying and developing coaches and managers**
- **Engaging parents in easy ways and promoting involvement**

Some of the key improvements included the wet weather training options championed by Adrian Walton, getting the Coaching coordinators in place for Auskick (Adrian), Junior (Steve Wall) and Youth (Simon Ringer) with special assistance and mentoring from Rod Carter. Andrew Hamilton has done a huge amount of work to establish **sustainable structure** and process for the club, including a new draft constitution, publishing more than 36 role descriptions for committee and other volunteer roles. We hope this stands us in good stead to build on the volunteer efforts for our teams and across the club in 2012.

Andrew has worked closely with Alan Dunne to incorporate these resources onto our magnificent website, which I'm sure you'll agree is one of the best in the NSW AFL junior clubs. I, for one, use this on every other day basis and this is reflected in over 15,000 hits on an annual basis. Thanks again Alan for your outstanding work.

We've had over 50-60 active **volunteers** and over 150 contributing on an occasional basis this year. Our volunteer program has been recognised by the AFL and Gavin and Andrew presented to a Sydney wide workshop in July. There are many opportunities to contribute at team coach and management roles, and game day functions such as ground setup, canteen and ground operations. Thank you Aonghas MacDonald, Adrian Walton, Bonita Nelson, Noel Ford, David Garrick, Graeme Durrant, Leonard Robertson and Gavin Nelson in particular.

Gavin and I have focused our efforts on consolidating our growing sponsor base. I'm sure you'll agree that the massive contribution the sponsors make to the sustainability of the club. We have made the most of website, banner exposure on game days, special events, but I encourage you to support the following businesses in the off-season.

Please join me in welcoming new sponsors

- Andrew and Caroline at Corner Cubbyhouse (key Auskick sponsor)
- Gus at Five Dock Meat Market
- Carmen at Carmen's at Tiger's Five Dock

Please join me in thanking our established sponsors:

- | | |
|---|---|
| • Patrick, Angela and Craig at PJ Gallaghers, Drummoyne | • Laurie from Paint Place |
| • Brad & Nick at GNC | • Amanda at Wizardry, our banner supplier |
| • David at FDC | • Marcus at Sofa Beds |
| • Ryan at Neubreed, our website hosts | • Warrick at Warrick Williams Real Estate |
| • Michael & Sally at Cincotta Chemists | • Jason at Five Dock Physio |
| • Paul at Cafe2U | • Mark at Logistix AU |
| • Ben and Kate from Damn Good Productions, | • Maria at Eye Connect |
| | • Carla at Bakehouse Bakery |

Thank you for all your efforts in the 2011 season. I look forward to seeing you all in 2012.

Go Power!

TREASURER'S REPORT

Income

Club Sponsorship

Drummoyne Power has had great support from the community in the form of sponsorship and 2011 was no different. There are a number of long term sponsors that support the club and without their contributions many of the initiatives and investments in the future of the club could not be made.

Drummoyne Power now has the following gold sponsors:

- PJ Gallaghers Irish Pub, Drummoyne
- GNC Constructions
- FDC Construction and fitout
- Nuebreed Design
- Wizardry imaging and signs

We have the following silver sponsors:

- Corner Cubbyhouse
- Cincotta Chemist Five Dock and Burwood
- Warwick Williams Real Estate Drummoyne

Thank you also to our bronze sponsors:

- Café 2 U
- The Bakehouse Bakery
- Five Dock Physio
- Five Dock Meats
- The Paint Place Gladesville
- Sofa Bed Specialists
- Eye Connect Marketing Communications and Consulting
- Carmens on the park
- Damn Good Productions
- SSI Schaeffer
- Logistix Au

Gavin and Jeremy have both contributed significantly to building relationships with our sponsors and have ensured that they are all recognised on game day, in our publications and on our website. Without the support of these sponsors our club would not be the club it is today and we thank them for their continued support and contributing to Drummoyne Power being awarded City Club of the year in 2011.

Canteen

The canteen has had another good year utilising the new facility at the Drummoyne Oval. The club has invested in new equipment, locked cages and marquees this year to make our canteen one of the standout canteens in the competition.

The canteen is a major contributor to the clubs revenue and 2011 was another profitable year thanks to the effort of Bonita who once again took up the co ordination role for Saturday's and the Garrick s who co-ordinated the Sunday canteen days.

Thanks also to all the volunteers who assisted with canteen duties during the year and contributed to a great year for our canteen.

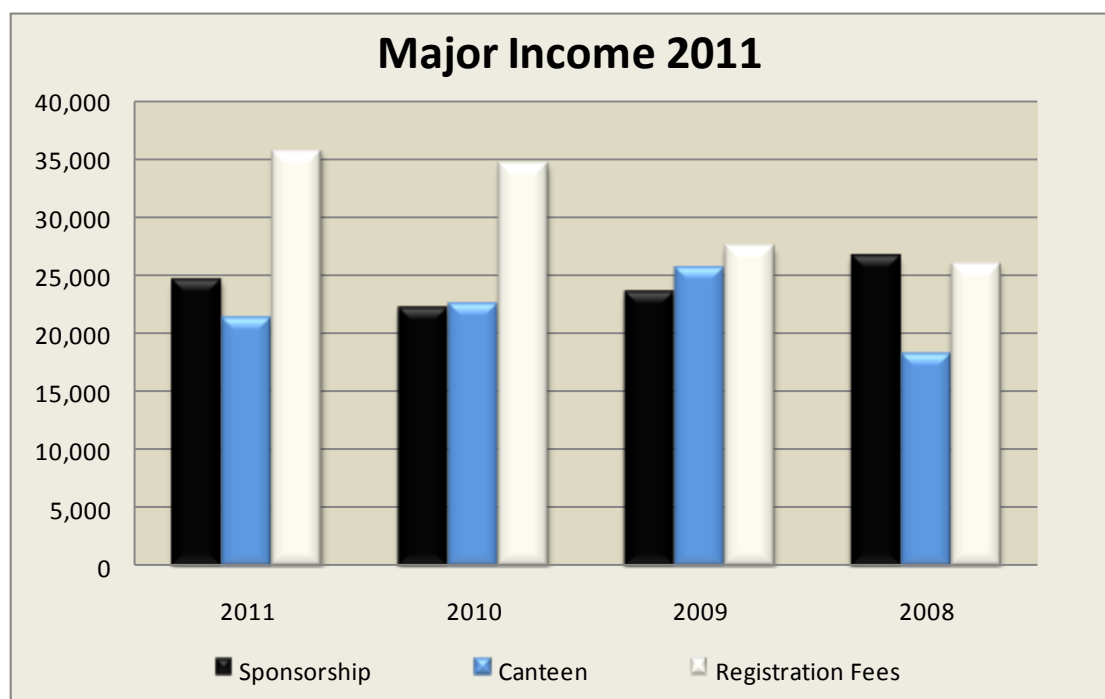

Registration Fees

This season, Drummoyne Power had some 268 players were registered and we were able to hold the registration fees to the same amount as the prior year. The club invested in acquiring an EFTPOS terminal to assist with ease of payment for parents. The majority of registration payments received in 2011 were via Credit card and EFTPOS. With the success of this initiative the club will continue to explore other ways to make payments convenient for all our members.

Your time and effort

The Club cannot put a price on the continued support it receives each week from all the parents and supporters who put their hands up to help out each week. Whether it be on the canteen, helping out on the ground set-up or supervising children during Auskick, your time and effort is invaluable – Thank You!

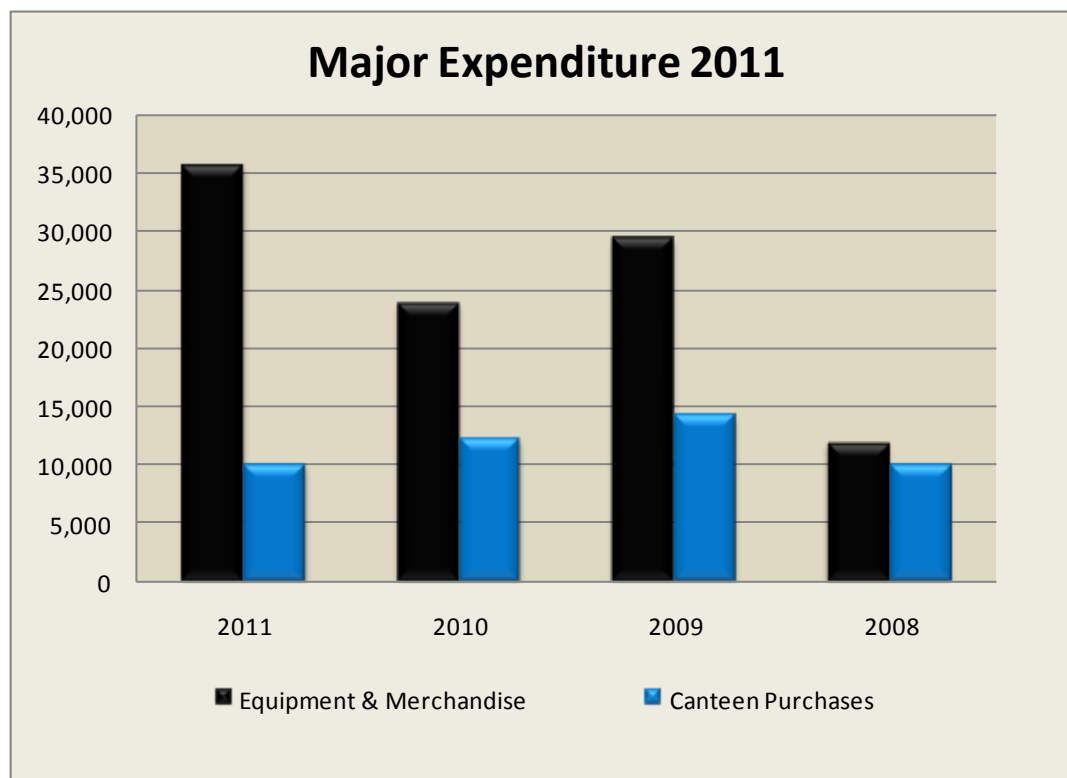

Year major income comparison:

Overall revenue in 2011 was on par with the prior year with registration fees being slightly better. Sponsorship money collected in 2011 was also slightly better with some longer term sponsors increasing their commitment in 2011. The revenue position is very good given the challenging times economically and is testament to strength of loyalty and support underpinning the club.

Expenses

Year major expense comparison:

The revenue from registrations, sponsors and the canteen not only goes towards the operation of the club and meeting the financial commitments that it needs to make during the season but to investing in the teams and structures that make our club so successful.

This year the expenses are higher than the previous year however the committee has made investment in the future of the club and player retention.

Some of these items Include:

1. New Team playing and Training Jumpers
2. Contribution to New Goal Posts at Drummoyne Oval
3. Two new marquees for the Canteen and Merchandising
4. New Colour Branded Goal Post Pads
5. Securing the Indoor Cricket Centre for wet Weather training
6. Flags for the Flagpole
7. Tracksuit Giveaways on Presentation Day
8. Annual Pie Night T Shirt and Singlet Giveaways

The significant ongoing expense items include:

1. Club /Association Fees - AFL Greater Sydney – City & Sydney Harbour
2. Council/Ground Hire fees - Drummoyne Oval, Taplin Park, Five Dock Park
3. Equipment Costs - Footballs, Auskick packs, bibs, whistles, goal flags
4. Match Day running costs - Canteen expenses, umpire fees, sponsor banners
5. Presentation Day - Trophies, running costs
6. Sponsors' dinner - speakers, catering etc

Drummoyne Oval upgrade

The Drummoyne upgrade has substantially now been completed during 2011. The new Grandstand and Canteen area is a great addition to the ground. The committee has established an area of club history in the middle grandstand by displaying photos, trophies and achievements. Honour boards have also been established and displayed to achieve a sense of club history and recognise those that have made significant contribution to the club.

The electrical upgrade was also completed and the electronic scoreboard set up. It will be in full use next year.

The final aspect of the upgrade scheduled for next year is the installation of lighting. The club will make a significant contribution towards the lighting and has funds aside in a deposit account for that purpose.

Final comments:

Drummoyne Power is a Junior Football club that exists due the great support it gets from sponsors and families.

Thank you to all who made some contribution financially or as a volunteer to the running of the Drummoyne Power Junior AFC in 2011. In particular, thank you to all our valued sponsors and the many hard working members of the committee.

During 2011 the club has gone from strength to strength and is in a good financial position to continue to grow and make the club stronger in 2012.

The club looks forward to your continued support in 2012.

AUSKICK FOOTBALL COORDINATOR'S REPORT

In the Under 5's, 6's, 7's & 8 age groups we had another great influx of new players and the vast majority of players returning from the previous season. With Clint (Jesse's Dad) & Nick (Maxim's Dad) very capably looking after the 7's & 8's, this enabled me to devote quality time to what many in the club consider the most important age group, the debutants in the 5 & 6 year groups of which we had 22 budding champions including a couple of late season recruits.

The fundamental core aspects of Auskick are participation in an environment that fosters Fun, Fitness, Friendship, Skill Development & Understanding the game.

PARENT INVOLVEMENT /PARTICIPATION

Part of the clubs Mantra is about "inclusiveness" & by that we mean providing the opportunity for parents to assist where their busy schedule permits & what they are comfortable in. This maybe at training where ideally having a parent per 5 players running a drill to ensure we keep the players focused or the numerous game day roles of assisting on the BBQ, swapping bibs, match reports etc.

A pivotal role in the way Auskick is done are the Team Managers where Lisa (Lachlan & Angus's Mum), Simon (Josh's Dad) & Maria (Nathan's Mum) all doing a great job organising Jumper duty, match reports & overall communication to their respective teams. WELL DONE & THANK YOU on behalf of the coaches and all families.

Another role that deserves a SPECIAL THANK YOU is that of the home ground set up at Drummoyne & Five Dock where an early start is needed to ensure the playing fields are ready to go, the subsequent adjustments to the size of them and our sponsors banners up and other duties of which Aonghas (Finlay & Alistair's Dad) was of invaluable assistance.

We also were fortunate that Tony (Jacks Dad), Steve (Patrick & Thomas's Dad), Charles (Will's Dad) completed Auskick level 1 Coaching that is provided by the AFL & paid for by the club.

Moving forward we want to encourage even more parent participation, that will further improve your sons & daughters level of enjoyment & appreciation of the game.

SKILLS TRAINING

In the off season we had a "planning day" that was very well attended by parents representing all age groups & very capably facilitated by our vice president Jeremy Stanwix.

From this session it was established & confirmed that one aspect of the club was to focus & lift the skills & game sense of our players that becomes increasingly important in the older age groups.

We established the following skills matrix for each age group that is detailed below:

In the 2012 season, we will review this matrix & put measures in place to ensure that we as a club are being effective as possible in the skills & game sense area not forgetting the fun, fitness & friendship aspects of Auskick in your sons & daughters 1st years of AFL.

Until the 2012 season

Yours Positively

Adrian Walton | Auskick Coordinator and Recruiting Manager

UMPIRES COORDINATOR'S REPORT

Denise Currie

We have had a great season with our Umpires this year. Drummoyne currently has eight umpires in the Sydney Harbour region with a few more looking at joining next season.

Zoe Vicic, Matthew Vicic, Ryan Nelson, Xavier Nelson, James Enderby, Nic Ford, Gabriel Beswick and Darby Durack currently represent Drummoyne as umpires and are all doing a great job.

Ryan this season was rewarded for his hard work with 2 trophies this season. The Umpires-Umpire award, voted for by his peers, and Most Improved for 2011 (awarded to Ryan by none other than Tom Harley) and then to top it all off, he umpired the Grand Final for U/12's which is another acknowledgement of his great umpiring skills this season. Well done Ryan and I am sure the newer umpires will be aspiring to achieve similar results in the future.

Other umpires to be awarded Grand Final Day honours were James E and Gabe they both umpired U/10 in their Gala day games.

Xavier had his opportunity to show his talents with umpiring the U/11 representative game.

Zoe (field) and Matthew (goal) teamed up and looked after the u/14's div 1 grand final on the Sunday. Zoe and Matthew also were invited to join the Regional squad for 2011 and this involved extra training and opportunities to meet with senior umpires to learn more about Umpiring.

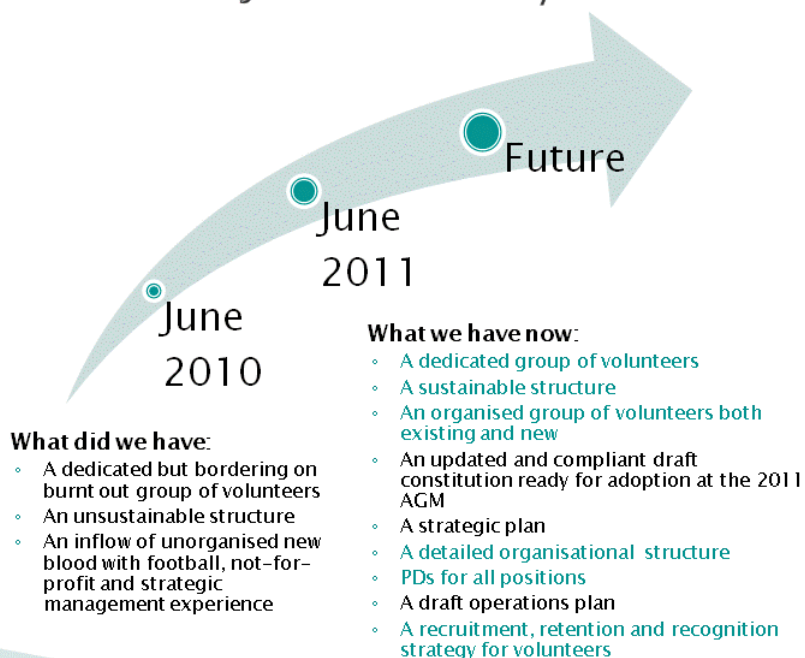

Nic and Darby had some home and away games this season to get started and both are showing promise for the coming seasons, keep up the good work.

Umpiring is a great way to be involved in the game, developing good communication skills and confidence, meeting new friends and people from different clubs; you also have the chance to earn some pocket money.

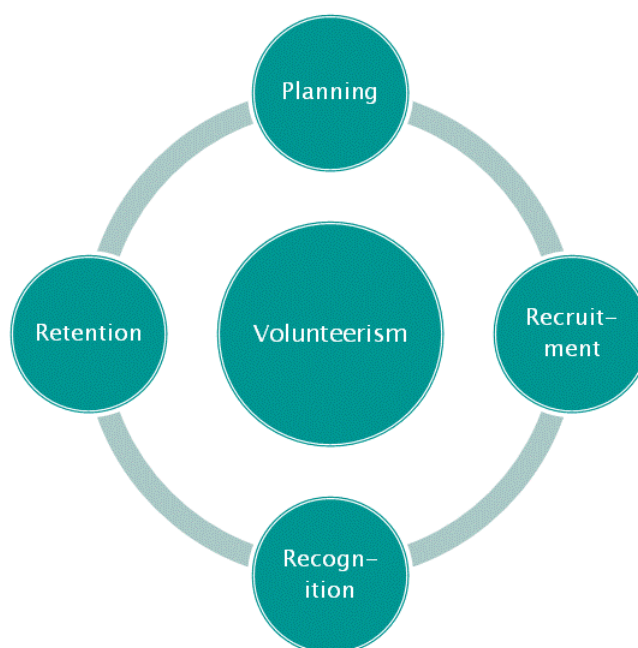

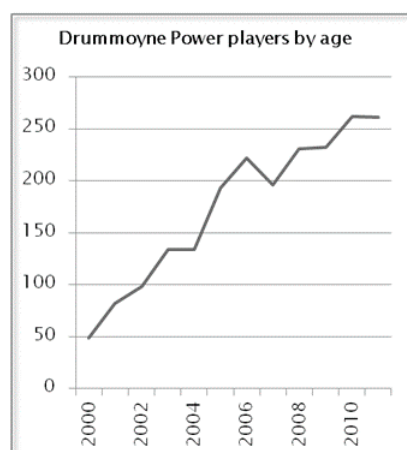

VOLUNTEERISM

Extracts from a presentation to the AFL NSW/ACT workshop “**Successfully recruit and manage your volunteers**” held at Blacktown Olympic Park on June 23rd 2011 by Andrew Hamilton and Gavin Nelson.

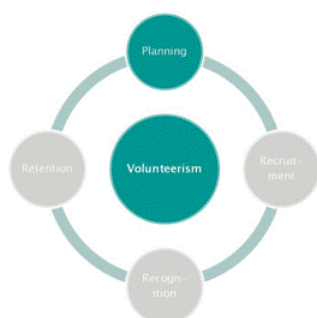

Our Volunteerism Journey ... June 2010 to June 2011 & beyond

Drummoyne Power has invested in volunteerism to ensure the club's growth is sustainable...

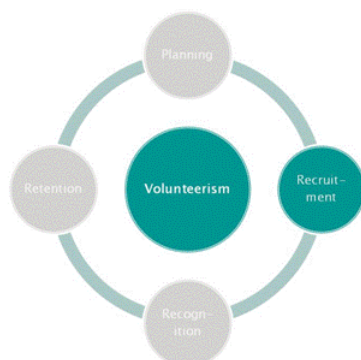

Our planning established volunteer baseline, structures, resources & website to get the message out...

- ▶ **Starting point – recognising that:**
 - planning needed to improve
 - the organisational structure needed to improve
 - more volunteers were needed – very small number of people running the club with very high burn out factor
 - the club needed an extra person to assist – aka Project Manager
- ▶ **Planning Workshops/Call to Action**
 - Kickoff workshop – 12th Sep '10 Kids, coaches & parent volunteers
 - Coaching workshops – 5th Dec '10 & 20th Jan '11 – Fun, skills, performance
- ▶ **Organisational structure – 2 year plan**
- ▶ **Position Descriptions for all positions – how?**
 - AFL Community Club website
 - NSW Department of Sport and Recreation
 - Australian Sports Commission Club Development network
 - Own knowledge and experience
- ▶ **Create Terms of Reference (TOR) for all sub-committees**
- ▶ **Website**
 - Organisational structure
 - Position descriptions
 - TOR

4

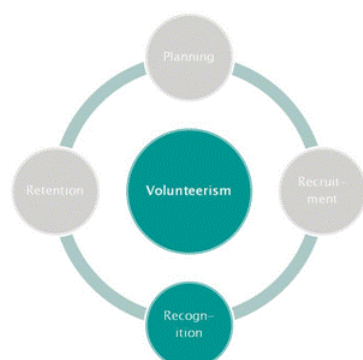

...and recruiting people into defined, manageable roles was supported by targeted communications

- ▶ **Identify skills within the club via the annual registration process:**
 - Role match
 - Role club
- ▶ **Other research – coaches**
 - 46 coaches coached since 1999
 - 89% coach their child's team
 - 36% commence when their child is in Auskick
 - 43% commence when their child is in juniors
 - 80% are from interstate and have an AFL background
- ▶ **Review of information provided when registering the child**
- ▶ **Communications strategy**
 - **personal approach – football operations priority area**
 - newsletter – call to arms
 - personal email
 - follow-up telephone call
 - welcome new volunteers
 - maintain the officials spreadsheet on the website
 - open up the club to include others and tell them what the Club is doing eg. Club (satisfaction or experience) survey and annual planning day

5

Recognising volunteers in newsletters, on game day & other opportunities engenders pride & ongoing commitment ...

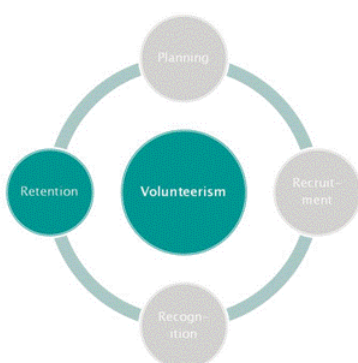

- ▶ **Recognition**
 - Certificates of thanks presented at club games
 - Profiling of coaches in newsletters
 - Club person of the year
 - Club volunteer function
- ▶ **Day to day management**
 - Communication – phone, email, SMS, **personal approach**

6

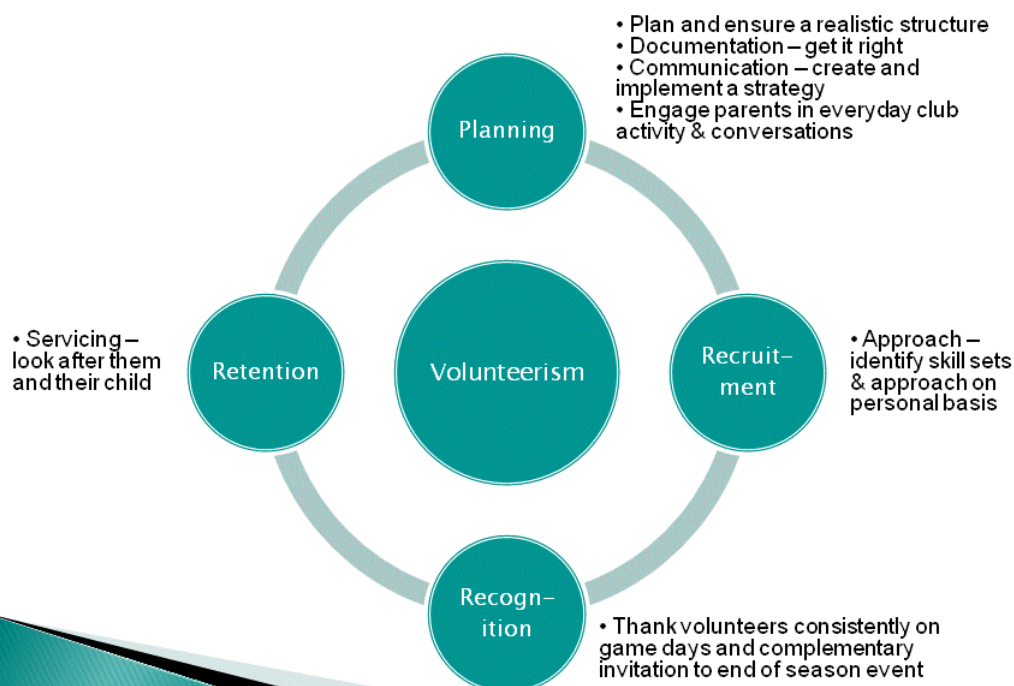

... And our success will be measured on whether kids & their parents are part of the club in years to come

- ▶ **Retain the child, retain the volunteer eg. Coach**
- ▶ As part of a broader “club experience” survey include volunteers to obtain their input
- ▶ **Communication**
 - talk to the volunteer
 - set meeting dates at the beginning of the season
 - seek the volunteer buy-in via formal (organised meetings) and informal (ask questions) means
- ▶ Club merchandise FOC
- ▶ Bar and meal tab at meeting venue
- ▶ Simple thank-you
- ▶ Spread the load eg. match day rosters
- ▶ Act on reasonable recommended improvements
- ▶ No knee jerk or irrational actions eg. Girls team strategy
- ▶ Recognition strategies
- ▶ Attendance at AFL professional development seminars
- ▶ Coaching and kicking courses (cover costs)

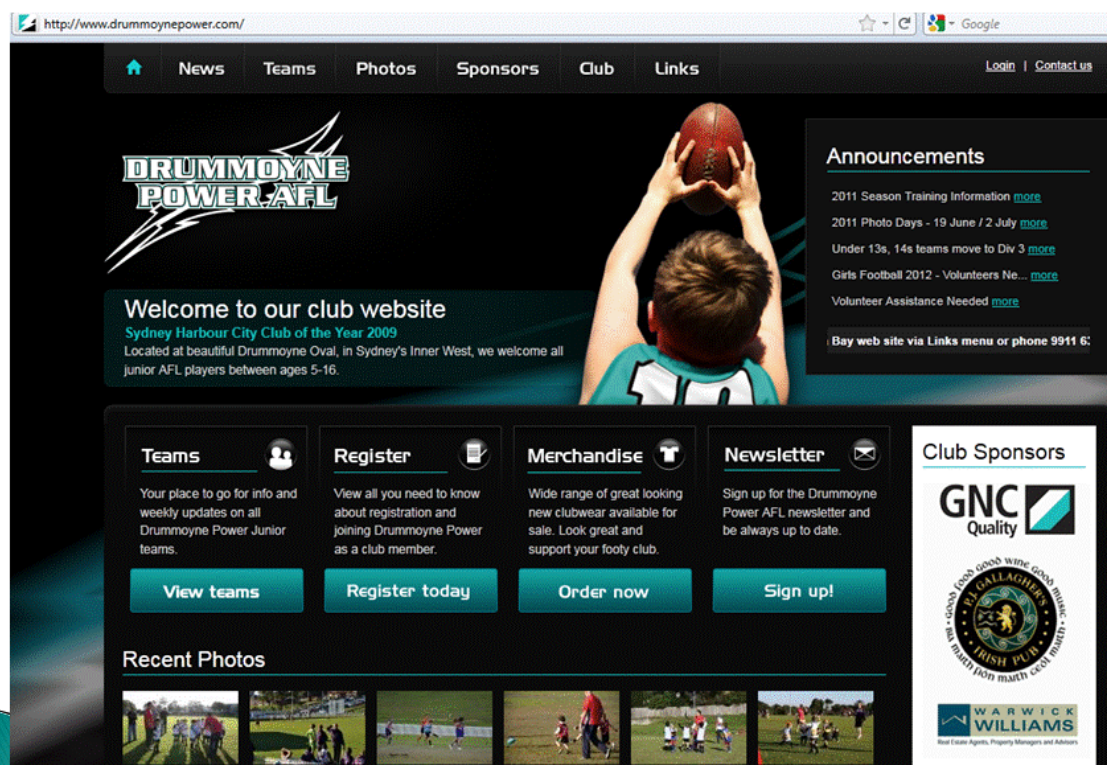

7

Implementing a volunteer strategy is not easy, but well worth the effort...

8

Our website is a crucial communication mechanism

11

INCREASING GIRLS PARTICIPATION IN AFL

If you think Australian Football is a game played by boys and men – think again! Female participation in Australian Football has been on the rise for many years. In 2009, there were over 80,000 registered female participants playing the game of Australian Football.

Girls Football 2012 - Volunteer Assistance Needed

The AFL (NSW/ACT) has set-up a girl's only pilot competition this year and we would like to ensure that from 2012 we are part of that competition.

We can only make this happen if we have the help of some volunteers.

We have set-up a working group (see terms of reference below) which will be chaired by Andrew Hamilton. Andrew as well as being the U/10 Silver coach is assisting the club to set-up other off-field structures.

We see the working group operating for a number of months meeting when needed to establish the ground work and as you can see we need your assistance.

Even if you can't commit to the committee but you have a passion for seeing girls playing AFL, your involvement would be most welcome.

Girls Team working group Terms of Reference (TOR)

Section	Detail
Purpose	<ul style="list-style-type: none"> •Reporting into the Club Committee, The Group is responsible for: •Determining the AFL (NSW/ACT)'s status of a girls competition and their broader girls team strategy; and •Creating and implementing a plan to enable the Club to have a girls team(s) in the AFL (NSW/ACT)'s competition from season 2012.
Membership	<ul style="list-style-type: none"> •The Group shall consist of the following Members: •A Club Committee member; •The Football Manager (once appointed); •The Auskick Manager; •The Recruitment Manager; •The Recruitment Assistant (once appointed); •Up to an additional 3 persons with interest in assisting the Club in this area.
Responsibilities	<ul style="list-style-type: none"> •The Group shall: •Communicate with the AFL (NSW/ACT) to ascertain: <ul style="list-style-type: none"> •the current state of the 2011 girls competition; •their plans to broaden the girls competition from 2012; •Develop and implement a marketing/recruitment strategy including creating and disseminating e-fliers (DL and A3 & 4) to promote the strategy; •Advertise for and recruit the required officials – coach and Team Manager – and volunteers covering: goal umpire, canteen duties, match report, jumper washing, best & fairest voting and providing oranges; and •Integrating the strategy into the club's broader recruitment strategy and registration and team organisation process.
Meeting procedures	

SPONSORS DINNER 2011

2nd September saw the Club faithful attend Club Five Dock for our annual sponsor's dinner. Flanked by two disconcertingly oversized Archibald entries of Michael O'Loughlin, Club President Gavin Nelson welcomed members and guests.

Gavin eloquently expressed the Club's appreciation of the significant and unwavering support from our sponsors and volunteers who have fostered the Clubs growth from fledgling to decorated and envied in such a short period of time.

In a packed house with tables from all the age-groups liberally salted with new and long standing sponsors under the watchful eye of Damn Good Productions with Darren Lewtas "You might as well bid, I know your credit card details" kept the evening's speakers, awards, presentations, and auctions moving as MC.

Congratulations to David (and the rest of the Garrick family) on becoming being the Club's fifth Life Member

The "Call of the Board" highlighted our treasured long term supporters, brought the spotlight onto those who joined us this year and on those who continue to support the Club after their direct interest has "graduated".

Guest speaker for the evening

was Carlton great Anthony Koutoufides All-Australian, 1995 premiership winner and member of both the Greek and Italian AFL/VFL teams of the Century who had the audience captivated as he explained the conflicted emotions for "a good European boy" to be a Collingwood supporter idolising Peter Daicos while playing 278 games for Carlton, along with being national standard track & field athlete and winning Dancing with the Stars.

Thank You All!

SEASON 2011 TEAM REPORTS

THE CLASS OF 2011 include some of the founding Club members who started with Drummoyne Power's first Auskick (u5-u8s) intake in 2001 under the watchful eye of Darren Lewtas. There were just twelve Auskickers then (we have 60 this year). Regularly the entire Power Auskick contingent needed to be combined with another Club's to get a viable team to play one of the established powerhouses.

Steady recruiting built on the numbers and by 2004 in their first year of junior football; there were a total of 12 u9's in the u10's team coached by (Carlton Hall of Famer) Kevin Hall which reached the preliminary final.

In the 2005 season with numbers up to 19 and under the guiding hand of Jason Sansom they dominated the competition, losing only a single game. In the grand final against Newtown at Picken Oval they led comfortably all game to win the premiership by 5 goals. Success continued the next season when they were preliminary finalists, this time going down to Glebe.

Numbers fell away in 2010 as the age group moved through the youth competitions but four of that 2005 premiership side (Matt Vicic, Tom Garrick, Ryan Nelson and Michael Anthony) played their last game for Drummoyne Power at Drummoyne Oval in Round 17. Also from that team, and still active in the Club with umpiring, is Zoe Vicic.

AUSKICK TEAMS

UNDER 5/6'S

Coach's Report - Adrian Walton

The 2011 season kicked off on the right leg with Lisa (Lachlan's mum) volunteering to take on the very important team managers role which got the communications channels moving along. We had an equal amount of 9 Five & 9 Six year olds and just after the 2nd game as we got organised we had 2 separate teams on game day with Steve (Patrick's dad) looking after 1 team & Lindsay (Lucas's dad) taking on the other team coaching & umpiring of games.

Over the 17 game season we had training every Wednesday night rain, hail or shine at Five Dock Park until the games start then Drummoyne with Five Dock Indoor cricket centre as our wet weather facility. At training we always had a good turnout where we focused on getting to know an Aussie Rules ball and how to hold it for bouncing, handballing, kicking, marking & having a game after the warm up & drills. Not forgetting a rendition of the song that got better & better.

All boys were well mannered, enthusiastic & improved over the season to translate what they picked up at game day with passages of play out of the backline into forward line and kick a goal.

A high level of parent involvement was also evident at training & game day, with a special thank you to Naomi (Ben & Williams Mum) for taking all the great photos & on sending them. Mention also needs to be made to Tony (Jacks dad) for jumping in at training from day 1 as well as Donald (Ben & Williams dad) who participated in nearly all training nights doing a warm up with the boys & assisting in drills. There were some guest appearances of quite a few other parents including Toby's grandfather.

By the season's end we had 21 brand new players to learn & enjoy this great game that were oozing with energy and lapping up anything to do with Auskick.

Overall, a very positive season with plenty of match day highlights that will put the boys in good stead for next season.

U/5's Profiles

Patrick Connell: Patrick has a very accurate kick for goal and cuts through defence with his skilful footwork.

Toby Dolph: Toby's ruck work makes him a pivotal player when many of the team's plays start with his strong tap outs at the centre bounce.

Jacob Francis: Jacob is very versatile player who can play in all positions; he can defend very effectively & has a very accurate kick.

Miles Hilton: Miles is a prodigious kick and a very reliable mark which makes him a very valuable contributor

Finley Hunt: Finley is a real team player who is able kick & handball very accurately.

William Innes: William is an outstanding rover who scouts the packs picking up the crumbs and making opportunities for his teammates

Damian Lawrence: Damien reads the play well with equally as good ball handling skills

Lachlan Ole: Lachlan is a very strong defender & a real leader on the field, displaying high levels of teamwork at all times.

Russell Pedley: Russell is a very focused player who is always in the play and making a positive contribution

U/6'S Team Review

Benjamin Innes – Was the heart of the team from game 1, with numerous “best on ground” performances Ben could be placed in any of the 3 zones and perform meticulously. His partnership with many of the other boys towards the end of the season gives us great hope for next season.

Charlie Millar – Was inspirational throughout the year showing enormous courage above his small frame always fighting for the ball and taking his time to ensure his kicks were accurate, especially in front of goal. Well done Charlie definitely a fast little mid fielder who can push up the ground as needed.

Max Merifield – Showed great athleticism in every game running back and forth even if sometimes he was out of his zone. Max's kicking and marking also improved dramatically from the start of the season. Maxy kicked numerous goals this year and shared the ball well around the ground.

Zachary Izzard – Is a natural forward pocket player who also roves well around the ground and finished the final round with a spectacular goal against East's running into an open goal and kicking the ball a further 20 metres just for good measure.

Cooper Huskens – For a first year player showed quite good potential for the future. At training 'Coop' would want to tackle anyone who came near him. He was also very unselfish handballing regularly when under pressure and will be a great rover in the future.

Alexander Hutton – another of our natural forward line, who against Newtown bagged 3 or 4 goals in the space of about 2 minutes, but didn't get carried away he just took it in his stride. Al also decided to show some of the mums at training just how the grass is maintained at Drummoyne Oval.

Hamish Merrilees – Would tend to daydream a little at times but once he had the ball would show what a powerful boot he has. 'Hammer' helped out immensely in the last line of defence stopping numerous goals and bringing the ball back into play well after a behind had been scored.

Liam Wingrave – Was one of our most improved players. He is the sort of player every coach wants, after giving the boys a spray of “get in & fight for the ball” at 1/3 time Liam's first attack on the ball was ferocious. Liam was a great asset who could play any position when asked and adapt quickly.

Joshua Byrnes – Joined us later in the season but has bonded with the team very well and even when we were being defeated he would have encouraging words as captain to his fellow team mates. Josh has a very accurate right boot and could be used to advantage in all areas of the ground.

Jack Gray – Jack helped out numerous times playing up in the 6's when we were hit by injury or needed to even the numbers. Jack showed great fight at all scrimmages and will be a great mid fielder in years to come. Jack shared the best on ground with Lucas in the final round.

Lucas Blythe – Lucas hit the ground running & really contributed in all positions with heaps of natural ability, Lucas was 1st to the ball and made the most of by being able to pass it to one of his team mates with great accuracy and occasionally having a bounce or faking to kick. His constant efforts finally paid off by season's end with best on ground in the final two rounds of the season and enjoying a call up to help the Under 8's. His passion for the game is very evident in particular when it is time to sing the song. WELL DONE LUCAS!

In closing, I hope all the boys enjoyed their first season playing together as a team and that they will all be back bigger, stronger and even more enthusiastic than this year. The main area for work required over the off season is learning the words to the club song.

Also as it has been said previously, but a big thanks to Lisa & Adrian for all their hard work, Naomi for her brilliant pictures & all the dads who helped out at training and assisting/directing the boys on game day. **GO POWER!**

UNDER 7'S

Coach's Report -

Tristan Chung: Super-boot! A future talent in the making with a very powerful kick & very team focused.

Ben Cook: Possessed with an abundance of ability and a natural left footer, a star in the making!

Cooper Donald: What a talent! AFL clubs across the country are queuing up to sign up this future AFL Star!

Samuel Evans: Quick, team focused and highly skilful, Sam has all the attributes of a future AFL champ!

Thea Gallen: Super Fast, highly skilful footballer highly athletic with a great sporting future ahead of her!

Jesse Hawthorne: Talented little left footer with a bright future, great team player and enthusiastic team member!

Matthew Lawrence: Great little fella with a wonderful AFL future ahead of him, highly skilful and very enthusiastic.

Finn Lockett: An important member of the team, enthusiastic ball magnet much loved by his teammates!

Thomas Malone: Highly skilful and speedy on-baller who has a great future ahead of him, a talent in the making.

Zachary Martin: Champion little fella with a heart of gold, always smiling and giving 100%. Improved out of sight!

Charlie McConville: The excitement Machine! Silky skills and a great kick, loves kicking goals and celebrating!

Finlay MacDonald: Ball magnet! Racks possessions week in, week out, highly skilful player with a bright future ahead!

Charlie Papps: Exciting future ahead for Charlie, he has improved out of sight in 2011 and set for a great AFL career.

Gretel Payne: Prodigious talent who always gives 100%. An important team member who has developed well in 2011.

Joshua Tamke: A highly talented footballer with an abundance of natural ability dominates games and a future AFL star!

Roman Upton: Talented player who makes the most of his quick and nimble physique around the ground. Popular with his team mates!

Kesha Van Wachem: The heart and soul of the team, 'Cash' is the team favourite and an inspiration to all. Much loved by the team.

UNDER 8'S SILVER & TEAL

Coach's Report – Nic Angelos

It was a privilege for both of us to coach the 2011 Drummoyne Power under 8 team.

Every player developed as the season went on and contributed to some outstanding team performances.

Our thanks go to Adrian Walton, who provided guidance, wise counsel and good humour throughout the season. Quite simply, he is the type of person who makes a football club like ours 'happen' every week. Nothing was too much to ask and most things were already done before we asked.

Thank you also to the parents who took an active interest in each of the games, supporting the whole team and preparing some very incisive match reports for the post-match review and the club newsletter.

Andrew Hamilton and Steve Connell provided excellent support on match days, helping during the warm-ups and on the field, while Bill Allen (Gilbert's grandfather) was always keen to chip in and help at training. They regularly offered to help before being asked and their support was very much appreciated.

With a squad of 18 for most of the season, here is our 2011 Dream Team:

Backs:	Elliott Benson	Gabriella Stanwix	Gilbert Hogg		
Half backs:	Tom Gilmore	Marcus Hamilton	Alexander Lawson		
Centres:	Nathan Wrigley	Cameron McLean	Maxim Angelos		
Half forwards:	Sam Huxley	Ethan Jamieson	Hamish McKenzie		
Forwards:	Thomas Connell	Ella Moore	Will Gorman		
Rucks:	Angus Ole	Jonah Clarke	Matt Simmons		
Interchange:	Finlay Macdonald	Josh Tamke	Louis Pribula	Jesse Hawthorne	Thea Gallen

Player profiles

Elliott Benson is a solid and determined defender in the making and able to adjust to both a man-on-man or zone structure. He always presents himself at a contest when the ball is in dispute and chases hard. During his first year his skills developed rapidly and he was always a great contributor.

Gabriella Stanwix played her second year with the club and has matured into a responsible, accountable defender. She took control of her zone when playing in the backline, organising the defensive structure and also looking to kick long into attack when she won the ball.

Alexander Lawson is a tall defender with the height to mark a resting ruckman but also the speed and agility to run with a small forward. More at home in defence than attack, he is always accountable for his man, but his clever play often sets up forward moves for his team mates.

Tom Gilmore seems to have found his position in the team as an attacking half back flanker. During the season he regularly put his body on the line as a defender but was also just as keen to pick up the back, run and drive it long into attack.

Marcus Hamilton joined the team this year and showed plenty of clean skills. He is a strong pack mark and his skills at centre half back complement Gabriella's at full back. His kicking skills also create opportunities for the centre and half forward lines.

Gilbert Hogg is a seasoned campaigner who has also developed into a natural defender. In 2011 he showed strong accountability for his opponent while in the defensive zone, but was also able to break free and provide options for his team mates when the ball was turned over.

Nathan Wrigley is quick and agile, with silky skills, making him a perfect fit on the wing of the Dream Team. His is a versatile team player and would be equally at home as the team's first rover and is a key member of our 'mosquito' fleet.

Cameron McLean, like the rest of the team's goal to goal line, possesses a long and accurate kick. He has taken this to the next level, working the ball cleanly on both side of his body. With his size and speed, Cameron is a natural centre-man.

Maxim Angelos is another player who stepped up in 2011 and regularly put his body on the line in search of hard ball gets. He forms part of the Dream Team's running midfield, which is equally competitive at stoppages and around packs.

Sam Huxley is a born half forward flanker, with an ability to work his way into open space. With a solid half back and centre line to feed him the ball, he will be able to optimise this space and also provide support to Ethan at centre half forward by winning the ball at ground level.

Ethan Jamieson has both the height and skills to play at centre half forward. His contested marking skills present an excellent target as the key forward, while his kicking ability should create plenty of forward options. His height also gives the team another ruck option.

Hamish McKenzie, like Sam, was able to readily find space. He also worked hard to improve his kicking skills during the season and forms part of the team's 'mosquito' fleet. His eagerness in defence complements the team's effective forward press strategy.

Thomas Connell has maintained a strong goal sense throughout his career and 2011 gave him his best opportunity to show his skills. Thomas was often elusive around goal but also has the flexibility to slot in as a change rover where he is willing to get in and under.

Ella Moore is a natural selection at full forward after scoring a goal with her first kick in game. Despite only playing the first half of the season with the club, she slots into the team at full forward and is the final piece in the team's formidable spine.

Will Gorman is a mid-sized player who is able to play 'tall' and creates a secondary option in side's open forward line. His strength also means he is able to move down back and fill a gap in the team's defensive line up when needed.

Angus Ole is a natural selection as the team's ruckman. In addition to his height, he also brings a strong background in basketball, making him an excellent tap ruckman. With a passion for sport and a strong work ethic, he will ruck all day.

Jonah Clarke joined the team half way through the season and worked his way into the team's engine room. He has an enormous work-rate, both in attack and defence. He collects a lot of possessions for himself in the mid-zone and his vision creates opportunities for his team mates.

Matt Simmons is a quick midfielder who slotted into the team at the start of the season added to the depth of talent within our 'mosquito' fleet. He has good kicking and handball skills and is equally committed in defence. Although he starts as first rover, he is flexible enough to play as a small forward or fill a tagging role.

Finlay Macdonald, Josh Tamke, Jesse Hawthorne and **Thea Gallen** are under 7s players who stepped up and filled-in for the under 8s during the season. Not to be out-done during the season, they all contributed goals while playing for the under 8s. **Louis Pribula** played one game for the team, showing good skills and is on the recruiting list for 2012.

Maria Wrigley was the team manager for the under 8s in 2011, stepping into the role for the first time. She did a fabulous job organising the coaches and the team each week. She also often took photos of both games for the club newsletter is the perfect manager for this star-studded team.

Go Power!

Charles Gorman and Nick Angelos

UNDER 9'S SILVER

Coach's Report - Tommy Rich

Darcy Bourke: Darcy's determination in defence stood out all season. Courageous and dependable player; thoughtful when kicking to a teammate.

Joel Ditcham: Joel's solid marking and kicking was a feature of his play all year. Joel scored a number of goals and very much the team player.

James Durran: Jamie's skills improved over the season and he displayed great determination and pressure on opponents in defence.

Jack Hauschild: Jack led the team in determination and courage and displayed good skill in his kicking - whether for goal or to a teammate

Michael Tomarchio: Michael's strong and penetrating runs with the ball and kick forward to advantage of the team were a standout feature all year.

Jack Reid: Jack is the team's war horse. He got the taste early for kicking goals and never lost it all season

Conor Hay: Conor joined us as a novice this season, in between a family trip to US, and was a reliable, terrific player

Toby Rich: Toby is a very determined and under-rated player, who was up there with the best players all season

Edward Ford: Edward had a fantastic season. He stood above the rest in stature and sheer grit to make a huge contribution to the team

Liam Loughrey: Liam "Jack Russell" Loughrey is a persistent, energetic player who always focuses on getting the ball

Zayn Melham: improved ten-fold over the year, who was an all round performer who gave his maximum effort for the team

UNDER 9'S TEAL

Coach's Report - Mark Garraway

The Drummoyne Power U9 Teal team for 2011 brought players with a broad range of skills and experience together. We had an array of players ranging from first time AFLers to those with 3 and 4 years of game experience.

This was used to the team's advantage as new comers could learn and be encouraged by the more experienced players. It was soon realised that with skills development at training combined with varying degrees of natural talent and athletic ability, a capable team was in its making.

Early in the season, we were progressing one game at a time with games showing brilliance and other games that confirmed that certain skills needed to be focused on for the upcoming training session.

The U9 Teal team really began to gel after the mid season break with observations of team communication, applied skills taught at training and a 'we can do this' type attitude. This clear development in the team was encouraging for the players, coaches and parents. All of whom I feel got to the end of the 2011 season with a true sense of achievement.

It has been fantastic watching this group of young fellas come together and I wish all players and those involved this season the same success for 2012.

Thanks

Mark

Daniel Adamski: Daniel you played well all season and co-operated well especially towards the end of the season at training. I would love to see you realise your strength and size and use it to your advantage in the seasons ahead. Well done Daniel.

Angus Carter: Angus you are a great player with great all round skill. Angus, if you could improve in one area, it would be to listen and focus just that little extra. Overall though a top season-keep it up.

Joe Evans: Joe, when you are switched on be it training or at the game, you are awesome. Shoot for this goal in all that you do. Great season

Hugh Garraway: Hugh when you decide to give it a really good go and also decide to stay focused, you are unstoppable! Don't forget it and thanks for a vastly improved season

Ryan Gilchrist: Ryan for someone new to AFL, you have come from nothing to being an awesome member of U9 Teal. Keep practising your kicks, catches and handballing.

Alistair McDonald: Alistair you are coming on in leaps and bounds with AFL. You are gaining confidence and really putting to practise the skills you have developed over the years. Keep it up.

Joseph McKeogh-Langman: Joseph, you are my quiet achiever. I want to see you continue to believe in yourself and know that if you try and give it a really good go, you will do well. Thanks for being part of our team.

Riley Nelson: Riley the terrier. You have no fear and you really are becoming a remarkable player. Keep up the great effort

Nicky Sabine: If there is someone who gives it 100% each game, it is you Nicky. Your enthusiasm and style of play is motivational

Oliver Thompson: Outstanding season Oliver. You have a great understanding of AFL and the skills developing to match it. Well done

Christian Taylor: Christian you have been inspirational to your team. You are great on game day and you are co-operative at training. Thanks for your effort and enthusiasm

Damian Sullivan: Damian, you have played hard each and every game with a determination that is contagious. You are a fabulous member of our team. Well done.

SYDNEY CITY TEAMS

UNDER 10'S BLACK

Coach's Report - Steven Wall

I would like to take this opportunity to thank all parents for the privilege to coach your son and in particular those that have helped along the way in the season by helping out at training, goal umpiring, in the canteen, providing oranges, washing the gear, the after match summaries and the newsletter reports, et cetera.

A special mention must go to Dani and Ann-Maree for managing the team so effectively all season and Adam for doing a fantastic job in coaching whilst I was away (despite ending the year with a better record than me, not that we are counting). This season would not have been possible without their valued input.

With so many first year players the growth during the year individually and collectively is without a doubt the highlight for me. The progression of each player and the team has been outstanding and is a credit to each and every person involved with this team. WELL DONE.

Thanks, especially to all the players who gave their all every time they took the field and showed RESPECT, TEAMWORK and I hope had a great deal of FUN throughout the year.

Thanks for the opportunity to be involved with this great club and a wonderful group of people, Amanda, Lachlan, Danie and I will miss it next year.

PLAYER PROFILES

MAX BARNETT: This is Max's first year with the Club and he has shown determination, courage and a big improvement in his skills. He has a number of qualities that are impossible to teach and has developed a style of play that is a neat fusion of his league and Australian rules talents. Max is the best mark in the team and proved this on many occasions inspirationally running with the flight of the ball and marking it over his shoulder.

HAYDEN BUI: Hayden is a pocket rocket who in his first year with the club showed a quiet intensity that is very focused on winning the football. His skills improved throughout the year and his determination was evident in every contest, in many of those he won the ball when it looked like the opposition was clear. Hayden is also very clever around the goals and developed into the Team's best goal sneak by the end of the year.

JOSHUA CLARK: Joshua started the year very quietly but soon developed into a fierce competitor for the ball. As the year progressed, Joshua became more and more involved and played very strongly, with his skills developing to a high level, and this stood out especially when in the backline. No one showed greater improvement this year than Joshua, and his willingness to get to the bottom of the pack won him many free kicks this year.

ELY CORLISS: Ely has very good hand and foot skills and when in possession makes good decisions. Throughout the year, Ely was a little inconsistent but his physical play improved a lot and he took some great marks and kicked some very special goals as well. Ely is the most efficient user of the ball in the team and showed great promise to continue his development.

ETHAN FRANKLAND: Ethan plays the game with a lot of passion and wears his heart on his sleeve. Many times this year he was seen putting his body on the line and playing in front (as coached!). In Ethan's second year in the Club he has displayed great improvement in his hand and foot skills to match his determination and enthusiasm. A pleasure to coach, Ethan is the best teammate in the side, always trying to get others involved.

AARON JOHNSON: Aaron is a very physical player, and in his first year with the Team showed great determination and improving skills. Aaron reads the play well and was particularly effective at both ends of the ground where he often found himself in the right place and the right time. A strong runner he was often observed bursting through the pack and moving the ball forward for the team. Aaron was the most effective player in assisting teammates in the physical contest this year.

LUKE LAWRENCE: Luke is an immensely talented player and has great hand and foot skills that are evident every time he touches the ball. This year he improved his leadership and teamwork getting many of the less experienced players involved and setting up many forays forward from the centreline where he did his best work. The player with the highest developed skills in the team, Luke also reached his 50 game milestone and was selected to represent our Club in the U10s Development Squad.

ZACHARIAH NEWPORT: Zach is a quick and highly skilled player who is often observed making ground to a contest where the situation looked beyond saving. Sometime a slow starter, as the game progressed, Zach showed the determination and focus that he showed last year and always had an impact on the game. Zach is easy to coach and displays a strong pair of hands and a great sense of where to be on the field. Zach is the quickest player on the team and works hard with and without the ball to help the team.

XAVIER PAPPS: Xavier is a quiet player who has shown a great deal of improvement in his confidence and willingness to get involved. He developed a bit of a knack of being in the right place at the right time in the forward line and kicked some very impressive goals this year. Xavier has shown when he is confident and gets involved he has good skills and displayed great team work this year in looking for others in a better position when in trouble. Xavier is the best listener on the team and could be relied upon to follow instructions well.

ALEX PARTRIDGE: Alex had a very impressive year, in his first year with the Team. Very determined and a perennial contender for the coveted 'dirtiest knees' award, Alex displayed the most courage and determination on the field this year. Alex's skills improved a lot this year and his willingness to be involved and fight for the ball was inspirational. Alex was awarded the Outstanding Player Award at the League Presentation Night for his teamwork, determination and respect for the game.

CHARLES SHEATHER: In Charlie's first year with the team he has developed into an effective team mate always looking for someone in a better position to give the ball to. With his confidence improving throughout the year, Charlie showed that he has developing skills, especially his handball and when involved makes good decisions, hallmarks of a good team player. Charlie is unflappable and maintains a calm demeanour at all times making him a pleasure to coach and a great team mate.

LACHLAN WALL: Lachlan is a great communicator and reads the game very effectively often putting himself in the best place to make the right play. He is developing into a physical player whose skills have improved with longer and more accurate kicks and stronger hands in the marking contest. Lachlan is also a great team player consistently looking to give the ball to someone in a better position. Lachlan is the best communicator in the team and is probably destined for a career in the backline where his skills are most effective.

LUKE WALTON: Luke started the year playing up in the U11s and early in the year asked to play in the U10s as well. Luke is strong at the contest and is developing into an accomplished ruckman with good timing and the ability to get the ball moving forward from the centre very effectively. Always a very good kick of the football, Luke showed some real improvement in his marking ability and when he concentrates on the ball is a very effective player in all parts of the ground. Luke is the best ruckman in the team and part of our most effective centre group.

UNDER 10'S SILVER

Coach's Report - Andrew Hamilton

The season can best be described as one of great progression. As the 3 U10 coaches looked to allocate children to each of the teams the challenge was not going to be just teaching the boys the basic skills of the game but most importantly how to provide them with a great AFL experience and bond them together as a team rather than as a group of individuals.

With a relatively inexperienced group of senior players, we were thankful to have Nick Jenneke and Bryson Hart (50 game players) and second year players James Phillips and Joshua Hamilton in the team.

With a large influx of new players consisting of Thomas Hopper, Finn McDonald, Keiran Corcoran, Adam Marabani, Nicholas Zadow, Seb Pelligrino, Seb duPlessis, Josh Macdessi, Steven Wells and Dashiell Upton, we were still light on for experience.

It was challenging to settle the team with players regularly unavailable due to school and other sporting commitments, holidays and illness all part of the busy lives that everyone leads these days. These are all very common experiences.

The uncertainty of ground availability due to weather for training and washed out games made consistency of training and competition opportunities increasingly frustrating; thankfully we had the indoor cricket centre as an alternative training venue – a facility which few clubs would have.

The early games were all about teaching the boys a pre-game warm-up and the importance of preparing as a team – the important part to keep instructions simple. As the season built into the mid part of the season the boys began to gain some confidence and began to bond as a team. A tremendously competitive game against Moore Park at Heffron Park was a real turning point as the boys realised that applying pressure to a more skilful team would regularly see the ball turned over. For many of the boys it was their best game to that stage of the season.

The boys carried this form into the mid season gala day when they beat Concord and both the Black and very strong Teal teams in the first 3 games but had their confidence diminished when playing Maroubra and Easts in the last two games.

These last two games really seemed to hurt the boy's confidence and their fragility showed and they returned to their early season status.

Returning to and reinforcing the basics of using the voice, the importance of game day preparation and introducing some very simple team bonding concepts saw the team in the latter part of the season regain that confidence again and it began to return when they played Teal at Wagener Oval. While the boys were still somewhat disappointed with their performance, there were glimpses of teamwork returning.

The secret as is often the case is all in their preparation and pleasingly as the latter part of the season approached the boys began to prepare for games as a team – they found voice, knew the pre-game drills, how to present themselves and this was reflected in their performance.

The last two games of the season were highlights. Firstly against Maroubra Red at Drummoyne Oval and then against one of the strongest teams Easts Red. The boys' inexperience and lower skill levels were replaced with a tremendous tenacity for possession of the ball, physical influence on the opposition player with the ball and a preparedness to turn defence into attack, traits that often are the undoing of more skilful teams.

While many players were unavailable for the end of season gala day the Silver team was well represented in the Black and Teal teams and performed admirably. Nick Jenneke, Finn McDonald and Thomas Hopper were particularly influential in assisting Teal to reach the Grand Final.

There were numerous awards for the team and individuals this season:

- ☐ The U/10 coaches introduced the weekly coach's encouragement award which was well received;
- ☐ Nick Jenneke and Bryson Hart reached the 50 game milestone for the club;
- ☐ Thomas Hopper, Finn McDonald and Nick Jenneke played in the end of season gala day Grand Final for Teal;
- ☐ Nick Jenneke was selected for and played in U/10 Development Squad games; and
- ☐ Joshua Hamilton received an Outstanding Achievement Award at the AFL's Awards evening.

Thank-you to Phil duPlessis for his support as TM in his first year at the club, to the Mums and Dads for their volunteer support with the various weekly team roles and for bringing your boys to training and games week in week out.

Congratulations to Nick Jenneke for winning the Best & Fairest, Finn McDonald for being Runner-Up in his first year and polling votes in every game he played and to Keiran Corcoran for being awarded the Coach's Encouragement Award in also his first year.

As a first year coach I enjoyed the experience immensely and look forward to coaching many of the boys again in 2012.

Thomas Hopper – a first year player who was very quiet at the beginning of the season but used his voice to become involved in the game as the season progressed. A great marking back man Thomas has a deft touch often getting his hand to a ball that would stifle an opposition forward movement.

Finn McDonald – Finn has a tremendous natural athletic build for the game and is not overawed by an occasion. His rugby skill provides a great base enabling him to gather and run with intent with the ball and has made a great impression on all in his first year. He has a tremendous future in the game.

Keiran Corcoran – one would not know that this was Keiran's first year in the game. He and Finn could be mistaken for brothers as Keiran is prepared to back himself to out run any opposition player which often results in a fast delivery from the centre into the forward line. A pleasure to coach, he has a bright future in the game.

Adam Marabani – Adam has natural leadership skills and this came to the fore as the season progressed. He marshals the players wherever he plays, puts his body on the line for the team and is prepared to muscle opposition players out of position.

Joshua Hamilton – Joshua is one of the most skilful players in the U/10s and certainly the most skilful player in the Silver team. He has excellent handballing and foot skills, is an accurate kick and has a great awareness of goal and sense of creating space for his team mates.

Nicholas Zadow – while new to the game, Nicholas showed great improvement the longer the season progressed. He trains hard and is one of the most enthusiastic players in the team. Always smiling his approach to training was rewarded as he began to hold chest marks just as the end of the season approached.

Nick Jenneke – Nick is a talented, physical and passionate footballer. He was certainly the most consistent player all season and deserving of the Best & Fairest award. Nick listens well to instructions, is a pleasure to coach and this saw him improve his agility the longer the season progressed for the benefit of his team.

James Phillips – James has tremendous spirit for the game and is often paired against similar sized opponents. He responds best when challenged which often brings out the best in his skills, is an accurate kick and provides his team mates with the first use of the ball in most contests.

Bryson Hart – his surname says it all. What Bryson lacks in skill he makes up for in heart. He is a close checking, reliable and dour defender who consistently works hard with or without the ball.

Seb Pelligrino – Seb is a first year player who grew in confidence the longer the season progressed. Quiet early in the season, he would often put his body in front of opposition players or dash out of the backline using his long kick which placed pressure on the opposition backline.

Seb du Plessis – Seb has a skill that is the envy of most – the ability to hold the ball in his hands creating uncertainty in the minds of the opposition and then delivering a handball to a team mate in better position. Blessed with great speed, he will mature into a solid and reliable player.

Josh Macdessi – while only playing a handful of games Josh in his inaugural season showed tremendous skill and became a reliable mark, kick and team player the longer the season progressed. Undoubtedly the most improved player in the team.

Steven Wells – Steven makes up for his lack of size by his determination for the ball. Often found in and under the pack fighting for the ball he will develop into a tough and nuggetty team player with more exposure to the game.

Dashiehl Upton – Dash is that mid sized player that is hard to mark. Blessed with some height he is strong at the contest, listens well to instructions and supports his team mates in everything they do. He is frequently the last to get up from the ground and is usually holding onto the ball.

UNDER 10'S TEAL

Coach's Report - Vaughan Paul

The Team reformed in 2011 with 9 of last year's players returning supported by new members (Bodey, Jake, Louis, Harrison and Jackson) and together they were one of the stronger sides in the competition.

Throughout the season the boys formed a very strong bond, and demonstrated great team spirit. Most pleasing was the significant development they showed in skills, marking, kicking and reading the play. In particular the development shown by the new boys to the game throughout the session was exceptional.

Every game the boys put in their best and through strong teamwork were able to outscore the opposition. Best of all the boys showed great respect towards the umpires, the other teams, and their team mates, qualities that made them a pleasure to coach.

I would like to thank Jen Loughnan for being a great Team Manager, the organisation and rostering of match reports and jumpers was outstanding. Thanks to all the parents for your support, for your passion and encouragement of the boys and for being willing to help out on game day.

I would also like to thank the Under 10's Coaches Andrew and Steve for great support throughout the year. Thanks to the Teal boys who also played up on a regular basis for the under 11's to help with numbers. There can be no question about the love of the game when they boys walk off the field and go straight to play another game of footy (love that game!)

I believe all the boys had an enjoyable year of footy and wish them well with the game in the years to come

Vaughan

Players Report

Jackson Bursill - Jackson's first year of AFL. He became a key on ball player, has developed a great kick and uses his pace to get the ball to a team mate. Jackson played well in all roles and always gets lots of possession of the ball. With further development of his skills Jackson has a long career ahead. Great first year of AFL Jackson

Henry Cain –Congratulations to Henry for playing his 50 games this year for the club, a great achievement. Henry's focus on the goals makes him dangerous in the forward line. He uses his pace to win the ball and developed into a good mark tacker. Henry is a player who likes to use the open space to set up play for his team mates. Well Done Henry.

James Cooper - James was another player who celebrated his 50 games. James goes in hard and never gives the ball up easily. He is great at ground level and always places the opposition under huge pressure. He kicked some great goals and tackles hard. Congratulations on another strong year of footy and in achieving 50 games for Drummoyne Power.

Zac Dennis - Zac is strong in all positions. He takes great marks particularly over head and kicked plenty of goals in the year. He was a key ruckman for the team but also was strong in the forward line. Zac received recognition for the Outstanding Achievement Award in Under 10's (Greater Sydney Division) which was well deserved as he is always gets lots of the footy and was one of the highest goal scorers for the team.

Luke Gallen -He is fast, takes a great mark and can kick the ball long and high. Luke continued to develop his game skills and was a regular winner of mark of the day. His ability to read the play made him an asset in any position but he was particularly strong in the backline. Great Footy Luke

Bodey Lambert – Bodey's first year with the club and he decided to play up a year. Bodey is a skilled player who gets plenty of the ball and really effective at positioning the team into attack. He was great at running out of danger and took some stunning overhead marks. In one game Body kicked 6 goals which was an amazing effort. Excellent footy Bodey.

Armando Perri - Armando had another strong year with the team. He continued to develop his skills and became a key goal scorer. Armando always wins at ground level and developed strong marking skills. He is an accurate kick for goal and never missed an opportunity to score. Great work Armando.

Harrison Riedel – Harrison was another first year player who quickly adjusted to the pace of the game. He used his speed to win the ball and always looked to pass to a team mate. Harrison's skills developed well over the year and he had a significant influence on the game in the finals. Well done Harrison.

Louis Robinson – Louie had a great first year. He is a tough opponent, always goes hard and fights for the ball in the packs. Louie was great at driving the ball out of the centre to the forward line and setting up the play for the team. Over the year he developed to be a handy goal scorer and strong marker of the ball. Well done Louie.

Jake Schloeffel – Jake had an outstanding first year of football. Using his size he was able to out-position the opposition in the marking content and in going for the ball. He developed to be a handy ruckman, clearing the ball and setting the team up to push forward. Towards the end of the season Jake's kicking developed and he became dangerous in the forward line. Congratulations on a successful first year Jake.

Liam Soper – Liam showed significant development of his skills and really put in on game day. Mid way through the season Liam was really getting amongst the action. He became an effective forward and on a number of occasions out marked the opposition in the goal square and kicked through for a goal. This saw him win goal of the day on two occasions. Great year Liam, well done.

Benjamin Wrigley – Benjamin is a versatile player that made an impact in any position on the ground. His trademark move is his ability to take the ball from the backline and dodge the opposition to get the ball to the centreline and then set up the team for a goal. A fierce tackler and fighter for the ball, Benjamin had an outstanding year of footy.

Joshua Paul – Josh was strong in all positions but really excelled in the backline. He used his pace to win the ball and accelerate away from his opponents. His ability to dodge and weave his way out of trouble turned our defence into attack on a regular basis. But not just a back man, Josh also kicked 6 goals in one game and can take a great overhead mark. Excellent work Josh.

James Loughlan – James had another great year. He dominated in the centre of the ground, and used his big kick to drive the team forward. James often would take on two or three of the other team and would win the ball from these contests. James can play any position on the ground and never gives up. He was a regular winner of Mark of the day and bagged plenty of goals during the year. Fantastic footy James.

UNDER 11'S SILVER

Coach's Report - Garry Phillips

The Boys finished the season in grand style on Saturday 20th August in the “Gala Day” at Picken Oval - winning against Easts, playing in a draw against Wests and being very competitive against Newtown and Maroubra.

Their teamwork improved throughout the season. Pleasingly, handball became an attacking play and not something to do only when tackled. They also started to develop better positional awareness, tried to create space to lead into and become attacking targets and (usually) responded positively to being moved back or forward.

The Boys will need to take training more seriously next season to improve at a rate befitting their abilities. Basic kicking skills and marking still require focus and effort.

However, “trying their best” and “competing hard” on game day came naturally to them. Well played Team!

Josh Kerr: Josh is to be congratulated on a season in which he improved enormously. His tireless work in the ruck – skilfully palming the ball to his team-mates and always giving a contest – set a fine example. Keep working on your skills Josh and we look forward to seeing you continue to improve next season. One to watch with his natural athleticism!

Ben Sanders: Ben’s attack on the ball is first class and inspiring to his team-mates. He reads the play well, shows good judgement in going for his marks and knows when to bump opponents off the ball. His strong play was greatly missed when forced to miss games with injury. Very best wishes Ben from all at the Power as you recover from your knee injury.

Cooper Searle: A dashing player who’s long, penetrating kicks set up many goals. Cooper’s athleticism won him admirers – leading the team’s statistics in “running bounces” – often ending with a shot at goal! Frequently had to play on taller opponents and always gave a spirited contest...well played Cooper, a fine season. Another player to watch next season!

Ryan Shirlaw: Ryan reads the play very well, cleverly and quietly raking up the possessions. His versatility is a “real strong point” – be it taking goal saving marks or snapping goals when moved forward – great stuff! Ryan’s confidence grew as the season progressed and he is to be commended on a wonderful season.

Lewis Patton: Lewis is another dashing, athletic player - in the Nick Riewoldt mould with his blond hair - who played just as well in defence as he did forward. Lewis needs to back his instincts a little more to reach his potential, but he has plenty of ability and will be a key player for the Power next season.

Johan Van Wachem: Jonah would have happily played every game at full forward if he had his way...but he didn't...playing some outstanding games in defence where his tackling and "competing hard" attitude often set the example for his team-mates to follow. But Jonah does know where the goals and kicked some excellent goals – proving a handful for many defenders! He probably talked a few opponents off their games too!

Bailey Cox: Bailey is a fierce tackler and natural competitor. His attack on the ball is first class and he often gave the team a lift when moved into the midfield. One of Bailey's highlights for the season was a sensational running torpedo goal at Five Dock against Easts. Well played Bailey - an excellent season!

Angus McNamara: Gus is a very skilful, running player who loves dashing around the man on mark to shoot at goal. Played a very consistent season, always dangerous near goal and never beaten. Pleasingly, Gus introduced attacking handball into his game later in the season, which helped better involve his team-mates and made him even more of a headache for the opposition. Great season Gus!

Jack Roddy: Jack's a terrific team player and was part of "our engine room" – hardworking, never beaten and always up for a contest. Jack's versatility made him a valuable player. If the team needed a lift; Jack was the ace we turned to! Keep working on the skills and we look forward to seeing you in action again next year.

Fred Watkins: Fred played most of the season in defence – where he took many Leo Barry like goal and match saving marks – often against taller opponents. Fred's a true ball player who improved with every game. His use of the ball was very good too; consistently picking the right player to pass to. Congratulations on a fine season Fred!

Samuel Bignold: Samuel's a tremendous competitor and inspirational leader. We love the way he plays – "eyes for the ball and hard at it". Greatly missed after breaking his thumb (but playing the game out!) mid season against Newtown - we very much look forward to seeing Samuel in action again next year.

Fraser Phillips: Fraser played most of the season in the midfield where he competed tirelessly and excelled at quickly clearing the ball out of the centre. Part of a formidable midfield, Fraser also rotated especially well with Gus, moving forward where his left foot and goal kicking (5 in a quarter against Newtown) proved a handful for opposition defenders.

Will Heine: Will's improvement through the season was very pleasing; with his marking being a particular strength. It's great to watch Will back his judgement and go for it! Will works hard for front position and competes well. We look forward to seeing Will continue to improve next season.

Nick Jenneke: Nick's confidence grew with every match (often having earlier played in the U/10s). Attacking the ball at speed is a Nick trademark and exciting to watch. Don't be fooled by Nick's quiet nature off the field; he's a spirited, brave competitor who thrives on a challenge. Well played Nick – thanks for so often playing a 2nd game for us.

Brendan Ford: On Friday nights, Brendan probably drifts off to sleep dreaming of kicking goals, then on Saturdays, he goes out and does it! But it was Brendan's tackling and defensive efforts that were even more valuable to the team. Keep up this focus Brendan! Your uncanny goal sense will always be there, well played.

Luke Walton and Bodey Lambert also each played a few games for us. Both always gave 100% and played with terrific team spirit, a big thank you for your efforts!

Special thanks to Keeley Devery and Adrian Searle for being our wonderfully diligent Team Manager and always enthusiastic Assistant Coach/Runner respectively. Your efforts were greatly appreciated. Similarly, thank you to Anthony McNamara for helping coach the Boys.

It was a pleasure to coach the Boys this year and I look forward to seeing them play again next season.

Garry Phillips

UNDER 11'S TEAL

Coach's Report - Alex Vozzo

The objective at the start of the season was to raise the skill level of our players, to play them in various positions and to gain a greater understanding of our game

After a slow start to the season we began playing as a team and our game improved immensely. It was most rewarding to see kids previously reluctant to put their head over the ball at a contest, attack the ball with vigour and in doing so raise not only their own self-esteem but lift team spirits.

I wish to offer a big thank you to all parents and players for their commitment to the season, especially a huge thank you to our Graeme Durrant for his outstanding work as Team Manager.

Player Profiles

Frane Babic - Began 2011, played 4 games. Great tall ruckman who developed his kicking and marking despite limited game opportunities.

James Brookshaw - Began 2011, played 15 games. Solid fullback who gives 100%. Accurate long kick, strong mark and fierce competitor.

Marcus Della Marta - Began 2010, played 19 games. Great work ethic and tireless in tackling yet capable of winning games himself. Towering mark.

Lindon Durrant - Began 2008, played 56 games. Shows courage and always found "in and under" the packs. The most developed player through the season

Michael Lambropoulos - Began 2007, played 67 games. Can take a strong mark. Grew steadily in confidence, showing what he is capable of as a footballer.

Ewan MacDonald - Began 2009, played 49 games. Reads play well of halfback and uses the ball well. Capable in attack and in kicking goals himself.

Alexander Medjumurac - Began 2010, played 29 games. Competes and takes strong marks in forward 50. Nice left foot kick and bags multiple goals.

Aiden Micallef - Began 2011, played 19 games. Best back man I've seen for many years in his first year of AFL. Set the example for his teammates.

Thomas Queenan - Began 2006, played 83 games. Can find the ball and score a goal. Pacey runner who competes til the ball is cleared.

Phillip Ringer - Began 2006, played 64 games. Team all rounder, strong in the contest. Capable midfielder, forward or back man.

Matthew Sheridan - Began 2005, played 91 games. Good strong mark overhead with good leap and nice long kick. Solid in defence with an attacking role.

Jack Vozzo - Began 2005, played 97 games. In and under player who shows courage and continually works the ball forward. Great team player.

Luke Walton - Began 2006, played 96 games. Good pair of hands. Loves to kick a goal. Good crumbler of the ball around the forward packs.

Benji Williams - Began 2009, played 42 games. Smallest player, highest leap and mark. Goal scorer who became a true team leader as season unfolded.

UNDER 12'S

Coach's Report - Glen Burgess

Drummoyne Sydney City U12 Premiers 2011!

There was a high level of uncertainty as to whether Drummoyne would field an U12's team this year for a number of reasons. However, after a hectic pre season run around, we were able to put together a starting line up of 15 players which grew to 22 early in the season.

Coaching and managing such a large squad brought with it a fair share of angst before and on game day however I am grateful for the parent's understanding of the situation and that chaotic interchange. The week to week challenge was to be fair, provide the boys with adequate game time and be as competitive as possible.

In the early rounds it was clear we were going to be a very competitive side and without getting too ahead of ourselves a top two finish is what we quietly aspired to attain.

There were some very memorable moments and some very memorable games; none more so than the East Sydney Blue clash at Drummoyne Oval in Round 7. The very excited and vocal parent group certainly walked away on a high with a comprehensive come from behind win which was certainly a defining moment in the season.

The coaching group this year was fun and rumoured to be larger than the Swans! I am indebted to Anthony McNamara for his input and passion throughout the year and Mario who ran up more kms than Chris Judd as our team runner. Special thanks also to Chris Karounis and Peter Loughnan for their work as defensive coaches.

Special thanks and recognition must go to Cooper Searle, Ewan McDonald, Angus McNamara, James Loughnan and Fraser Phillips who not only stepped up to help us field a full team on some days but also played some pretty impressive footy.

At the business end of the season the narrow four point loss to Easts in the qualifying final was a wake- up call that to win a grand final you need to earn it. Rather than feel deflated the boys dusted themselves down and bounced back with a 63 point win in the preliminary final. We were brimming with confidence despite having lost to East Red in our only two encounters this season.

The boys were asked to play their very best footy for themselves and for each other and won a very memorable grand final 7.14 (56) to 3.5 (23). Anthony and I could not hide our elation and pride. They demonstrated enormous skill on the field and their success can only be put down to their drive, determination and love of the game.

I trust the boys enjoyed the season and that I have helped develop their skills and game sense through the course of the year. One of the qualities they developed themselves was their ability to be humble in defeat and humble in victory.

Special mention must go to Alex and Dylan who never missed a training session and tried their very best week in week out.

Player Profiles:

Alex Alley (Profile player – Corey Enright): Alex is a true team player and will be remembered for his telling mark in last quarter in the Round 7 match against Easts. Not only did he stem their last quarter run, he then kicked truly to set up a defining goal.

Gabe Beswick (Profile player – Lenny Hayes): Gabe consolidated his position in the team with his versatility and ability to play in attack and defence. He moved into the centre in the latter part of the season and responded with his best footy for the year. Like Lenny Hayes in last year's AFL Grand Finals, Gabe's ability to kick long and accurately into the forward line is an asset.

Lachlan Burgess (Profile player – Nick Riewoldt): Lachlan always provided a dependable target up forward and had the versatility to play at full back. A long and accurate kicking game was cruelly put on hold with a finger injury that sidelined him for eight weeks. Representative honours.

Laurence "Lars" Cramp (Profile player – Heath Grundy): Lars is a strong "eyes only for the ball" player. At the start of the season, Lars made a strong commitment to improve his ball skills, and his efforts and training are now starting to pay dividends. He's made a solid contribution to the team in both defence and up forward.

Alistair Davies (Profile player – Harry O'Brien): Alistair is the team's "Rising Star" for 2011. Having played most of 2010 in the forward line, he found his niche in the backline. The words that summarise Alistair's contribution to the back line are courageous, dependable and determined. Alistair is a true champion who's "punching above his weight". Won the team's Achievement Award.

Darby Durack (Profile player – Heath Shaw): No one can deny Darby's determination on the field. He worked hard off field to improve his kicking and marking skills and always applied those learning's on game day. He kicked a couple of great goals against East's in our mid season clash before playing some of his best footy in the backline.

Joe Dusevic (Profile player – Mathew Scarlett): Joe showed promising signs early in the season with an impressive game in the round 7 clash against East Sydney Blue. He constantly ran the ball out of the back line, and from that game he consolidated his position at centre half back. He also responded positively to the challenge when moved into the ruck. Always backs himself and never disappointed us with his efforts.

Oscar Highbett (Profile player – Aaron Davey): Oscar returned to footy this year after a five year absence. Started to find his feet after a few rounds and kicked a great goal in Round 8 against Concord. Played mostly in the backline and grew with confidence as the season progressed.

Charlie Hoffman (Profile player – Luke Hodge): Another rookie who was able to consolidate himself into the team's starting line up. "Dustin" was rock solid in defence yet showed the versatility to play in a number of positions.

Like his profile player he'll be integral to the team's success come finals time.

Peter Karounis (Profile player – Cyril Rioli): A player who feels comfortable playing in any position on the field. Peter is a very versatile utility who will run all day. He's strong at the ball and renowned for "swooping" Daicos-like and making the impossible possible.

Dylan Kennerson (Profile player – Kieran Jack): A strong forward, who has had a fair bit of success this year in front of goal. Dylan is a strong clubman and committed team player.

Bailey Lambert (Profile player – Chris Judd): Despite joining the team after the season had begun, Bailey quickly consolidated his position as a midfielder. His ball skills and innate ability to read the play were great additions to an already talented centre line. Bailey's passion for success had a positive impact on his team mates and his determination to win the contested footy continually worried his opponents. A fabulous player and a dominant midfielder. Showed his true class in the representative team.

A deserving runner up in the best and fairest awards.

Jack Loughnan (Profile player – Barry Hall): Jack loves the physicality of the game and showed no fear against any opposition. In defence or attack our opponents always knew it when Jack was around. The "friendly fire" incident at Sydney University was a testament on just how hard Jack goes for the ball – Just ask Angus Rankin!

Riley Lucas (Profile player – Lance Franklin): The improvement in Riley's skills may well be in part due to the work of the Swans Academy. But it's his dedication to improve that's been the real driver this stellar year.

Riley played in midfield, but did most of his damage at centre half forward. His unique inside out kick pleased the crowd on many an occasion, none more so when he kicked 11 goals in the last home and away game.

Sean McCann (Profile player – Brett Harvey): Sean is a proven utility and is able to play in the back line and be quite creative up forward.

His season had many highlights, but his dashing runs along the wing will always be remembered.

Lewis McNamara (Profile player – Dane Swan): Captain Courageous! Lewis is a tireless gritty performer who as team captain set the benchmark for his teammates to follow. He has "one gear" and that was "hard at the ball for 100% of the game". Like his profile player, Lewis loves the "hard ball gets" and always delivers the ball to advantage up the field.

An outstanding contribution to the team's success. Received the Coaches Award for his tenacity as well as his on field and off field leadership.

Max Morrison (Profile player – Scott Pendlebury): Earned representative honours after a very solid start to the season. Max is a tall utility player which helped the team in countering the opposition stars. Max was solid when used in defence and he also proved pretty handy when placed on the ball as a Ruck Rover. Earned representative selection.

James Pellegrino (Profile player- Jude Bolton): A good running player who easily adapted to the midfield or forward line.

Angus Rankin (Profile player – Aaron Sandilands): It was almost always taken for granted that Angus would put in a stellar performance week after week. Clearly the best player in the team and in the competition.

Most of the team's significant wins could be put down to his athleticism and determination. Angus dominated the ruck contests throughout the season and used his pace and skills to add further potency across the field without any opportunity or desire to rest. Angus shouldered an enormous workload and for that we thank him.

A well deserved best on field performance in the grand final and the team's best and fairest award winner.

Henry Service (Profile player – Adam Cooney): The 2011 Rookie of the year!

Henry joined the team in Round 8 and quickly established himself as a "player to watch. In his first game he showed plenty of dash and commitment to win the hard ball. Whilst new to the game he certainly found his niche on the wing and improved as a player as the season progressed. He showed great composure under pressure and a tremendous competitive spirit.

Ben Stevanovic (Profile player – Gary Ablett): Just like his profile player, Ben is an excellent midfielder who consistently wins the ball around the ground and always moves it forward to advantage.

Ben's signature move, a dummy run around opponents, always enabled him to gain some added metres to either rebound from the backline or penetrate deep into the forward line.

Ben is a terrific offensive player who gave his all for the team and reluctant to take his foot off the pedal.

An outstanding contribution to the team's success

Jordan Willis (Profile player – Brendan Goddard): Jordan worked his way into form through the first half of the season playing on the wing and up forward. He also impressed in the Ruck and picked up a number of handy goals when playing down in the forward line. Jordan had just secured the 2nd Ruck position when a shoulder injury cut short his season.

SYDNEY HARBOUR TEAMS

UNDER 13's DIVISION 3

Coach's Report - Greg Howe

Great finish to a great year ! 2011 was the year of the Power with club success across the board, it was great to finish a long year with a Premiership!

It all started in Feb with some scorching hot Sunday Morning Pre Season training sessions. Some 3km Time trials and some bay runs that seem like years ago! We started the year in Div 2 with a great buzz and feel amongst the group, we got a touch up in our trial match and unfortunately that would be the general feel for the first part of our year. The high light of our foray in Div 2 was our amazing win against Baulkham Hills – that was the start of us learning how to play as a team.

The move to Div 3 was a successful one, we lost one game and even that was close. We learned to play as a team and every player contributed game after game. Each week it was extremely hard to pick the best players, which is a really great problem to have. We played fair, consistent and tough football for the rest of the year and came away with a flag ! The best thing about the year was the vast improvement of our players, to see the boy's development their skills and confidence over the year was absolutely tremendous.

I would like to thank a great bunch of Parents for their help in volunteering week after week, we always had Goal Umpires and Boundary Umpires as people happily did their share. It was a pleasure to be involved with this team and the Drummoyne Power – I'll be more than happy to return next year. Our goal must be to get back into Div 2 and to compete with the best!

Player Profiles –

Nick Adgemis: Our big ruckman had an outstanding year. Amazingly consistent as he seemed to improve with every game he played. A pleasure to coach, always upbeat and up for a challenge; Nick's tough, aggressive and confident brand of football helped was inspirational throughout the year, his fitness was also astonishing often in the Ruck for the whole game ! Nick's challenge is to learn to play in other key positions so he can become a more versatile, well rounded player. Looking forward to a huge 2012 Nick!

Tommy Doyle: Tommy unfortunately has been marred by injuries this year, however a fully fit Tommy Doyle was simply devastating for us this year, his unique ball winning ability is second to none in our team, a challenge for Tommy is to play roles in multiple positions. Tommy has a promising future in AFL Football, his dedication and willingness to play multiple roles and work hard on his skills will see him develop into a great player.

Jarryd Fernandes: Jarryd has had a fantastic 2011 season. Jarryd's has improved and developed as a player remarkably this year. Jarryd really stood out after we made the switch from back flank into the midfield, from then on Jarryd shined each and every game. His ability to win and clear the ball, run all day, kick goals and take contested marks was certainly a catalyst for our success this year. His work rate and determination saw him win awards from the GSJ and win Best on Ground at the Grand Final. An outstanding year, I look forward to seeing him play in 2012!

Callum Lavery: Callum is a wonderful, dedicated team player. His enthusiasm, dedication at training and consistent performances certainly stood out this year. Callum unfortunately missed half the year with a broken arm but from his first game back his form was outstanding, Callum often played multiple roles in the Forward Line and in the Ruck. Callum has great skills, keep working on them in the off season and I'm sure 2012 will be outstanding.

Will Anthony: Will A was one of our battlers, often playing well above his size and weight. Will's courage and determination would often see him take on much larger opponents with the bigger boys often coming off second best. I hope Will continues to play AFL next year as he is a great person to have around our team.

Harrison Hansford (HH): HH – What can I say about our very own HH. HH or the lumberjack as we affectionately call him had an outstanding year. One game in particular stands out – Maroubra Game at Riverview whereby none of the much larger opposition would go anywhere near him for absolute fear of being cut in half. HH always displays an amazing level of courage and always played well above his size and weight. I truly hope HH continues to play AFL in 2012, he needs to work on his skills and to take training seriously if he wants to develop into a great footballer. I hope we see a bigger, badder HH next year!

Nicholas "Ironfist" Jorgenson: Nicholas is one of the most improved players this year. Nick is a quiet person, but as a back man on the field he is frugal and ruthless often starving his opponent of possessions. An often frustrated opposition coach would rotate their star players out of Ironfist's domain to get them into the game. Nick has been a pleasure to coach in 2011. To take the next step, Nick needs to work on his skills in the off season, I'm hoping he'll be back for a huge 2012! Well done Nick!

Sebastian Vervoort: Seb has had a great year. Often called upon to play against tough opponents in the back line; Seb has displayed skill under pressure often repelling opposition's forward entries. Seb always has a smile on his face and is a great team player. No doubt Seb is up for another stellar season in 2012!

Angus Chilton: Angus displays all the attributes of a great team player. He plays well above his slight stature and often sneaks a goal from his consistent roving off the feet of our bigger players. Angus has shown determination this year and will hopefully continue his AFL with us next year!

Alexander "Sandy" Henderson: Sandy has had an amazingly consistent year. His ability to play multiple roles on the field has been a tremendous asset for our team. Sandy has displayed excellent skills, is a consistent goal kicker and has made a huge contribution to the success of our team this year!

Ben Vozzo: Ben has been the glue of this Under 13's team this year. His leadership skills and amazingly balanced game has been a highlight this year. His skill on both sides of his body, dogged efforts around the ball and pinch hitting in key positions has seen him play a year of football to be proud of. I have no doubt Ben will be back in 2012 for an ever bigger and better year in 2012! Well Done!

Oliver Bourke: Ollie was one of our best mid-fielders all year. Always consistent his ball winning ability and kicking skills allowed us to dominate clearances most of the year. Equally dangerous off the back line, Ollie has been a great utility player with great poise, skill and decision making. Look forward to coaching him again in 2012. Great work Ollie!

Tom Sanders: Tom has been one of our toughest, key positional players this year. Tom is big and strong and has displayed tough, contested football all year. His ability to give a tough contest or out mark his opponent has been tremendous. A great year and I'm sure you'll be back in 2012!

Eddie Gregory: Unfortunately did not see Eddie play as much football as I would have liked this year as Eddie has a love of two codes! In my very biased opinion Eddie must choose AFL as he has had an amazing impact on this team. His drive off the backline has been the catalyst for much of our attack this year. His ability to read the play and be in the right spot consistently has seen him rack up possessions and disposals – all this without any training during the regular season! An amazing year Eddie, hope to see you back in 2012.

Louis Gray: Another Rugby Boy, Louis has a love of both codes but has excelled at AFL this year! His height, speed and strength has been an asset to us this year, Louis always gets a truckload of ball wherever he plays on the field and can break tackles, run and carry the football and deliver into our forward line. Hope to see more of him next year, if he continues to apply himself and continue to develop his skills he has a great future in AFL Football.

Nektar Bolos: Nektar is the quiet achiever of the Under 13's side this year. Nektar would quietly go about his business during many of the games this year often gaining possession of the football after persistence and hard work. Nektar got paid many free kicks this year due to his tackling pressure an often unrecognised statistic. Nektar has outstanding fitness levels and if he continues to apply himself, continues to develop his skills and knowledge of the game I have no doubt Nektar will develop into a fine footballer.

Blaine Gwinnell: Blaine is a player that has come along leaps and bounds this year. Blaine's persistence and tenacity around the ball has seen him rewarded with many possessions and a few goals for his 2nd, 3rd and 4th efforts. He is a great team player, always applies himself at training and is usually the first one to arrive on game day. If he continues to develop his skills he will develop into a great AFL player.

Jack O'Donoghue: Jack is another player who has shown tremendous improvement this year. Jack's performances in the last half of the season have been tough, determined and have significantly contributed to our great year. You will often find Jack under a pack fighting for possession of the football, his marking skills have come along way and his kicking skills have clearly improved. Extremely pleased with his performances this year and am proud of his improvements. Jack missed one training session all year, one of the most determined and committed footballers in the team. Well Done!

Isaac Foster: Isaac is another of our players who has been a wonderful utility player for us this year. Isaac has played as an Onballer, Wing, CHF and CHB and in the forward line this year. His clean hands and marking ability has been a standout for him this season. I look forward to coaching him next season for what will be a great year for him !

Johnny Garrick: Big Johnny G, always a smile on his face and always gives 100 percent at training and on game day. Slight in stature but a huge heart, Johnny displays courage and determination in everything he does on the field. Vastly improved this year, his performances during the finals series were outstanding, if he continues to develop his skills and fitness he will be a great asset to the Under 14's in 2012!

Kaj Kulic: Kaj was a late comer this season, but immediately had an impact on the field. Kicking a goal in his first game for us this year! Kaj only played a handful of games but was great to have around at training and on game day, hope to see him back in 2012!

Will Papapetros: Big Will P another of our versatile, consistent players this year. Some of Will's best performances this year were actually in the mid-field. Will started the year in the forward line, but when moved into the mid-field, Will displayed amazing skill and poise as he played some of the best football we have seen this year. If Will continues to apply himself in multiple positions, Will has the talent to become a great footballer. Well Done Will !

Liam Storan: Liam another of our big contributors this year. Liam's height, skill and athletic ability allowed him to dominate in a variety of positions this year. Liam has great skills and can go far in this sport if he continues to apply himself at training and on the field. A great team player and a bright AFL future ahead of him.

Patrick Sabine: Patty gained cult status this year for his courageous efforts in the Grand Final! Patty had a great season at Full Back this season until a leg injury saw him miss nearly the entire 2nd half of the season. Patty courageously played a quarter in the Grand Final even with his leg still not fully healed. Patty's tough, determined spirit saw him score a goal in a day where goals were extremely tough to come by ! A great effort, I look forward to our fullback being fully fit in 2012! Well Done!!

James Wilson: Another player that showed great improvement this year! James played a tough, determined style of football this year and has become a reliable and integral part of our backline. James has superior speed and fitness and if he continues to work on his skills he has the potential to be a great AFL footballer. Well Done!

Lachlan Mclean: Lachie has had a great year. A quiet start to his year but he has continued to develop himself on the field. Often called upon to play in key positions, Lachie always gives 100 percent and continues to give reliable, consistent performances. A great year, hope to see him back in 2012.

James Gatsos: James is another player that has come a long way this year, especially with his kicking. James has developed a lovely, fluid kicking style that has helped James kick a lot of goals in the back half of the season. Determined, passionate and hungry as a player, you can always count on James to give his all! A great year, hope he continues his football into 2012!

UNDER 14'S DIVISION 3

Coach's Report - Brendan Cann

Hopefully the boys will learn a lot from season 2011 about footy, themselves and being part of a team. It was no easy feat with all the speed bumps we encountered to turn 8 straight losses into making the Grand Final. Rounds 1 to 8 were tough footy lessons for the boys. We were playing equally skilled teams but there was a size and age difference as the U14s have 6 regular U12 or U13 players and a several other U13s rotating through each week – half the team were playing up an age group. Entering Division 3 wasn't an easy decision but with the boys losing by 10 goals or so each week, and the amount of boys playing up an age group it was the right decision. Despite losing the first Division 3 game to Wests, the boys turned their fortunes around and started to knock off opponents by small margins at first and then with a bit of confidence some huge wins came along. We won 3 games in a row, giving away 32 points while scoring 268. By the end of the season, everyone was playing at their best and there were great passages of play not only in each game but in each quarter. There are no passengers on this team!

After our second loss to Wests the focus of training changed from skills and match scenarios to learning to tackle and being tackled to get the boys used to the hits and bumps that our bigger opponents will try to put on us. The next time we played Wests (Which we assumed we would be in the Final weeks and weeks ago!) the boys would be mentally and physically prepared for the barrage of hits.

I'd like to give a huge thank you to Mel Lambert for managing the team each week. Without her efforts we simply wouldn't be on the park. I know what it's like to not have that support and having a manager makes the job of coaching and getting the boys prepared before a game a breeze. Thank you Mark for assisting me this year, it was a really difficult start and thank you Jezza for your input at training and on game day, your footy knowledge is a great asset for the boys to learn from. Thank you Hamish Lenton for running the boundary again this season and clocking up all those kilometres and those totally unbiased throw-ins! Thank you to all the parents that worked in the canteen, took fantastic photos, goal umpired and travelled to all the games. It all makes for an enjoyable and easy day for the boys and allows them to focus on their footy.

Simon's great mark

Elijah's 100th game

Bailey on the move

Due to school sport commitments and injuries we relied heavily on the U13s and U16s for players when we were short. In total **34** boys played for the U14s this year so I would like to thank the U13 Coach Greg Howe and U16 Coaches Simon Ringer and David Garrick for helping your fellow Power team. Thank you to the boys and their parents from the U13s and U16s that came and played for us. They are **Harrison Hansford, Jack O'Donoghue, Jackson Bursill, Jarryd Fernandes, Ka Yin Chan, Martin Perkins, Matthew Sheridan, Nick Bertino, Nick Jorgensen, Patty Sabine, Seb Vervoort, Tommy Doyle, Tom Sanders** and **Will Papapetros**. You all played extremely well and without your contribution we would not have made the finals.

Singing the song after our first victory (above) and Before the Semi Final against St Ives (below)

Name	First Season	Career Games	2011 U14 Games
Bass, Matthew	2011	15	15
Bennetts, Lachlan	2011	15	15
Borcherdt, Simon	2010	19	13
Egan, Luke	2006	74	15
Ford, James	2009	33	14
Ford, Nick	2006	79	15
Higgs, Dylan	2003	149	15
Iacono, Joshua	2008	36	15
Johnson, Lachlan	2007	56	15
Lambert, Bailey	2011	22	12
Lambert, Billy	2011	15	15
Lenton, Elijah	2004	104	15
Nelson, Xavier	2004	103	15
Parry, Brendan	2009	28	12
Perry, Alexander	2008	28	14
Roberts, Michael	2008	46	14
Smith, Callum	2010	15	8
Willis, Ethan	2004	89	15
Willis, Jordan	2004	88	8
Yarnold, Caley	2010	19	12

ALEX PERRY (Vice Captain): Alex transformed from a hard running defender last season to a hard running midfielder with a booming kick. His work rate is exceptional. Alex never gives up and he loves to give a big bump or lay a huge tackle. He is a great club man and someone the boys have respect for.

BAILEY LAMBERT: Bailey is a real in and under player and loves to get in amongst the tough stuff. Despite being an U12 he still dominates in the U14s for contested possessions. Bailey also has a fantastic kick and somehow sneaks in a goal or two each week. The only one to get the green whistle all year!

BILLY LAMBERT: Billy is smart, creative and tough around the stoppages. Billy's kicking ability has him in the top echelon of midfielders in the U14 competition. His experience and footy knowledge quickly turned him into one of the leaders of the team.

BRENDAN PARRY: Brendan is a quiet achiever with determination that always works hard and as a defender always beats his opponent. He has worked hard on improving his skills this year and it is showing at training and on game day.

CALLUM SMITH: A versatile footballer that is just as good a defender as he is as a forward. Callum only has his eye on the football and attacks it hard. If you're in his way look out! A hand injury has hampered his season but he returned just in time for the finals and his first game back was a typical effort from Callum; tough and fearless.

CALEY YARNOLD: Caley can take a great mark and he also has a great kick. He played most of the season as the first option in the forward line but was also dominant in the midfield when required. If he continues to improve every week at his current rate he will be a dangerous player in seasons to come.

DYLAN HIGGS: Dylan is an elusive forward and a smart user of the ball by hand and foot. With a solid preseason Dylan looks set to have a great season in 2012. Dylan started the season as a utility playing as a defender and as a forward but secured his position as a forward after a string of goals late in the season. One of the original team playing his 149th game for the club in the Grand Final!

ELIJAH LENTON: Our little pocket rocket. Great ground ball skills and comes with that burst of speed which leaves his opponents wondering where he has gone. You can always hear him screaming up the wing which is a great motivation to his team mates. We are all praying for a big growth spurt in the offseason and starting our weights pre season training early next year so watch out opposition. Another original team member and played his 100th game for the club this year.

ETHAN WILLIS (Captain): Ethan had the best run of the season, if only it was in the right direction. He has led the team as Captain from the ruck and centre. He is one of our runners and run he does all day. Spida has been with the team since under 7's and should be proud of where he is in the group through his hard work over the years. Our B&F from last year, Spida has continued to give his all for the team and club again this year.

JAMES FORD: James is a close checking back pocket with skills brought over from his early rugby days. Now that he is kicking with two hands he has developed into a strong reliable AFL player. When his face turns red the opposition need to know to Look Out!

JORDAN WILLIS: Jordan Willis is from the U12s and put the boots on for the U14s in Round 2 against Pennant Hills so we didn't forfeit. From that game on Jordan became a key member of the U14s team with his ability to get into all the rights spots and work hard in the forward line. Unfortunately Jordan broke his collarbone in the very first contest against North Sydney at Gore Hill, conveniently next door to RNS Hospital. Despite the pain Jordan was keen to continue playing!

JOSHUA IACONO: Joshua has taken that extra step this year and an extra few inches in height as well. Josh has continued to develop again this year and has been an integral part of our team. If Josh continues to work on skills and fitness over the off season will be a formidable giant come next season.

LACHLAN BENNETTS: Lachie B came to our team this year in week two of pre-season training from the City of Churches. By the end of training that night you would think that he had been here for years. Lachlan has great ball and ground skills that will only get better with improved fitness and strength for next season. We look forward to the next few years with Lachie in our team.

LACHLAN JOHNSON: Lachie J hit his best form at the right time of the year. He is always a formidable player on the field and some days I think takes the space of two players. His aggression and passion on the field is one of our teams' most valuable assets for many years. As Lachie continues to grow and develop his fitness and skills he will make more and more oppositions knees tremble with fear.

LUKE EGAN: Back flip Egan, what can we say about our B&F runner up last year. His injury and confidence allowed Luke to ease his way into the season. As his strength and confidence has grown this year he is back to his B&F form at the right time of the season. Another original member of the team.

MATT BASS: This is Matts first year of AFL and he has developed into an attacking half back. Matt anticipates the play exceptionally well and runs the ball out of defence with pace and agility. Matt's natural ability lead him to gain experience in the midfield where he will be a great footballer if he continues to apply himself.

MICHAEL ROBERTS: Michael has been in superb form this year. He loves his free run in the half forward and uses his flair to destroy his much larger opponents. Another one of our boys who when they get angry they get even, with the football! Look out for this boy in the future!

NICK FORD: Nick joined us from the U13s and he is a very welcome addition to the team. He took some spectacular marks throughout the year and kicked just as many spectacular goals. Nick will develop into a great player as his strength and fitness improves with age.

SIMON BORCHERDT: Simon is another defender that developed into a midfielder with his size, pace and determination. His runs out of defence have been unstoppable and his position in the team is definitely one that we all rely upon. A great team player and takes his position happily for the team regardless.

XAVIER NELSON (Vice Captain): X, loves a shot from the boundary and doesn't he let you know when they go in. He reads the flow of the play and can be seen taking barks from behind defenders twice his size. He has stood up and shown respect to his teammates this year and is very worthy of his captains status. Another one of our 100 gamers.

UNDER 16'S DIVISION 2

Coach's Report - Simon Ringer

Unfinished business...

Season 2011 began for the U16's in hot February sun starting a pre-season that was full of promise. The squad was basically made up of three 'groups': the veterans – the older players that had played U16s last year; the new U16's – the players that had come up from U14s and the new faces a number of new and returning boys were welcomed into the squad. The team is to be commended for the way that they gelled and formed an integrated unit so quickly. The older boys worked in especially well with their new squad members and all did a great job to extend a warm welcome to the new faces.

Our group had a tough season in terms of on-field opposition and performance. If we simply judge a season in terms of win-loss ratios, we might be wildly disappointed about seasons 2011. But, I don't think anyone associated with the team feels that way at all! Whilst we only recorded the one win for the season in the last match of the season, there were a couple of close matches where we either went down by narrow margins, or were headed in the last half, having set up an opportunity to go on with. But, for the most part of the season, we were playing opposition that was physically older, taller and heavier than we were and so certain basic realities just take their course. The scores and so on are recorded for those that want to check those things. But what I wish to emphasise in this brief coaches report 2011, is that we needed to play to a different agenda this season, a sound game-plan, learning the sport of AFL – especially with so many welcome newcomers, and in terms of persistence, aggression at the contested ball, and respecting ourselves, the opposition and the umpires. Though we knew early on that this was not the correct division for our team, we also realised that these were the cards dealt to us and we had to play them. There was nothing that we could do about that and we were determined to both have a good time, and ensure that we kept on improving our skills in the game. We spent no time complaining and lots of time practicing, talking and playing footy. We adopted the two-year plan approach, where season 2011 was to be foundational for season 2012. Well done players and families – the attitude was awesome and we should be proud of what we achieved this season. I would list the stand-out achievements as follows:

- Solid, continuous improvement all year, including some inspired performances against greatly favoured opposition. I personally rate our first half against Parramatta-Holroyd (the eventual Div 2 premiers) at their home ground as our best of the season.
- Recognition as AFL Greater Sydney Juniors **"City Team of the Year"**. This award is a credit not only to our players, but all involved in the team – parents and officials, and is a most fitting recognition of the attitude we take to our sport. Ok, it is not a flag, but in the circumstances, when that was never really going to be an option, it truly is the next best thing!
- Individual recognition to Matthew Vicic as Runner-Up Best and Fairest in the U16 Division 2 league. What was more outstanding - Matt's leadership, or his dazzling on-field skills and performances?
- Representative honours to Matt Vicic and Nick Garrick.
- Umpiring awards to Ryan Nelson, including 'most improved umpire'. Ryan was a valued member of our squad and we are definitely keen to claim you and your prestigious awards, Ryan – well done and congratulations!

May the Power continue to be with all of our wonderful families – a big thanks to you from me for all of your support and belief in the team. We have a great group here and I hope we can continue to stick by each other.

A huge thank you goes out to David Garrick and Jeff Kuhne for their outstanding work as Team Manager and Assistant Coach, respectively. David's fantastic coordination is something that we must all be grateful for. And, of course, he does more than 'just' manage the team – he worked hard from within the box as team runner, as well as helping the club in certain committee work, and is often helping behind the scenes at training. Jeff truly is a veteran of the NSW AFL scene having played with Sydney Uni a few seasons ago. His experience and commitment to the team has been something that we all have valued throughout the season and this fresh coaching blood into the club has already paid us major dividends. Many thanks Jeff! Words don't quite do justice to the effort and input and care that these fine gents have for our team – we are very lucky indeed!

Thanks also to Darren Lewtas who supported us greatly both at the Tuesday evening "upper body strength" sessions at Five-Dock, and his work either with the flags or as ground manager or belting our guys with a tackle bag a few minutes before game time to fire blokes up! Barry Welsh helped out on game day in the box and his help, positive attitude and support on game day was most welcome. As usual, we also owe a big thanks to John & Anna Edwards for all the photos and the memories throughout the year! Adam Bertino, Kristian Ringer and Jack Edwards are also thanked for support to the squad at various stages of the season. And, Michael Ferguson, Paul Rumens, John Edwards, Leonard Robertson, Rod Bertino and others are thanked for their work with the flags, boundary umpiring and related help.

There is unfinished business and more fun – and even maybe some glory, ahead for this team. I urge all the players, families and fans to enjoy the break and get set for a big U16 season in 2012. The club will be rock solid in its strong support for the U16's group in 2012.

DEPARTING PLAYER PROFILES

A fun send-off to our veterans who have finished their stint with Drummoyne Power, and who we hope will go on to bigger and better things! We look forward to keeping in touch through footy.

Michael (007) Anthony: Was given a licence to kill at half forward and did lots of damage, especially as his leading and marking took. Had a great season, and with some extra weight will be a welcome addition in any U18's team.

Matt (OLD BOOTS) Fitzgerald: Such a reliable player for our team. Coming from a rugby background and a newcomer to the team, his bloke was as tough as old boots, and always contributing 150% whenever there was some contested ball about. A reliable half-back flanker, we hope that Matt can stick with the game that he made a dent on in season 2011.

Thomas (SUPERHERO) Garrick: A great trainer and always wonderful on match day, this veteran of our club just gave and gave. A booming kick, he played his footy a kick behind play offering masterful rebound and initiating many of our attacks on goal. Always looked dangerous and snagged a few shots on goal throughout the season.

Alec (AVENGED SEVENFOLD) Kovac: Hard to split from the AV7F lead singer, this bloke brought some real grunt to the midfield. Played his best footy on a wing and had more impact on the game as he worked hard on the 'inside' part of his game, balancing this with his silky 'outside' game. Will have ongoing AFL roles going forward and is one to watch.

Mason (THE SHARK) Lewtas: Was always on the lookout for a chance to thwart the opposition, was one that worked hard to keep the ball in our forward 5 when it did get in there, and managed to score cleverly towards the end of the season when due rewards were paid in kind. Don't want to leave too much uncontested footy around this bloke – he'll shark it! Rumours circulating that he will be moving on to the Balmain U18's in 2012, but we are very much hoping that he will stay with his age group and his team in 2012 – or at least share it around!

Ryan (SILKY) Nelson: When a bloke has played as many seasons with Drummoyne as this bloke has, little wonder that he is so silky with the skills. A great mark, running kick and skilful in contested situations, Ryan played just a few games with the team this season due to his umpiring commitments. Was always keen to be counted as a member of the team, just as we are keen to count him in. Had a great farewell game and will be missed. Has a big umpiring future.

Sev (THE GERMAN): A true gentle giant, this bloke fitted into the team like a hand to a glove. His experience as a basketballer shone through and he had an instant impact in the ruck. He got progressively quicker with his hands and getting the ball to boot as the season progressed. Made everyone in the team walk several inches taller when he was in the side due to intimidating size and willingness to get the hard tackle in when it was needed. Is being scouted by the Bavarian Power – will do well.

Jake (CHARIOTS OF FIRE) Welsh: Renown for his running style borrowed straight from the Chariots of Fire masterpiece, Jake was a reliable big bloke that regularly drew the biggest and baddest that the opposition defence had to serve up at us. Nevertheless, he always was a threat and us all much to cheer for throughout the season. A major contribution from Jake was his leadership and commitment at training – a key ingredient for us in achieving what we did.

Matt (CAPTAIN AMAZING) Vicic: This bloke has it all. Not only is he a true gentleman player of the game, he is a skilful and knowledgeable umpire, and a great leader. When the coach talks about ‘aggression at the contested ball’, Matt is the perfect example. Played various roles as a ruckman, a Centre Half Back – probably his most important role for us, and was a great Centre Half Forward at times. The AFL recognition doesn’t quite say it all – but this does: Vicic – you are a legend!! Very much looking forward to seeing where this bloke takes his footy.

The rest of the crew:

Oliver Kemp-Rumens: 5th season - 59 games. Oli is always full of surprises and gives his all week in week out. A great goal sneak when you least expect it.

Austin Heesh: 1st season – 9 games. Austin has been a major contributor to the team in 2011, both on the field and off when he was injured.

Geoffrey Miller: 1st season – 11 games. Millsy's first season of AFL has been fantastic. He has played all over the ground and also gives his all. A great team man.

James Enderby: 11th season – 159 games. James can always be found at the bottom of the pack. He loves to win the contested ball.

Joel Vozzo: 7th season - 98 games. Joel has again taken on his bigger opponents without fear. When he breaks into the open, no one will catch him.

Alex Robertson: 5th season – 67 games. Robbo has displayed his sleek AFL skills again in 2011. His running game is always a highlight.

Jake Dunne: 4th season – 57 games. Jake is a tough “in and under” player with a wonderful enthusiastic spirit. Kicked a couple of great goals in 2011.

Christopher Papapetros: 4th season – 41 games. Chris has found his place in the back line and his tackling has improved out of sight in 2011. A wonderful long kick..

Nicholas Garrick: 7th season – 107 games. Nick continues to develop into one of the best midfield players in the competition. He wins so much of the ball.

Tomas Edwards: 4th season – 57 games.

Tom has been tough at the contest and improved week by week over the season.

Lachlan Dowd: 4th season – 43 games. Lachie is a fierce competitor and slotted straight back into AFL in season 2011.

Cameron Griffiths: 4th season – 47 games.

Cameron has once again given the team a go to man with pace to burn.

Mitchell Ferguson: 7th season – 116 games.

Mitch has developed into one of the best tap ruckmen in the competition.

Martin Perkins: 1st season – 14 games. Marty' s first AFL season has been one of learning and he improves week after week as his confidence grows.

Ka Yin Chan: 9th season – 121 games. Ka Yin is a quiet achiever who is bit of a ball magnet... has plenty of possessions every game.

Cameron Durrant: 5th season – 69 games.

Cameron has had a wonderful 2011 season, his tackling gets better and better.

Nicholas Bertino: 9th season – 136 games. Nick's guts and determination shone through again this season. He is never afraid to attack the ball.

Matthew Laz: 5th season – 68 games. Matt has had another great season and controls the team's last line of defence. He saved more goals than the team kicked in 2011!

Nicholas Kuhne: 2nd season – 24 games. Nick gets the tough jobs each week and his toughness is unquestionable. A fantastic defender ...nothing gets past him.

Joseph Ringer: 6th season – 91 games. Joe is the rock of Gibraltar in the backline and loves to tackle his opponent when he can.

CLUB AWARD WINNERS

Under 9's Silver

Most Valuable Player	Christian Taylor
Most Improved	Nicholas Sabine
Best First Year Player	Oliver Thompson

Most Improved	Edward Ford
Most Skilled Player	Joel Ditcham
Best On-baller	Jack Hauschild

Under 10's Black

Best & Fairest	Luke Lawrence
Runner-up	Max Barnett
Coaches Award	Joshua Clark

Under 10's Silver

Best & Fairest	Nicholas Jenneke
Runner-up	Finn McDonald
Coaches Award	Keiran Corcoran

Under 10's Teal

Best & Fairest	Joshua Paul
Runner-up (joint)	Bodey Lambert
	James Loughnan
Coaches Award	Benjamin Wrigley

Jack Devine Award	Luke Gallen
--------------------------	-------------

Under 11's Silver

Best & Fairest	Angus McNamara
Runner-up	Fraser Phillips
Coaches Award	Cooper Searle

Under 11's Teal

Best & Fairest	Ewan MacDonald
Runner-up	James Brookshaw
Coaches Award	Lindon Durrant

Club Award Winners

Under 12's

Best & Fairest	Angus Rankin
Runner-up	Bailey Lambert
Coaches Award	Lewis McNamara

Under 13's Division 3

Best & Fairest	Nicholas Adgemis
Runner-up	Tommy Doyle
Coaches Award	Ben Vozzo
Coaches Award	Jarryd Fernandes

Under 14's Division 3

Best & Fairest	Alexander Perry
Runner-up	Michael Roberts
Coaches Award	Matthew Bass
Most Consistent	Billy Lambert

Under 16's Division 2

Best & Fairest	Matthew Vicic
Runner-up	Nicholas Garrick
Coaches Award	Thomas Garrick
Most Improved	Austin Heesh

PLAYER MILESTONES

Since the founding in 1999 there have been 167 players (out of the 960 registrations) who have achieved the career milestone of playing in 50 or more games with Drummoyne Power JAFC. 78 of these Power veterans were in action during the current season.

MILESTONES ACHIEVED IN 2011

Name	Team 2011	Milestone
Enderby, James	Under 16's	150
Lewtas, Mason	Under 16's	150
Foster, Izaac	Under 13's	100
Garrick, Jonathon	Under 13's	100
Garrick, Nicholas	Under 16's	100
Lenton, Elijah	Under 14's	100
Nelson, Xavier	Under 14's	100
O'Donoghue, Jack	Under 13's	100
Vozzo, Ben	Under 13's	100
Angelos, Maxim	Under 8's	50
Cain, Henry	Under 10's Teal	50
Cooper, James	Under 10's Teal	50
Dennis, Zachary	Under 10's Teal	50
Dunne, Jake	Under 16's	50
Durrant, Lindon	Under 11's Teal	50
Edwards, Tomas	Under 16's	50
Hart, Bryson	Under 10's Silver	50
Heine, William	Under 11's Silver	50
Henderson, Alexander	Under 13's	50
Hogg, Gilbert	Under 8's	50
Jenneke, Nicholas	Under 10's Silver	50
Johnson, Lachlan	Under 13's	50

Ringer, Phillip	Under 11's Teal	50
Shirlaw, Ryan	Under 11's Silver	50
Stevanovic, Ben	Under 12's	50
Van Wachem, Jonah	Under 11's Silver	50
Welsh, Jake	Under 16's	50

THE “IRON HORSE” AWARD

It was a good year for those for who too much footy is just never enough. The combination of good weather reduced the number of lost games, both u11 squads regularly needed reserves drawn from the u10s teams and the under 10's in their own right had long and successful post-seasons. The following football mercenaries plied their trade with any Junior coach with a whiteboard and insufficient magnetic buttons. But the award goes to James Loughnan who had the distinction of turning out for no less than four different teams in three age groups.

Name	Total Games	Team	Games
Loughnan, James	30	Under 10's Teal	19
		Under 11's Silver	5
		Under 11's Teal	3
		Under 12's	3
Lambert, Bodey	28	Under 10's Teal	20
		Under 11's Silver	3
		Under 11's Teal	5
Jenneke, Nicholas	28	Under 10's Silver	12
		Under 10's Teal	5
		Under 11's Silver	11
Walton, Luke	27	Under 10's Black	12
		Under 11's Silver	4
		Under 11's Teal	11

DRUMMOYNE POWER HONOUR BOARD

“##” Denotes currently registered and playing in 2011

NB during the formative years of the Club, at the discretion of the Committee, players who joined Drummoyme Power were recognized for their games played from other district Clubs, along with other fixtures including representative games and Little League appearances.

GREATER SYDNEY JUNIORS OUTSTANDING ACHIEVEMENT AWARDS

Name	Team	
Michael Tomarchio	Under 9's Silver	
Damian Sullivan	Under 9's Teal	
Alex Partridge	Under 10's Black	
Joshua Hamilton	Under 10's Silver	
Zachary Dennis	Under 10's Teal	
Ryan Shirlaw	Under 11's Silver	
Aiden Micallef	Under 11's Teal	
Alistair Davies	Under 12's	
Nicholas Adgemis	Under 13's	Div 3 Best & Fairest
Jarryd Ferdandes	Under 13's	Div 3 Runner-up
Matthew Vicic	Under 16's	Div 2 Runner-up

On Monday night at the AFL Greater Sydney Juniors Presentation night our Under 16 team won the "**City Team of the Year**" and we were awarded City "**Club of the Year**" for Outstanding Sportsmanship. This is a fine achievement for all involved at our Club for the way we conduct ourselves and especially our Under 16's group who have now won this award twice in 3 years from all the teams, amazing - a great credit to you all.

And after our Under 9-12 players (U9s **Michael Tomarchio** and **Damian Sullivan**, U10s **Joshua Hamilton**, **Zachary Dennis** and **Alex Partridge**, U11s **Ryan Shirlaw** and **Aiden Micallef** and U12s **Alistair Davies**) all received their Outstanding Achievement awards, it was down to the Association Best and Fairest awards - and 3 of our Youth players were up for awards.

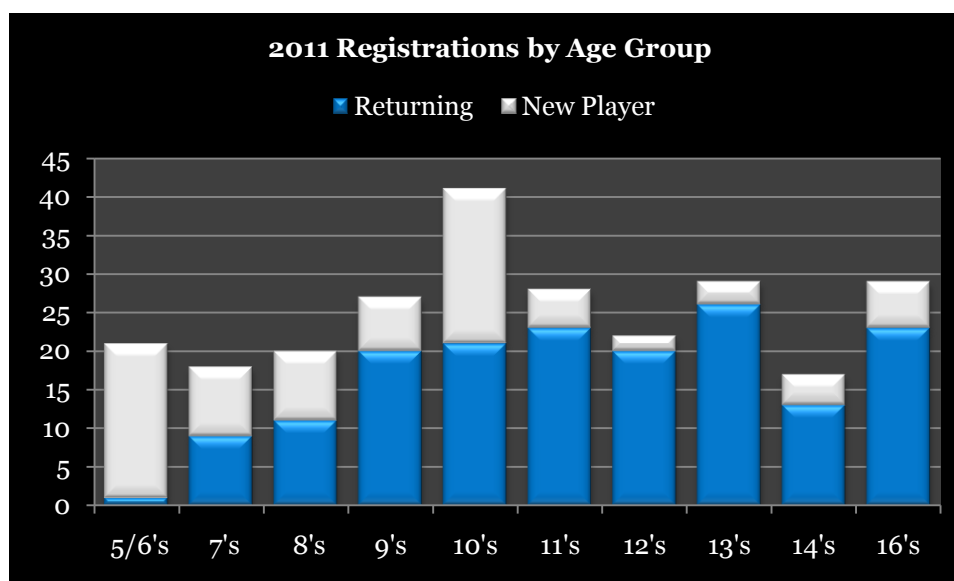

We were very excited when **Nicholas Adgemis** took out the Under 13 Best and Fairest, **Jarryd Fernandes** was Under 13 Runner Up Best and Fairest and **Matthew Vicic** Under 16 Runner Up Best and Fairest. All fine achievements, congratulations Matthew, Nicholas and Jarryd on your very well deserved recognition.

And at Monday night's Umpires award night Drummoyne player/umpire **Ryan Nelson** received the Umpires award, as voted by his peers, plus the Most Improved Umpire award

DRUMMOYNE POWER CLUB STATISTICS

In season 2011 Drummoyne Power's total player registrations were 253, a decrease of 6% over the 2010 total registrations of 269. The main contributors were the graduation last year of two u16 teams and the loss of one u12 team. Conversely we gained an u11 team and recorded a major influx (60%) of Auskickers. As a consequence, the Club's average age has fallen nearly two years to 10.5.

Age Group	Team2011	Returning	New Player	2011 List	Non-Return	2010 players	Growth	Retained

CLUB SONG

We've got the **Power** to win,
The **Power** to rule,
Come on Drummoyne aggression!
We are the **Power** from Drummoyne,
So come on and join,
The true Drummoyne tradition.
We'll never stop, stop, stop,
Til we're top, top, top,
There's history here in the making.
It's the **Power** to win,
We'll never give in,
Til the flag is ours for the taking.
Drummoyne Power!
