## DRUMMOYNE POWER JUNIOR AUSTRALIAN FOOTBALL CLUB

Founded in 1999 with a single team of under 12s, Drummoyne Power now fields teams in age groups from the Auskick under 5/6s through to under 16s. With over 250 registrations and 16 teams in 2011 Drummoyne Power is now established as one of the largest junior football clubs competing in the Greater Sydney Juniors association. On any weekend during the season, over 200 players take the field wearing a black, silver and teal jumper. In Round 6 a new club record of 231 players took the field

Drummoyne Power's principle "catchment" zone includes a score of primary schools located in the suburbs of Haberfield, Leichhardt, Orange Grove, Rozelle, Balmain, Five Dock, Abbotsford, Drummoyne, Hunters Hill, Gladesville and Boronia Park.

Power play their home games at two venues; the Five Dock Oval as a training venue and playing our home games at the newly refurbished Drummoyne Oval with its first class playing surface and substantial facilities for players, parents and spectators, the envy of all visitors.

Drummoyne Power JAFC achievements on-field, in operations and administration has been widely recognized by its peers and parent bodies. In 2011, for the fourth time in its 12 year history, the Club has been awarded the title of Sydney Harbor City Club of the Year (2002, 2007, 2009 and 2011).

Drummoyne Power draws strength from the enthusiasm and support of the now hundreds of boys, girls and families associated with the Club wearing black, silver and teal livery and their connections into the local community.

### Developments in the Drummoyne Oval precinct

The newly constructed Drummoyne Oval Community Facility was officially opened on Thursday, 29 July 2010 by Anthony Albanese, Federal Minister for Infrastructure and Local Government and Labor Member for Lowe, John Murphy. This follows a successful \$5.3 million grant application through the Government's Regional and Local Community Infrastructure Projects program.

At the opening ceremony Mr. Albanese also announced that if re-elected, the Gillard Government would provide an additional \$1.75 million for the new floodlights for Drummoyne Oval. The Department of Regional Australia, Regional Development and Local Government will be providing this funding through the Community Organisation Infrastructure Grant Program.

We have had our first full season of operating with the electronic scoreboard. It has enhanced the experience of playing at Drummoyne for Power and visiting teams. Along with timekeeping and scoring, the LED board allows our sponsors to be prominently promoted as well as announcing player milestones and events.

The long awaited deployment of lights around the oval is imminent. The footings for the six light towers have been poured and the towers themselves are due to go up in the next few weeks.

In season 2013 we look forward to being able to conduct full training sessions being able to see the ball all around the playing surface with and maybe even the prospect of night football!

## PRESIDENTS REPORT

The 2012 Season has been an exciting time for AFL in Sydney with the success of the Sydney Swans and the early momentum of our second team Greater Western Sydney. Our budding stars are already benefitting from extra half-time games in front of big crowds. Girl's football was introduced and we have some amazing games with players from many Clubs joining and U14 or U15 team.

Drummoyne Power was on show as host of the Preliminary Finals for Youth teams (U13-16) on Sun 19 August and the GSJ City Grand Finals for the Juniors (U9-12) on Sat August 25<sup>th</sup> where we drew rave responses as to our facilities, organisation and hospitality.

I would like to congratulate all families involved. The spirit and sportsmanship in which our games are played is one of the key reasons why our great game is growing. I and I commend you for ensuring week in week out, that our children get to enjoy playing in a positive environment that is supportive and enjoyable.

While the season has been exciting and all strive to win, please remember that it's "kids first" and we are not playing for sheep stations!

Thanks for supporting all players involved and the junior umpires who do their very best every week during their training and games.

Many thanks to our hard working committee of dedicated volunteers, ground management team and volunteers especially those involved in running and staffing the canteen and BBQ today.

There are many people to thank for not just today but the entire winter season. Firstly I would like to acknowledge the players, coaches, managers, Club officials, volunteers and parents who put in so much effort during the year for junior footy.

Again this year we have grown considerably and the backbone for junior footy are players and volunteers. Thanks also to AFL, GSJ, Sydney Harbour Regional Committee, and all the Clubs of the region we play in.

All involved in running juniors AFL Clubs do amazing jobs as volunteers and there are many helpful hands to ease the workload.

I would also like to acknowledge Canada Bay Council for the fantastic facilities we have been provided and the AFL for their ongoing support of junior footy. For every game we need well trained umpires and our Sydney City umpiring group doing an amazing job. Thanks to Liam Rowe, Dan Field-Reid, mentors and the umpires group for a great year of officiating.

To all the Club Sponsors we truly appreciate and thank you for your continued support of our community and junior football.

Gavin Nelson

## 2012 TREASURERS REPORT

### Income

#### Club Sponsorship

Our sponsors once again contributed significantly in 2012 and we are grateful for the continued support. Sponsorship enables us to maintain the club to a high standard and ensures our facilities and equipment are up to date and also contributes to the costs in running all our teams.

Drummoyne Power now has the following Platinum sponsors:

- PJ Gallaghers Irish Pub, Drummoyne

We have the following Gold sponsors:

- GNC Constructions
- FDC Construction and fitout
- Nuebreed Design
- Wizardry imaging and signs

We have the following silver sponsors:

- Corner Cubbyhouse
- Cincotta Chemist Five Dock and Burwood
- Warwick Williams Real Estate Drummoyne

Thank you also to our bronze sponsors:

- Café 2 U
- The Bakehouse Bakery
- Five Dock Physio
- Rand Transport
- The Paint Place Gladesville
- Sofa Bed Specialists
- Eye Connect Marketing Communications and Consulting
- Carmens on the park
- Damn Good Productions
- SSI Schaeffer
- Logistix Au

Gavin and Jeremy continue to build relationships with our sponsors and have ensured that they are all recognised on game day, in our publications and on our website.

This year we have had the added exposure of the Electronic Scoreboard to highlight our sponsors and Grand Final day programs that were published.

Without the support of these sponsors our club would not be the club achieving the success it has and we thank them for their continued support and contribution to Drummoyne Power.

## Canteen

The canteen was once again a major contributor to the clubs revenue and 2012 and it was another profitable year thanks to the effort of Bonita Nelson and Mamie Mclean who co-ordinated Saturday's and the Garrick s who co-ordinated the Sunday canteen days.

The weather was more friendly this year and we got some extra canteen days thanks to the AFL awarding some Finals games to Drummoyne Power. Overall 2012 has seen record canteen revenues for the club.

Thanks also to all the volunteers who assisted with canteen & BBQ duties during the year and helped contribute to a record year for our canteen.

## Registration Fees

This season, Drummoyne Power had 282 players registered and we were able to hold the registration fees to the same amount as the prior years. The club has made a conscious decision to maintain the current fee for a number of years despite rising costs for a number of expense areas.

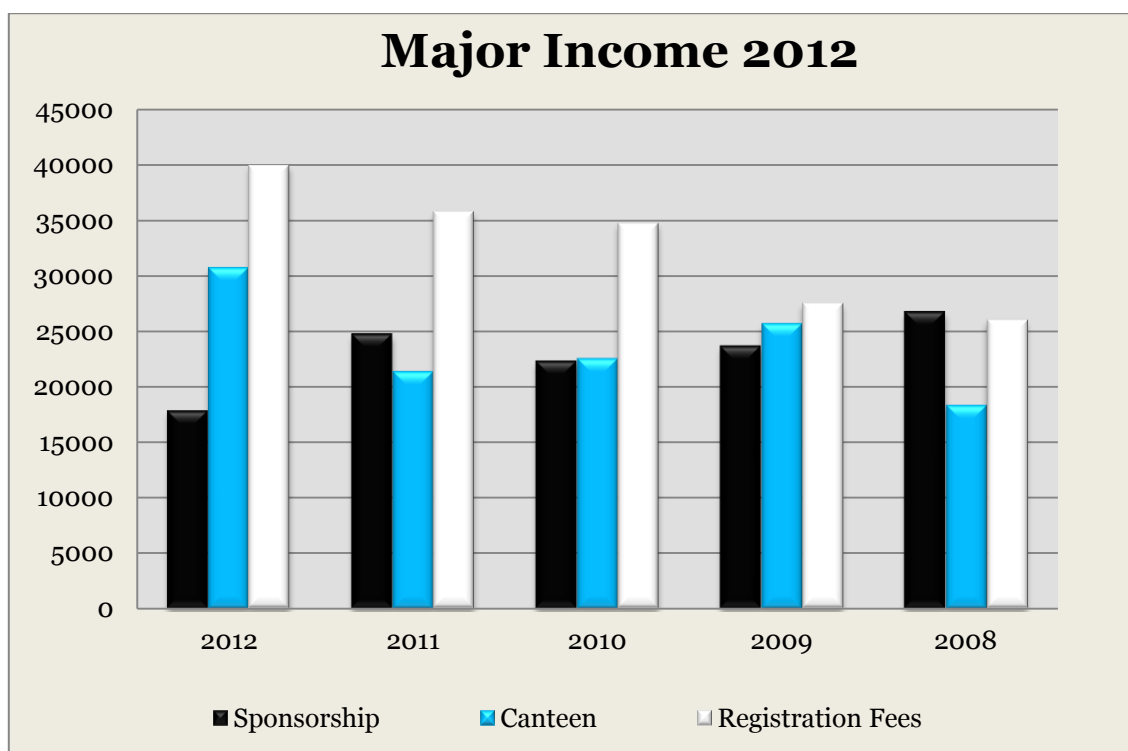

Last year we were able to introduce credit card payments to make registration payments easier which was well received. In 2012 web based payment and registration was introduced using the sporting Pulse website. PayPal was also introduced to give additional options for conveniently paying registration fees and other items.

Over 90% of all payments are now being made by credit card and online methods. This gives greater control and efficiencies in collecting registration fees.

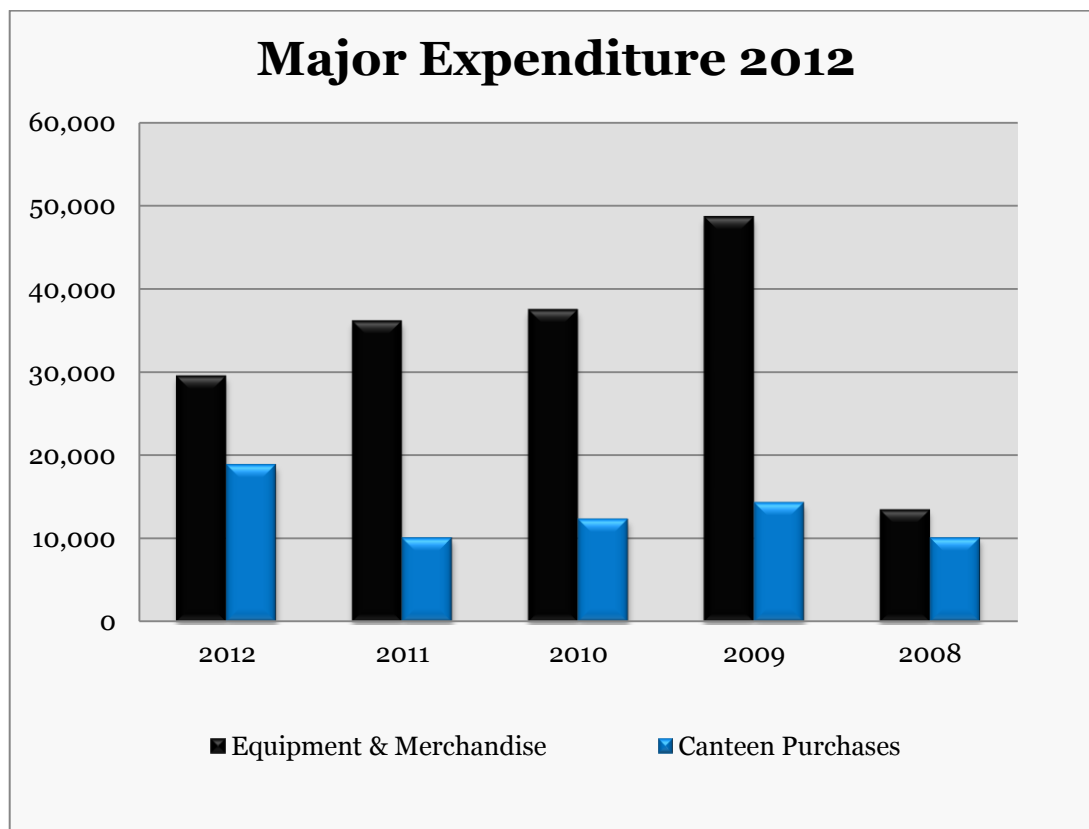

## Volunteers

Drummoyne Power has had another great year in terms of support and contribution from the community and volunteers. Our focus on volunteerism gained us the volunteer's award which was presented by the NSW Minister for sport Graham Annesley earlier in the year. Our volunteers make the club work and without those efforts the club would not be as vibrant as it is.

The Club appreciates the continued support it receives each week from all the parents and supporters who put their hands up to help out each week. Whether it be on the canteen, helping out on the ground set-up and management, supervising children during Auskick, or contributing to the committee your time and effort is invaluable – Thank You!

**Year major income comparison:**

Although direct sponsorship monies were below last year the club received higher canteen revenue and registration fees.

**Expenses****Year major expense comparison:**

Major Expenditure Items in 2012 Include:

1. Auskick Packs
2. New Footballs
3. Shorts and Socks
4. Giveaway for Pie night
5. Merchandise

The significant ongoing other expense items include:

1. Club /Association Fees - AFL Greater Sydney – City & Sydney Harbour
2. Council/Ground Hire fees - Drummoyne Oval, Taplin Park, Five Dock Park
3. Match Day running costs - Canteen expenses, umpire fees, sponsor banners
4. Team related Expenses- Meetings, Finals Costs, Coach Courses, Player Rep fees
5. Presentation Day - Trophies, running costs
6. Sponsors' dinner - catering etc

### **Drummoyne Oval upgrade**

The Drummoyne upgrade is complete except for the lighting which is in progress and will be completed before the start of the 2013 season.

The electronic scoreboard was a highlight during 2012 enabling not only scores to be broadcast but sponsors and player names and highlights.

### **Final comments:**

Drummoyne Power is a great community based Junior Football club that continues to develop and improve each year.

Through the dedicated input of the committee, volunteers, sponsors, parents and players Drummoyne will continue to improve and be a benchmark club in the community.

Thank you to all contributors in 2012, it has been a great year for the club and we look forward to your continued support in 2013.

# AUSKICK FOOTBALL COORDINATOR'S REPORT

**Adrian Walton**

(2012 City Region Auskick Co-ordinator of the Year and NAB Auskick Sydney Harbour Co-ordinator of the Year)

It was a pleasure to have the opportunity to help influence the most important age groups in our club for the 2<sup>nd</sup> season and what an exciting season it was with all 15 games and a number of gala days played without the weather getting in the way. Another highlight for Auskick was to play on our home ground for 6 of those 15 games where the facilities are 1<sup>st</sup> class & getting better. Apart from trying to give the best game day experience to all players we were also able to have 60 DJAFL Auskickers do the AFL ½ time event, the Under 8's attended a Swans Training session and the Swans & Giants also visited our club training nights.

## AUSKICK NUMBERS

DJAFL Auskick numbers from Under 5's to Under 8's jumped again this season where we had 89 boys & girls play which was a 35% increase over the previous season and clearly creating a club record since its inception some 11 years ago.

## PARENT INVOLVEMENT

To complement this healthy increase we also had a very positive influx of committed parents some of whom very willing stepped up to take on coaching, team managing & other important volunteering roles in the club. Special Mention and thank you to 1<sup>st</sup> season coaches which were Jerome (Thomas's dad) in the Under 5's, Brad (Max's dad), Clancy (Paterson & Bradley's dad), and Chris (Cooper's dad) in the 3 Under 6 teams. Not forgetting Lindsay (Lucas's dad), Tony (Jacks dad) in the 7's & last but not least Clint (Jesse's dad) & Simon (Josh's dad) in the 8's who have previously completed the AFL Coaching program or were able to do so this season.

## GAME DAY SET UP

When we host other Auskick clubs there are some extra responsibilities in terms of communicating information so far as team numbers are concerned as well as ensuring the right amount of playing fields are available at each of the 3 time slots. This has been made so much easier by Aonghas (Archie & Finlay's dad) and Noel who has 2 older sons in the club who make things go pretty smoothly for when the budding champions arrive for their game. A BIG DPJAFL thank you to Aonghas & Noel for stepping up.

## CANADA BAY BAYSIDE KIDS SCHOOL HOLIDAY PROGRAM

This season saw the 1<sup>st</sup> time that we worked jointly with the Council & NSWACT AFL and ran 2 sessions that were well received to the extent that we had 40 participants attend the last program in July

**AUSKICK SKILLS - BENCHMARKING**

Skill/ performance requirements	U5/U6	U7	U8
· Kicking	<ul style="list-style-type: none"> <li>· Teach technique using Audio Visual, stick figure hand outs, practical</li> <li>· Hold drop Punt - grip &amp; release</li> <li>· Ball spinning backwards</li> </ul>	<ul style="list-style-type: none"> <li>· Build on technique</li> <li>· Kick to 10m</li> <li>· Kick to target</li> <li>· Introduce non-preferred foot kick</li> </ul>	<ul style="list-style-type: none"> <li>· Sound Technique, including distance, accuracy</li> </ul>

## VOLUNTEERISM

2012 was a phenomenal year for volunteerism at Drummoyne Power. The year began when we were acknowledged in the NSW Sports Awards for our outstanding volunteer program in late 2011, and have consolidated the effort across the club. While a tonne of work has been done behind the scenes, the award is an acknowledgement of the mums, dads, brothers, sisters, coaches, managers and the many other people who make mid-week training and game days special for Drummoyne Power players and those from other clubs.

It may amaze you to know that the 80 odd active volunteers make our club work, including committee, coaches, managers and support roles. We see this as the key element that makes our growth as a club sustainable and we have done this by implementing our volunteer strategy with emphasis on

- Planning - established volunteer baseline, structures, resources & website to get the message out
- Recruitment – targeting people into defined, manageable roles was supported by effective communications
- Recognition – ensuring volunteers are acknowledged in newsletters, on game day & other opportunities engenders pride & ongoing commitment
- Retention - our success will be measured on whether kids & their parents are part of the club in years to come

The AFL requested we run a Volunteer workshop for other clubs in August for the second year running and this was well received for its practical, no-nonsense approach.

We were very proud in early September to have two of our very active volunteers recognised by Greater Sydney Junior League committee with:

- Andrew Hamilton, winning GSJ coach of the year award
- Adrian Walton, City Auskick Coordinator of the Year, and GSJ Auskick Coordinator of the Year

We would also like to make special mention to the following people, among the many that make huge contributions:

- Alan Dunne – the unsung hero behind the weekly club newsletter and website content maintainer who has handed over duties to Nicholas Lambropoulos in 2013
- Leonard Robertson – long term contributor to DP, with the last 2 years as Treasurer
- Lynette and David Garrick who have supported the club over many years and who have managed Sunday canteen over the last few years
- Mamie Maclean – who has excelled in her first year as Saturday canteen coordinator and has ensured the canteen has continued to hum
- Graeme Durrant – our ever reliable registrar, ground manager among other roles
- Aonghas MacDonald – property manager, ground setup and many other contributions

Volunteerism is what underpins the Drummoyne Power club, and is a key differentiator of our performance on and off the field.

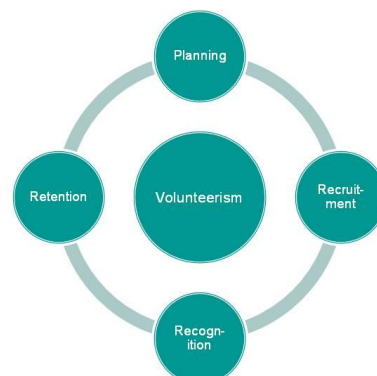

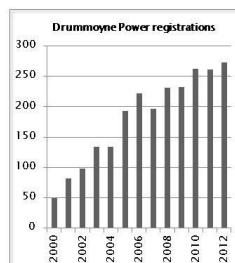

Thanks for a terrific year!

Jeremy Stanwix, Vice President Drummoyne Power

## Our Volunteerism Journey ... June 2010 to June 2012 & beyond

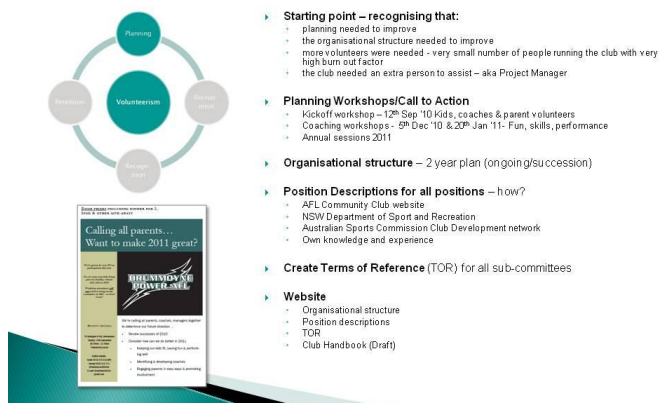

## Drummoyne Power has invested in volunteerism to ensure the club's growth is sustainable...

3

## Our planning established volunteer baseline, structures, resources & website to get the message out...

4

## ...and recruiting people into defined, manageable roles was supported by targeted communications

- Identify skills within the club via the annual registration process:**
  - Team roles – coach/assistants/managers/general helpers
  - Role club/operations – exec/social/canteen/ground man...
- Other research – coaches**
  - 46 coaches coached since 1999
  - 89% coach their child's team
  - 36% commence when their child is in Auskick
  - 43% commence when their child is in juniors
  - 80% are from interstate and have an AFL background
- Review of information provided when registering the child plus early engagement**
- Communications strategy**
  - personal approach – football operations priority area**
    - Parent orientation & newsletters – call to arms
    - personal email
    - follow-up telephone call
    - welcome new volunteers
    - maintain the officials spreadsheet on the website
    - Club survey and annual planning days
    - Club Handbook

5

## Recognising volunteers in newsletters, on game day & other opportunities engenders pride & ongoing commitment ...

6

## ... And our success will be measured on whether kids & their parents are part of the club in years to come

- Retain the child, retain the volunteer eg. Coach**
- As part of a broader "club experience" survey include volunteers to obtain their input**
- Communication**
  - talk to the volunteer
  - set meeting dates at the beginning of the season
  - seek the volunteer buy-in via formal (organised meetings) and informal (ask question/s) means
- Value me**
  - Club merchandise
  - Bar and meal tab at meeting venue
  - Simple thank-you
  - Act on reasonable recommended improvements
  - Cover training expenses eg. Coaching/kicking course, AFL workshops
- Spread the load/minimise BS**
  - Match day rosters
  - Filter the knee jerk reactions
  - Cut the politics

7

Implementing a volunteer strategy is not easy, but well worth the effort...

### Planning

- Plan and ensure a realistic structure
- Documentation – be balanced and get it right
- Communication – create and implement a strategy
- Engage parents in everyday club activity & conversations

### Retention

- Servicing – look after them, partners, siblings and their girlfriend

### Volunteerism

### Recruitment

- Approach – identify skill sets & approach on personal basis

### Recognition

- Thank volunteers consistently on game days and complimentary invitation to end of season event

Our website is a crucial communication mechanism

..making volunteering manageable for busy parents & keeping information type queries to a minimum...

<b>Meeting procedures</b>	

## SPONSORS DINNER 2012

Parents, supporters and volunteers at Club Five Dock in record numbers to celebrate the football season past and acknowledge the support of our long standing and newly jointed fleet of sponsors.

MC for the evening was Kylie Gillies was every bit the polished performer you would expect, with her impeccable credentials of contacts with the AFL heavy hitters, her professional capability to sell anything, mother to Auskickers Gus & Archie still being prepared to muck-in for essential Footy Club tasks like going to Franklins to buy a couple of bottles of tomato sauce.

Our guest speakers from Greater Western Sydney Giant's Welfare Manager Craig Lambert and senior player Setanta O'hAilpin

A 2012 season review was prepared by Danielle Robertson. A copy of the presentation can be accessed via Youtube, from the Club website and also accompanies the Yearbook on CD.

<http://www.youtube.com/watch?v=UrFFL65npfE>

## INCREASING GIRLS PARTICIPATION IN AFL

In last year's Yearbook the Club articulated its intention to increase the involvement of Drummoyne Power in AFL for girls in AFL ...

*If you think Australian Football is a game played by boys and men – think again! Female participation in Australian Football has been on the rise for many years. In 2009, there were over 80,000 registered female participants playing the game of Australian Football.*

### ***Girls Football 2012 - Volunteer Assistance Needed***

*The AFL (NSW/ACT) has set-up a girl's only pilot competition this year and we would like to ensure that from 2012 we are part of that competition.*

... And be part of that competition we certainly were.

Armed with vision, clear intent and considerable vested interest the Clubs heavy hitters took to the task with vigour. Like minded footy powerbrokers were contacted, arms were twisted, favours called in, deals done, alliances struck and by gosh, by golly by jingo we had not one but two girls teams playing in silver, black and teal colours. Participation was above expectations, the skills grew exponentially, the standard of play was remarkable and unqualified success followed with the Schols Power team delivering the Clubs sole premiership for 2012.

A great foundation for the future.

Read more about the triumphs in the Team Reports section.

## SEASON 2012 TEAM REPORTS

### *THE CLASS OF 2012*

Round 1 2008 Drummoyne v Glebe @ Bat & Ball Park

Season	Team	Coach	Position	Awards
2002	Auskick	Lewtas, Darren		
2003	Auskick	Lewtas, Darren		
2004	Auskick	Lewtas, Francis		
2005	Under 9	Sullivan, John	Grand finalists	
2006	Under 10	Foran, Paul	Semi finalists	
2007	Under 11	Foran, Paul	Semi finalists	
2008	Under 12	Ringer, Simon		
2009	Under 13	Ringer, Simon	Premiers	GSJ Team of the Year
2010	Under 14	Ringer, Simon	Preliminary finalists	
2011	Under 16	Ringer, Simon		GSJ Team of the Year
2012	Under 16	Hall, Jeremy		

The Round 16 fixture v Baulkham Hills at brought the curtain down on a remarkable team's career.

The team playing that game have stacked up an incredible 2,000 plus career games with Power and 17 of the squad completed their junior footy careers with a hard fought win.

Looking back at their history, you can see three phases. During their years in Auskick their numbers grew to 15 by 2004. Surnames like Firmin, Barnett, Ryan, Fish & Chomley were prominent in the Club news. But only one of the graduating group actually played Auskick with Power, the ever enduring James Enderby.

The rest of the Class of 2012 debuted as Under 9s or later when the group flourished under the watchful eye of Paul Foran and had some notable success. In the U12s the roster topped out at 30 and a joint venture with Concord was attempted with mixed results to give everybody on the list as much footy as possible.

2009 was their golden year when under the stewardship of the Ringer/Vozzo regime they swept all before them, unbeaten through the rounds and triumphed over Hornsby-Berowra in the Under 13s Grand Final. The 2010 season was also highly competitive until a rash of late season injuries saw their chances cruelled and they bowed out in the Preliminary Final to Newtown. The seasons as U16s was, how would you say .... character forming. Despite some notable recruits and quality returning players, the loss of almost all their experienced tall timber made for hard yakka. Though the wins were the few and the final margins often unhealthy the Power bench was always well populated for a group that enjoyed all aspects of their footy.

Already this group have eyes on an extended career, with more of them taking up the pathway through to the U18s with Balmain Dockers than previously. Some are playing in the U18s finals campaign this season.

There have been less than a dozen teams who have been awarded the title "Team of the Year" out of the hundreds that have played in the GSJ Youth competitions in at period. For one team to have won it twice ...

once when they were unbeatable and the other when they weren't competitive is a truly remarkable achievement and tribute to both them and their team management.

### CAREER STATISTICS

## GREATER SYDNEY JUNIORS YOUTH GIRLS TEAMS

*INNER WEST UNDER 12*

What a magnificent opportunity to watch a fledgling small group of reticent girls in May transform into a team of 12 healthy, regular AFL players in their final game against Maroubra in August!

The inaugural u12 girls competition began at ELS Hall at North Ryde from 13th May with a small combined team made up of girls from Glebe, Wests, and Drummoyne Power. The Drummoyne girls included our star back and mid-fielder Gabby Stanwix, the determined tackle shark Jessica McKee, Bianca Walton the tall, energised centre and Zoe Phillips, our late edition who is certain to do her family proud with kicking and running skill. The girls loving running through the banner at Drummoyne Oval in July shows the joy and fun of girls footy.

We worked within club structures for mid-week training and came together on weekends at Maroubra, Baulkham Hills, Mosman and Drummoyne Ovals to have the most brilliant of seasons. A special thank you to John and Gabrielle Ferreira, and Andrew Hamilton who ran girls-only training at Drummoyne Oval on Wednesdays.

Eight to eleven year old girls they may be, but tackling, strong defensive machines they became. Many of the games were against a very strong and older Maroubra team in their second year, but the girls relished the opportunity to play great footy. The girls listened to coaching, improved kicking, handball and marking skills, but most of all had a fun and enjoyable time on field. The highlight for many was the SCG half time (Swans vs St Kilda) game 22<sup>nd</sup> July as part of Women's round or the personal Kieran Jack SCG tour in July holidays.

A special thank you to Roslyn McMahon-Bostick (Youth Girls convener) and AFL staff who supported and developed the girls only league.

2013 is shaping as another magnificent opportunity for the girls to extend their skills, team play and competitive spirit. So come on back and bring your friends and sisters.

*ST SCHOLASTICA/DRUMMOYNE POWER U15*

Coach's Report – John Ferreira

Well who would have thought? The inaugural girl's team at Drummoyne Power would take the flag – that's sure been a big surprise to some and a delight for the club!!

To all the boys out there that haven't seen girls footy, you may be very surprised at how hard the footy is played. The girls would be up for a match Club against anyone!

After a rocky start to the season with players coming and going, players going home to see family in the country and rain, boy did we have some rain, the season finally grabbed a hold and some great footy was played.

Coach John had a team of rookies, a mixture of girls from Drummoyne and St Scholastica's College, and only 3 of them had ever played before. We got off to a great start the first game but struggled the first 4 or 5 games with numbers, as a good portion of our Schol's girls were boarders and went home either for the long weekend or the holidays, so our numbers and our game suffered.

But once we had all our players back we could see that we were a force to be reckoned with!

NSW AFL need to be congratulated, because without them asking St Schol's to enter a team none of this would have been possible. Their commitment to the tournament has been tremendous, because our team was made up of so many boarders who were unable to get to training, the NSW AFL sent coaches into the school to help with their training, and John coached the Drummoyne girls on Wednesdays, so the team only came together on Sundays for the game. So with just an hour together before each game, the team managed to gel into a single playing unit and a great bunch of friends.

So after a hard season, semi finals day arrives, the first game is the very strong Baulkham Hills against Mosman. Mosman may have been the youngest and smallest team this year but they put up a gallant fight, Baulkham Hills winning that game and going into the finals. Then our game, Maroubra and Schol's Power, we have beaten each other throughout the season, this was going to be a tough game, but after a very physical game, we managed to come away with the win. We were into our first grand final!

The final game was going to be tough; Baulkham Hills had only lost 1 game all season, but our girls were pumped and ready to play. And yes it was a grand final to be proud of; 1-5-11 to 2-0-12 at half time is an indication of how close it was ... all we had to do was kick straighter!! We had a slightly bigger bench than our opposition, so we were able to manage our players a little better and had the fresher legs towards the end of the game, coming away with the well deserved win 4-8-32 to 3-0-18.

The goal kickers were Alex with 2, Briar with 1 and Steph O with 1

After the esky of ice was ceremoniously dumped on the coach's head, we were off for the presentation of the champion's trophy and medals. Steph W won the game ball as best on field.

A special mention to our Drummoyne girls, Briar L, Masina N, Georgia B, Gabby F, Lauren A and Gabrielle S these girls helped to make this a team to be very proud of, they should take great pride from their achievements this year.

I don't want to single out any 1 player but we MUST make a special mention about Gabriella S. Little Gabby stepped up just about every week from the under 12's to help out with our numbers, and even when we had just about everyone, she was a player we could not leave out. Little Gabby went on to become one of our top scorers, even scoring a goal or 2 in the friendly rep game we played against the very established Illawarra girls side. With passion and skill like, this girls AFL has a strong future.

Well now to next year, hopefully our success will spur other girls to have a go and either come and join us or even ask their school to field a team, the wonderful people at NSW AFL would be only too happy to help out.

There are many people to thank, firstly to Drummoyne Power, Gavin, Jeremy and Andrew, allowing us to use the mighty Power colours and uniforms, it was great to see the girls run out fully decked out in our strip, we just need to work out a song now we ended up singing a combination of the schools school song and our power song – very off key!! (Good footy players, bad singers)

Roz and Libby from NSW AFL for all their hard work, getting this season up and, so successfully, running. Well done girls.

John for all his hard work coaching and Andrew helping out on training nights.

All the parents, those who helped out, either as runners or helping with the training drills, before the game. It was especially nice to see ALL the parents of the boarders on grand final day having travelled from Tumut, Young, Cootamundra and Caloundra.

Bonita and Leanne for some wonderful photos

And lastly to the girls themselves, a hard working, hard playing but nicer and fairer bunch of girls you would be hard pressed to find!!

See you all next year for the defence of our title.

## AUSKICK TEAMS

### UNDER 5

#### Coaches Report - Jerome Vagg

We started the season off beautifully with about 10 or so Under 5's at Five Dock Park and a wave of the hand from Adrian; we were away. It was all going so well, until Thomas and Josh fell over and Thomas broke his arm! First time coach – first time at football. Great. Fortunately both arm and footballer soon recovered.

As I was coming to terms with the awesome responsibility of being future AFL star's first Coach, I wanted to focus on two main things:

1. Connecting football to being FUN: I hoped that I would be able to impart to the boys the feeling that football is fun. As they get older, and the training and games harder, it is the sense of fun that will carry them through.
2. Ability to kick: Looking at the competition and Auskick footy in general, the kids with an ability to kick the footy stand out. A lot of sins can be forgiven in footy if a player can get the ball onto their boot and send it a long way down the field.

So that was my basic training plan – fun and kicking, with a lot of running thrown in. The boys took a bit of time to develop their skills (most of them were only 4 when we started), and they were always keen to try new training drills. We did a lot of kicking and running, and worked our way up to handball and marking.

As a team and individuals, the boys also developed their understanding of the game as the season progressed. Game Day was a different experience and the boys adapted well. One of our strengths as a club was the help of Zone Coaches (i.e. Parents) on Game Day, some of who were also developing their understanding of AFL. The team really enjoyed travelling and playing against other teams, although at times

the banner run through, team song, and sausage at the end of the game were nominated as highlights by the boys, more so than the footy. Despite wet weather and long drives we usually ended up with all boys at the games and the team was able to develop a great spirit.

This was my first year as a Coach in any form. It has been a very enjoyable year with a great group of kids and a lot of enthusiastic support from the parents.

My thanks to the kids for being such great people, to the parents for their efforts, Adrian for his support and to Gavin and the Club for great organisation and communication. Good luck to the boys in their future football endeavours, they all have the potential to play football at the higher levels. Keep developing your skills over the summer and we will back better than ever next year.

### **Player Profiles**

**Lachlan Carmichael:** Lachlan's attack on the ball, marking, running and kicking show all the features of an elite footballer.

**Keshaan Chandra:** Keshaan loves his footy and his focus and determination to win the ball and deliver to teammates is very impressive.

**Joshua Hauschild:** Josh is a very good footballer and his ability to kick and handball are excellent.

**Archibald MacDonald:** Archie's fast running, clean ball skills and long kicking always gave us an advantage in attack or defence. Archie also favoured the celebratory punch in the air after scoring a goal.

**“Hugging” Harry Millar:** Harry was always enthusiastic for his footy and his teammates. Through hard work and determination he developed a great kick of the footy.

**Hugo Moulton:** Hugo's dash through the centre and long penetrating kicks into the forward line always made sure we scored plenty of goals. Coupled with Hugo's drive to get in under the pack and come out with the hard ball make Hugo a formidable footballer.

**Ethan Nandial:** Ethan's brilliant handling and focus on the ball make him very dangerous in front of goal. Ethan loves his footy and will play anywhere and anytime. He also played up an age group towards the end of the year.

**Miguel Nixon:** Miguel outplayed opposition with the sweetest side-step in the state. His enthusiasm for footy made him very popular with teammates.

**Alexander Pippia:** Alex is a very keen footballer, and his ability to get in and win the loose ball, then drive a long kick to the forward line or out of defence make Alex a very valuable footballer.

**Daniel Ranieri:** Daniel developed towards the end of the year into a very smart and classy footballer, with a beautiful kick and great handball.

**Miles Richardson:** Miles' kicking and handball are very good, and he is a very determined footballer. Miles also played up an age group and did very well.

**Adam Russell-Rockliff:** Adam's work ethic around the ground and at training was unstoppable and he always went into the pack and won the ball for his teammates. Adam also developed during the year and could hold his own against any opponent.

**Thomas Vagg:** Thomas mastered the long kick and mark, and used it to devastating effect to run through the middle and score heaps of goals.

*UNDER 6'S*

Coach's Report – Clancy Lewis

The under 6s are the driving force of the club.

There are more of them, amazingly talented with an array of footy skills and they try their little hearts out.

Drummoyne had a great season in 2012 with the three teams of under 6s.

They all wanted to do their best and I am sure some life-long friendships were made.

They were all adaptable, swapping teams and even playing with the opposition when the time frequently called.

We are all proud of those boys just to see how week by week their skills and fun for the game increased.

**U6 Black**

**Toby Dolph**, as our tallest player always excels in the middle with deft tap work giving the other players first use of the ball

**Jacob Francis** can always be relied upon to kick goals each game with a penetrating long kick from the middle of the ground

**Guy Greenway's** enthusiasm and endeavour to win the ball is always a great asset to the team

**Finley Hunt's** attack at the ball when it hits the ground see's this quiet achiever consistently winning the ball out of the pack

**William Innes** is an all rounder who excels in all positions around the ground and is very handy in front of goals

**Damien Lawrence** shows a great understanding of the game which provides an excellent attacking option resulting in multiple goals

**Harrison Lynch** consistently wins the ball out of the middle by reading the play off the hands and providing the forwards first option

**Xabi Marnell**, What a player! He can mark, run and kick the ball out of the park! Xabi the ever reliable team player.

**Lachlan Ole's** consistency around the ground is a great asset to the team and he is very handy in front of goals scoring every game

**Russell Pedley** courage and determination around the ground is an asset to the team and his consistency in front of goals is excellent

U6 Silver

**Alexander Colreavy** is a great player, he passes the ball to his team mates like a bullet and always seem to have the ball.

**Lochlan Demark** is strong and tough. He breaks through packs and snaps for goals without even working up a sweat.

**Jacob Digiglio** has the footy smarts. He can read the ball and get a goal from almost any spot on the forward line.

**Joe Doyle** is determined has an uncanny knowledge of where the ball will go, Joe is a great all rounder, ready to defend and kick a goal.

**Riley Ellett** can get a football a mile. If there is a goal to be kicked Riley is not far away.

**Bradley Lewis** is a ball magnet. If you want the ball then you find Bradley. He can kick, dodge, weave and take amazing marks.

**Paterson Lewis** is resilient and straight at the ball. Paterson powers through the packs and passes to his team mates.

**Angus Pratt** twists and turns, weaves and hand passes. If you need a big kick Angus always delivers.

**Duke Richardson** loves the game, and is great at working with his team mates. Duke's kicks fly over the heads and into the goals!

**Hamish Rose** handles the football as though it is on a string. Hamish's long runs up the ground amaze the crowds and the opposition.

**Lukas Taylor** can defend and kick goals. Fast running and quick thinking Lukas sure is a handy player!

**Anand Jayanthi** is good with the ball and weaving around the packs, see Anand go with his great kicking style.

U6 Teal

**Cooper Hansen** displays great determination and concentration each week which has seen consistent improvement in all aspects of his game

**Jack Hawkes** is a ball magnet always looking to help his team mates

**Oliver Heinjus** has tried really hard all year he has good strength and always goes in for the ball

**Lucas Jones** can defend and kick goals. Fast running and quick thinking Lucas sure is a handy player!

**Maxwell Kantor** has had a good year with plenty of goals kicked and hand passes given to team mates

**Luke Van Der Wel** was always involved in the game trying to get to the footy first to help out his team mates

**Ben Travano** played really well all season and was promoted up to the 7's

## UNDER 7'S

Coach's Report – Tony Gray/Lindsay Blythe

## U7 Black Team Report – Coach: Tony Gray

This year was very successful for the U7 division, with enough players to fill two teams. My team, Drummoynne Black, consisted mainly of new boys who've just joined the club. We uncovered some very talented lads who will go on to be very good footballers in years to come. Highlights for the season were the continued improvement in skills that we saw each week, an increased use of handball and teamwork, with the more developed boys keen to bring team mates into the game and also the great spirit in which the boys played all season. Another great highlight was when the boys had an opportunity to play at half time of the Swans v Giants game at ANZ stadium. They all had a great time.

Thanks must go to Adrian Walton, Brett Nitschke, our Team Manager and Lindsay Blythe, the Teal teams coach. Without them, we wouldn't have got on the park each week. It made my life as coach very easy. They were always very willing to help out where ever they could and were unflappable when things got chaotic. I also had great support from all the boys parents, particularly Peter Carger who helped coach and umpire several times during the season and Brian Kent who helped where ever needed.

I had a great time coaching the boys this year and sincerely hope that the entire team turns up again next year, as I am sure they will make a formidable U8's team.

Tony Gray.

Under 7's Teal team report – Coach: Lindsay Blythe

**Nicholas Adland** - Our best off season recruit, who for a first year player showed great athleticism and is certainly an all round team player. Nikko was quite vocal when provoked & has a similar game to Sam Reid.

**Lucas Blythe** - Had much practice in the off season & improved his ball handling & running ability. Lucas' season was capped off with a great goal at half time of a Swans ANZ game. Similar style to Michael Hurley

**Cooper Husken** - Was one of our most improved players in his second season, Coops excelled at Gala days showing great stamina to outlast most of his teammates, much like Jude Bolton.

**Alexander Hutton** - Big Al perfected his goose step through the year and had the opposition clutching at straws as too where he was going!!! Well done Al just like Kieren Jack / Ben Barba

**Benjamin Innes** - Once again Benny was our "team leader" throughout the year with him only missing one game for the season & nobody wants too talk about the result from that day. Game style - Adam Goodes

**Zachary Innes** - Had some magical games where he couldn't miss from anywhere within range booting easily 6 or 7 goals in a 1/3rd. Zacka also showed his long distance running is second to none. Cameron Bruce

**Max Merifield** - Was a great onballer who could push up forward & sneak a goal from any angle. Maxy also excelled at playing up in the 8's and was like a junior Jarrad McVeigh.

**Charlie Millar** - Showed his usual aggression all year towards the ball & opposition players that we have come to expect from him. Charlie excelled against kids twice his size @ ANZ but did not back down for a second. Not unlike Rhyce Shaw

**Liam Wingrave** - Equal with Cooper as our most improved player during the off season, Liam was always aware of his surroundings and didn't mind getting his hands dirty for hard ball gets. Liam kicked a miraculous goal at the ANZ Swans game. Just like a Teddy Richards.

Well done boys on another stellar season, capped off by some playing in the 8's gala day and showing we will be a force to be reckoned with in the future.

Also big thanks to those who helped out throughout the year at training or canteen, bbq etc with your assistance our club can only get stronger and will continue to grow.

And last but not least - Adrian for his ongoing support & guidance, also to Brett for his magnificent managerial skills of both the teams.

Regards,

Coach Blythe

2012

## UNDER 8'S

Coach's Report – Clint Hawthorne

The 2012 footy season has come and gone in the blink of an eye however the development that the U8's have experienced throughout the season has been the result of many months of practice.

As the coach of a young team of footballers I see my challenge being to educate and teach my players about the basic skills of AFL football. I am pleased to announce that this year we have seen a remarkable improvement with all players in the team. Kicking, marking and handballing are largely the 3 skills that we have focused on this year however a large amount of time has also been spent on other tactics and skills of the game including, running to space, side stepping opposition players and keeping our feet. Overall our biggest focus throughout the year has been on team work and the importance of team work in a game situation.

With practice comes perfection, many of the parents and myself witnessed a remarkable change with the U8's team throughout 2012 and this was mainly due to ALL players constantly looking to use teamwork and the above mentioned new found skills in a game situation. On many occasions the U8's were able to dominate their opponents through the sheer amount of teamwork that our children displayed which holds us in good stead for the years to come. *A champion team will always beat a team of champions!*

Having said that we still have many areas to improve, watching the ball as opposed to getting in there and getting the ball is still a bad habit, this tentativeness that some of the children display is probably a natural confidence issue that I am sure will improve over time. Providing an option to kick to by running to space is also another area that needs to improve but this will improve over time as the children develop. Next year

we'll continue to focus on these areas and look to introduce other tactics of the game including how to read the play and your role in the team as a dedicated forward, midfielder, defender or on baller.

**Coach Clint's Skills** to concentrate on over the summer include: Kicking off one step with both feet, kicking on the run with your natural foot. Marking techniques using all 3 marking styles (chest, overhead and in front), handballing using both hands, bouncing the ball stationary (Basic) and bouncing the ball on the run (once the basic skill is mastered).

Finally, I'd like to thank Simon and Andrea Tamke for their contribution to the DPJAFL club during the 2011 & 2012 seasons, sadly (for us) the Tamke's are moving back to Adelaide for season 2013 and on behalf of everyone at the Drummoyne Power footy club we would like to thank you for your contribution to this great club and wish you every success and happiness. Most importantly we would like to wish Josh and Lara every success in your sporting careers. Josh I have really enjoyed coaching you over the last few years and if you remain dedicated and passionate about your footy mate I'm sure you'll have a wonderful footy career and I thank you for being such a great fella and we'll really miss having you in our team. It's been said that football clubs can last for generations however players and their families are just passing through, we are so very glad that the Tamke family passed through our great footy club!

And finally I would like to thank all the players and parent of the DPJAFL U8's, I am very fortunate to coach a wonderful group of children which I thoroughly enjoy and I look forward to being your coach again in season 2013. Go power!

Clint Hawthorne

## The Players

<b>Benjamin Cook</b>	The big improver for season 2012, Has a lethal left foot and his ball skills are really improving, the team's goal kicking champ!
<b>Cooper Donald</b>	Another outstanding year for Cooper. He's a champion in the making and loves footy! Has fantastic skills and even takes speccies!!
<b>Samuel Evans</b>	Pocket dynamo! Sam has improved out of site in season 2012. His speed around the packs and tenacity saw him win plenty of ball.
<b>Thea Gallen</b>	A superstar of the team. Thea is quick and nimble across the ground, is an excellent team player and has very good ball skills.
<b>Archie Gillies</b>	Archie was a welcome addition to the team in 2012. He has great ball skills and is quick around the packs, a handy little player.
<b>James Granger</b>	James was fantastic in season 2012. He kicked a few big bags of goals this year and his height is a big asset. Great effort!
<b>Jesse Hawthorne</b>	He showed flashes of brilliance in 2012, has sound skills and a great turn of speed! A great team player and always tries hard.
<b>Finn Lockett</b>	Finn is one of the big improvers for 2012, His ball skills overall are now very good and he's an important player in the team.
<b>Finlay MacDonald</b>	Finn was fantastic in 2012. His skills are now very good, his speed across the ground is excellent and he's a great team player.
<b>Charlie McConville</b>	Charlie is a fantastic footballer and proved it again on 2012. Has great skills and always looking to involve his team mates.

<b>Ryan Melick</b>	New to the team in 2012 but a quick learner. Always gives his best every game and his skills have really improved. Well done Ryan!
<b>Connor Ogle</b>	Super Boot! Possesses a powerful kick and a great turn of speed. Will be a handy player for the mighty Power in years to come!
<b>Joshua Tamke</b>	A star in the making, Josh loves his footy and is very naturally talented. Has great overall skills and a wonderful team player.
<b>Thomas Vercoe</b>	New to AFL in season 2012 however quick to learn. A wonderful team player and his skills really improved throughout the year!
<b>Oliver Walker</b>	A little champion! Oli' is new to the game of AFL but is a quick learner. He has sound skills and a great kick... And a big smile!
<b>Biancia Walton</b>	Bianca is blessed with height and natural talent, was a welcome addition to the team and much loved by her team mates.

## UNDER 9'S BLACK

Coach's Report – Nic Angelos

This was a fabulous season for Drummoyne Power's under 9 Black side, which culminated in the team reaching the finals of the competition after the end of season Gala days.

All the players combined exceptionally well to form a team, which was supported by a fantastic group of parents, who all chipped in during the season.

Throughout the season there were many fantastic moments; many of which were made more special for the parents and the kids, as they were shared.

As coach, these are my reflections on season and some of the special moments...

### “Our Backline”

#### **Ethan Jamieson, Nathan Wrigley, Elliott Benson and Maxim Angelos**

The boys started every game as our back four and did tremendously well. While Ethan was our Best and Fairest winner, he was well served by three loyal companions who ‘manned up’ and gave Ethan the freedom to play as an attacking back, centre or forward.

Ethan: kicked 5 goals in a term in a come from behind win against Concord and proudly played his 50<sup>th</sup> game for the club while captain of our team at the Gala day semi-finals.

Nathan: was at the bottom of every pack, fighting tenaciously for the ball and had the dirtiest jumper at the end of every game, especially in the bog and rain against East Sydney at Trumper park

Elliott: a true student of the game, who just loves his footy and kicked goal of the season on the run from the impossible angle at Concord

Maxim: the organiser of the backline who was regularly seen running the back out of the backline after cleaning up in the last line of defence.

### **“The starting Mid-Zone”**

#### **Oscar Van Hal, Declan Chown, Patrick Chrystie and Anton Demark**

Generally our starting centre line, who also proved to be a potent force as forwards in the second term of most games before defending resolutely in the final third. The boys developed a great understanding of each other's games and work well as team.

Oscar: during the season he was the most consistent mark in the team, regularly taking strong pack marks. Oscar was third in our Best and Fairest.

Declan: was the most consistent player in the team, the best tackler (despite his size) and developed a fabulous understanding with Oscar.

Pat C: captained the team in his debut match at Glebe in round 1. Throughout the season he was a fantastic competitor who gave his all and loves his footy.

Anton: a great team player, with lots of skill which was demonstrated the day he kicked two goals...one on the left, the other on the right.

### **“The Forwards”**

#### **Tynon Scroggie, Thomas Connell, Patrick Van Der Wel, Rory Eggleton and Will Gorman**

Our starting forward line often set up wins early in the match, despite often playing one short or 'lending' a player to another zone which was short. As backs, the boys' attacking nature helped set up a lot of forward moves.

Tynon: joined the team early in the season and provided a lot of drive. His long range goal on the final Gala day was our best from a set shot for the season. He was runner up in the Best and Fairest.

Tom: an established player at the Power, he proudly captained the team on the day he played his 50<sup>th</sup> game at Drummoyne oval early in the season.

Pat V: developed a knack of eluding opponents and collecting goals while playing forward

Rory: joined the team midway through the season and he scored his first goal on the day he captained the side and his parents delivered the match report; the perfect family day!

Will: took a great overhead mark in the dying minutes of our last game of the season (against Newtown) before going back and coolly slotting the winning goal – the stuff dreams are made of!

### **“The Coaches”**

While every player gave their best during the season and we only narrowly missed on grand final day (by percentage), this could not have happened without the assistance of Steve Connell and Charles Gorman in coaching the team at training and on match day. Their time, effort and experience was invaluable. Thank you to both of them, and also to the parents who helped coach by taking their kids to the park for a kick and helping with the pre-game warm-ups – it all helps. Steve and Georgi Connell also doubled-up as magnificent team photographers, taking plenty of great action shots during the year.

And thank you to Marcus Harvey (the under 9 Teal coach) who also helped training the boys during the season.

### **“Our Manager”**

A very special thank you to Maria Wrigley who managed the team again this season. And while she is a fabulous manager, I know she would like to thank the parents for their active involvement during the season – it makes life easier for the coaches and manager, and for little effort it gives every child a better team sport experience.

### **“Team Awards”**

During the season, we played as a team – something we can all be proud of. The team effort was evident in a number of ways – one being, every player polled votes in the best and fairest and there was an even spread across the team.

This year our award winners are:

Best and Fairest: Ethan Jamieson

Runner-up: Tynon Scroggie

Coach’s award: Declan Chown

Achievement award: Patrick Chrystie

Thank you to all the parents and players for those wonderful memories.

Nick Angelos

Under 9 Black coach

## UNDER 9'S TEAL

Coach's Report – Marcus Harvey

Welcome to my first ever Coaches Report for the Drummoyne Power JAFL Club. Up to date, I have been a sponsor of the club with very little involvement at all. Exposure to the club at the Sponsors Night (many times and many beers later) inspired me to get involved in a more tangible way. I must give credit to Gavan Nelson and Darren Lewtas for the way they would pound the pavement on Victoria Road Drummoyne looking for sponsors of the club. It can be a thankless task asking for financial assistance but they clearly thought it was worth the effort, despite their busy lives. Well done and thanks for getting me involved.

The season began with an entirely new team formed to take on the best that our part of Sydney had to offer. With the Under 9's growing in numbers, we were able to put 2 very competitive teams on the park. During the entire season, attendance of players at training and matches was extremely high.

Not once did the Teal team need to borrow players to form a competitive match. In fact, more often than not we handed over players to other teams to even up the numbers. To the player's credit, all handled playing for another team with good grace. It can be off putting on Saturday morning when you expect to put your Drummoyne football jumper on and you end up with the jumper of another club. Even I found it strange to plan for a team to play in certain positions only to find out 10 minutes before the game that 2 players had to turn out for the opposition.

Nevertheless, it is clear that the best way for the boys and girls to learn about the game is to play in close tussles where the outcome is not assured. The Under 9 Teal team played many games where the outcome

was in the balance to the last minute. I know we were not keeping score until the Gala Day's but the mathematical skills of the team kept me up to date throughout most matches. If only maths was taught on an oval instead of a classroom!!

To the parents; thank you for your overwhelming support throughout the year. Whether you were helping prior to a game or ferrying players to grounds your help is appreciated. Getting your children to training at 4:30pm is not easy in Sydney, especially when many of you appeared to have a number of children requiring your attention at after school activities. Luckily, the weather was favourable on most Saturday mornings. Extra Brownie points for those who braved the floods coming down Cascade St ( how appropriate) Paddington onto Trumper Park and the wind at the Heffron Park Gala Day.

Thanks to Justin Papps for his excellent team management this year. I never worried about the team turning up at the right place or having their jumpers ready to go on the morning of the game.

Finally, thank you to Nick Angelos for guiding me through the year. His knowledge of the game, at all levels, assisted me greatly in getting up to speed with the modern Auskick game.

## PLAYER PROFILES

**Gabriella Stanwix** is now in her third year at the club. She has developed into a superbly skilled footballer. Spending most of her time in defence organising the troops and counter attacking she also proved her value when placed in the centre of the ground.

**Ned O'Neill** made a terrific start to his football journey. Would play his role well, whether in the backline stopping his forward opponent or getting the ball to his centre partners.

**Cambell Howe** was another starting out his football career. His determination will take him further as he gets more experience. See him as a sneaky forward in years to come. Kicking improved as the year got longer.

**Jonathon Hughes** came on strongly as the year got longer and used his skill and desire to come up with many multiple goal scoring days.

**Marcus Hamilton** was our starting centre who made sure the Teal team had momentum from the first ball up. The first player in the team to use both feet effectively when kicking, which made it impossible for opposing teams to shut him down.

**Ned Kingston** joined after the season started and proved to be a superb defender as well as deft kick for goal. His poise around the ball was extremely important to the team

**Charlie Lynch** showed great determination throughout the year, with his final few weeks his most productive. Will benefit from this year and learning the pace of the game.

**Luca Long** was a hard at the ball centre man always willing to get the hard ball. Also a really enthusiastic ruckman when his turn came.

**Boyd Long** was introduced to the game this year and proved his willingness to attack the ball and distribute to his fellow centres and forward. In horse racing terms, he will be better for the run!!

**Cameron Mclean** was a starting centre, graduating to starting forward later in the year. His attack on the ball is second to none in the entire competition. He uses the ball well with a nice long drop punt his preferred kick. And mine

**Angus Ole** would make sure that the centre bounce was the domain of the Teal team by using his height and skill to ensure we had first use of the ball.

**Harry Coyne** had an excellent season capped by some very inventive goals when nothing seemed on and an absolute passion for getting his hands on the loose ball.

**Charlie Papps** showed tremendous courage when attacking the ball and proved his value many times in defence when saving forward moves by the opposition.

**Anjali Jayanthi** started mid year and her enthusiasm proved valuable when she kicked 2 goals in only her third game.

Marcus Harvey

## SYDNEY CITY TEAMS

### UNDER 10'S BLACK

Coach's Report – Mark Garraway

U10 Black started the 2012 season with the core of the previous seasons under 9s intact. In fact 10 out the starting 12 returned to challenge the under 10 Sydney comp.

Our coach Mark Garraway returned for his hat trick season while Anne Maree Ludeke, last year's manager returned to being part of our supporter group. Manager for 2012 Peter Adamski was cornered by club president and resident hard man Gavin Nelson and gently convinced to manage this "band of brothers". I was lucky I inherited the trusty Ludeke roster and season plan template.

We welcomed 2 novices to the ranks of our powerhouse outfit. They were Dominic "Bad boy" Bates, Luca "Mad Dog" Palmisani. And after one game you wouldn't know that they'd never played AFL.

The competition's most vaunted roster lines up as follows

**Daniel "Bulldozer" Adamski:** His confidence grew as the season progressed and started to match his height and reach. Out of the centre hit outs he started to match his father's shouts of bulldozer.

**Dominic "Bad Boy" Bates:** A new starter to AFL who played like a veteran. There was no ruck or tackle that could stop Dom. Sometimes his determination to make ground overcame the need to pass the ball. Neither the umpires whistle or nor mark's shout to pass the ball could slow him down.

**Angus Carter** showed some amazing kicking ability doing banana kicks and all sorts of tricks. Until finally in one memorable gala day clash he kicked 5 goals out of six attempts to become the greatest goal kicking Carter in the history of the known AFL universe.

**Rory Everitt:** Rory is the classic quiet achiever who pulled off some fantastic defensive work and goal saving smotherers. As the season wore on he started to show off the skills of his Swans namesake Andreas Everitt.

**Hugh Garraway:** handled the ball well under pressure no matter the situation. He would always create a good disposal opportunity. He was part of that group of U10 Black players in the melee fighting for the ball.

**Ryan Gilchrist** who became more clearly courageous as the season gathered pace. He would quite often put himself between the ball and the opposition slowing down their attacking raids. He saved the team from some big scores.

**Alistair MacDonald:** part of the largest AFL clan in Inner Western Sydney. He displayed all the ferocity and menace of his Scottish ancestors in the style of William Wallace (minus kilt and blue war paint). Mark reckons he played better after his half time Haggis burger.

**Riley” Life of Riley” Nelson:** close to the ground there was no more fearsome a competitor than he. Riley became a serial pest to every opposing team and player. Whenever the umpires blew their whistle Riley gave them his best impression of “who me sir?”

**Luca “ Mad Dog” Palmisani** another newcomer to the game of champions. Luca never let his lack of AFL experience get in the way of displaying some incredible AFL athleticism. Never let the rules get in the way of a mad dog move.

**Nicky “ Put my body on the line” Sabine.** The Nick name says it all. With no regard for his personal safety or his parent’s medical insurance, Nicky would always be in the middle of any engagement. Nicky always used his head.

**Damian “ The Terrier” Sullivan:** like a phantom he was everywhere . From defence to attack he would place himself at the hub of the action. Damian mixed great positional play with unrelenting pursuit of the ball.

**Christian Taylor:** from spectacular leaps, long kicks and constant roving showed some of the best all AFL round skills in the under 10 competition. These were also on show in the zone rep side.

**Nick Gunning:** Although a mid season addition to the team, quickly got involved in the team and became a solid utility player.

Mark Garraway headed up our U10 Black footy department with regular assistance from Dave Sullivan, Kelvin Gilchrist, Rod Cater and Paul “flag waver” Sabine. Mark reminded the player group to stick to the game plan and to come out hard.

U10 Black had an awesome supporter group providing the player group with motivational support (what else), laundry management, transport infrastructure and dietary supplements

The leadership group were instrumental in carrying out the game plan. The leadership group was essentially the captain on game day.

Bring on 2013.

## UNDER 10'S TEAL

Coach's Report – Shane Ditcham

The Drummoyne Power U10 Teal team for 2012 brought together some core boys who played together last season in u9s with some new first year players. A highlight of the season was the very strong bond developed in the team, the friendships made and the team spirit shown. As coach, it has been a privilege to coach the team and experience the ups and downs of the season and be part of their development.

The team had a wide mix of experience, skills and players learning the game for the first time. Over the season, the team honed skills and worked better and better as a team. By the end of the season, parents could see great development and growth in the players skills and in working together.

A big thank you to our team manager - Christine Tomarchio - for her amazing organisation and support for the team throughout the year - and the weekly emails with photos from each game. Appreciated by all.

Thank you also to the parents who braved the cold nights and came out to assist at trainings. Thanks also to the parents who supported myself and Christine over the year and helped out with washing jumpers, manning the canteen and bbq and weekly match reports - and hope that you enjoyed the season as much as we did.

Some highlights from the season:-

- Giving the coaches encouragement award each week - and of course the singing of the club song
- Congratulations to Joel, Gus and Michael who played in the representative team;
- The amazing rain storm that hit and flooded our game at Trumper Oval;
- Celebrating the 50 game milestones of Jack Hauschild and Darcy Bourke - well done.

- The development of first year players, Jack C, Gus, Connor and Finn. Hope to see you guys back next season.
- The amazing under 9s who stepped up each week to help us out - a big acknowledgement and thank you to:-
- William Gorman, Ethan Jamieson, Tynon Scroggie, Oscar Van Hal, Jonathon Hughes who all played a game for the Teal team. To Marcus Hamilton who played 5 games, Gabby Stanwix who played 6 games and the amazing Cameron McLean - who was an absolute warhorse playing 9 games for Teal. And we also acknowledge, Archie Gillies (u8 player) playing one game for the team when we had only 8 players available.

It has been fantastic to be part of this group over the season and I wish all players and parents the very best over the off season and hope to see all back next year in 2013.

Players:

**Darcy Bourke** : Fierce tackler and a leader on the ground. Runs very well with the football and gets the ball with his courage.

**Finley Cooney** : Finn's first year of AFL. Courageous player with a long kick. Reliable defender who saved many goals when in defence. Skills improved each week.

**Jack Croll** : Jack is a quick, busy and skillful player. A great team player with excellent handball and kicking skills. And kicked a couple of ripper goals during the season.

**Joel Ditcham** : Skillful player. Joel's courage in defence and his marking and long kicking to a teammate stood out throughout the year. Took some great marks over the season.

**James Durran** : James is a strong player who works hard in defence. A good team player with skills improving all the time.

**Edward Ford** : Strong ruckman and forward with a booming kick. Tapped the ball to the teams advantage when in the ruck. Takes good marks each week and kicked goals when up forward.

**Gus Gillies** : Gus's skills and courage in defence stood out throughout the year. Reliable in defence and running with the ball in open space, and always kicks well to teammates.

**Jack Hauschild** : No one attacks the ball with courage more than "Jack Attack". Cops the injuries but always gets up and back in for more. Gets the ball and gets it on to a teammate. Good season Jack.

**Liam Loughrey** : Liam is a courageous and determined player. A fantastic team player and at his best around the goals.

**Zayn Melhem** : Another great team player. Always there to support teammates and works hard whether in defence or in attack.

**Michael Tomarchio** : Strong player who gets the ball with his direct run and head over the ball. Thrills the crowd with his runs up the ground each week and his long kicking. Kicked some great goals during the season.

**Connor Simos** : Joined the team half way through the season and picked up the game very well. Shows all the skills and a good player to watch. Took some great overhead marks and kicked many goals - including four in one game!

## UNDER 11'S BLACK

Coach's Report – Andrew Hamilton (Sydney Harbour 2012 Coach of the Year )

To fully assess the team's performance in the 2012 season, one needs to consider where we started in order to understand where we ended up.

We started with 21 players consisting of 6 players from the 2011 Silver team that I coached, 9 players who came from the 2011 Black and Teal teams, 3 players who had never played before and 3 players who had played in the U11s in 2011 and wanted to play with their mates in 2012.

A major challenge was always going to be how to mould the boys into a team taking into account the diversity in skill and AFL experience so that the team could be competitive against other teams that had been together as a group for 4-5 years in some cases whilst ensuring that the boys had a positive AFL experience.

Did we achieve this - absolutely. Did we reach the heights that we would have liked in the end - not quite.

Other challenges included managing up to 6 players week in week out on the interchange bench and in such a way that all players received a fair amount of game time and for the first time we encountered injuries arising from the increased physical contact associated with the progression to under 11 football combined with the physical development and growth stages of some of the boys instead of the usual illness.

We also offered two nights training - 1 optional and 1 preferred - and introduced fitness work.

The home and away season could be divided into 3 parts.

Whilst being aware of the most suitable positions for many of the boys from early in the season, the first third tried many of the boys in different and unfamiliar positions. While it is important for the boys to diversify especially at still their tender age the boys began to mould better once they were provided with a consistent position or area of the ground to play each week. As a result their performances early on were quite mixed.

The next step for the boys was a transition from just kicking the ball to introducing the use of handball to enhance a running style of play which suited the overall U/11 game style as the ball still spends a considerable amount of time in dispute where neither team has possession. It was surprising how well the boys adapted to this game style.

The final third included the last 2-3 games and gala days and preliminary final where the boys began to play some very good play and run on football. Playing finals football is what we all play football for and while the boys' performance in the second week of the gala day was below the expectations that they had set themselves based on their overall performance they deserved the chance to play in the preliminary final.

Any team who loses their 3 best players will see them struggle and we were no different in the Preliminary Final with Matt Sheridan sick, Blaise McKee injured and Bodey Lambert away. To lose a game due to only 1 quarter or 15 minutes of football and to have recovered from their below par performance the week before was testament to how far the team had come in only 1 season.

Season highlights included:

- Liam Quail and Oscar Stone kicking their first goals for the club
- Nicholas Zadow kicking a goal in the gala day and running on and picking up the ball and handballing to Luke Lawrence who kicked the goal in one of the early round games
- Josh Macdessi's trademark runs out of the backline having picked the ball up and converting defence into attack and following his man and backing himself from the backline to kick goals
- Will Richard's adaptability to the game settling into a key backline position and having a profound impact
- Josh Clarke's goal against Newtown White
- Kieran Corcoran's tremendous use of handball in packs to a player in a better position
- Joshua Hamilton's lead straight up the ground in the gala day, receiving an excellent pass from Matt Sheridan resulting in a goal
- Benji Williams' strong contested marks in the forward line regularly converted to goals
- Luke Lawrence's 3 goals and dominant performance against Teal
- Luke Walton's ruck work and Josh Macdessi's and Josh Clarke's defensive work against Maroubra Black in the Preliminary Final
- Bodey Lambert's never say die attitude and pure and raw honesty
- The communication and understanding that evolved between Jackson Bursill and Luke Walton in the ruck
- Alex Partridge's courage to always place the team before himself in every contest
- Nick Jenneke's 4 tackles in a row against Newtown Red finally receiving a free kick for holding the ball

- Matt Sheridan's amazing strength and tenacity at the football and attack at the player with the ball
- Blaise McKee's return to AFL following 2 years of living overseas and his ability to read the game positioning himself to take possession of the ball
- Alex Medjumurac's 3 goals against Glebe at Jubilee Oval in atrocious conditions
- Blaise McKee's and Bodey Lambert's selection in the U/11 representative team
- Zach Newport's in and under play at the fall of the ball in the forward line
- The improvement in the skill of many players especially Bryson Hart and Harrison Riedel
- The team's dominant win against Wests at Henson Park coming off a very poor performance against Maroubra Red
- The team's performance against eventual premiers Easts Blue where we only lost by 5 goals which largely arose due to a failure to score when kicking with the wind
- The team's 8 individual goal kickers against Newtown White.

As a second year coach, I am still very much in the learning phase and this year presented many new challenges and opportunities.

I am indebted to Adam Newport as my assistant coach and runner, to Michelle Robinson as our Team Manager who allowed me to focus just on the coaching and to the parents for your words of support, help at training, friendships that have been created and permission to allow me to coach your children.

Where we all are next year will be revealed in time and if our paths do go in different directions next year if the boys can take just one thing from this season into future seasons of football then we have achieved a great outcome in 2012.

Andrew Hamilton

## UNDER 11'S TEAL

Coach's Report – Vaughan Paul

The Teal team welcomed a number of new players in 2012 and supported a year of significant development for all the boys. The season did start off slow with 2 losses but the boys found form and then went on to win 6 games in a row and made it all the way to a preliminary final.

Best of all was the passion and spirit the boys showed throughout the season. They formed a strong bond during the year and they ended up showing real form in defence and out of the centre. The skill level improved and the team play became a feature of their game. The backline were strong all year and they made it difficult for the opposition to score with their pressure and commitment for the ball.

I would like to thank all the parents for their support with jumpers, match reports, goal umpiring, and for the enthusiasm and encouragement provided on game day.

Special mention to team manager Dani Corliss who kept us all organised and was outstanding in this important role. Also thanks go to Gary Phillips who as Runner and Assistant Coach really mentored the boys during the season and provided great support on game day.

I would like to make a special mention to new players who came down to the club this year to play Aussie Rules for the first time. The skill development shown by all the new players including Angus, Logan, Liam Roy & Darcy was great and we look forward to welcoming them back to Drummoyne Power next year.

Overall the boys skill level really lifted during the year, they displayed a genuine love of the game and respect for other players and the coaching staff. Well done to all the boys.

The Teal under 11's were:

**Ryan Shirlaw:** Ryan as a key centre man showed great skills and always moved the ball quick to a player. His kicking and marking skills were a real strength and Ryan was always at the heart of the attacking play. Ryan's reading of the play is outstanding and this is what makes him so effective on game day.

**Darcy Mumford:** A new player to the club, Darcy had a real positive impact from the first game. His pace and agility meant he was able to get plenty of possessions and he became a handy goal scorer for the team. A great first year effort.

**Angus McDonald:** Angus was another first year player and his skills really developed over the year including his kicking and handball skills. Angus became a permanent member of the forward line. He improved in every game over the year, and showed real determination in the final series.

**Louis Robinson:** Louis had a great season of football. He tackling was fierce; he pushed hard for the ball and would always win the contest at ground level. Louis was strong in defence but also in attack, he was always able to score goals when he played in the forward line. A great year of footy.

**Lachlan Cox:** Lachlan was a key back player for the team, he learned quickly to read the play and shut down a contest. He developed good tackling skills and would get the ball out of tight contests and move the ball quickly to a team mate. He took some great marks as well.

**Fraser Phillips:** Fraser dominated the centre play. His pace and skills were an asset to the team and he was able to direct the play of the game. Fraser took some spectacular marks and kicked some big goals for the team despite regularly being tagged by one or two of the opposition.

**James Loughnan:** James had another year of great footy. His ability to run to all parts of the ground to chase a contest, take a strong mark and move the ball to our goals was key to the team's success. In the finals as our main ruckman he dominated the centre bounce and stoppages and he always goes in hard for the ball

**Logan Newling:** Loan was another member of the first year AFL club. He played across the ground but found his place in the forward line, getting into the contests to win the ball and push it out to a team member. He showed real improvement through the year making a positive impact on game day.

**Liam Soper:** Liam showed great development of skills over the year. He took some great marks, kicked a number of goals and made a strong contribution throughout the year. Liam became a key back man for the team and would always put pressure the opposition to win the ball.

**Josh Paul:** Josh had a significant impact over the year in his role as a running back man. He uses his pace to clear the ball from the defence and into the forward line. With a great mark and his agility he was hard for the opposition to catch and always ended up with plenty of the ball. His tackling was central to the strength of the Drummoyne defence.

**Liam Roy:** Liam was another new member to the team; Liam became a handy running player out of the centre. He developed strong skills in handballing and marking and he was really effective at pushing the ball forward and creating play out from a stoppage. A strong first year for the team.

**Ely Corliss:** Ely developed into one of our key centre man. He likes to create space and options for the team by picking the loose ball out of the centre and driving it to our forwards. Ely really developed with his skills over the year and he kicked some important goals for the team.

**Jake Schloeffel:** Our leading ruckman Jake was instrumental in our attacking play. He beat the opposition in the ruck contest and he used his strength to win the ball in the air and on the ground. Jake was also strong in defence through his man on man play.

**Adam Marabani:** Adam really took charge in the second half of the year and over the final series. He went hard for the ball winning it out of packs and getting it out to the team. He developed his attacking play and was always dangerous in front of goals.

**Max Barnett:** Max is a running player who became key to our centre attack. He has a great mark and a long kick and he using his pace to create the play out of the centreline. Max always went hard for the ball and got plenty of possession in the game.

**Zachary Dennis:** Zac developed into the team's leading goal scorer. He is able to take a big mark in the forward line and create the space to kick a goal. Zac would normally kick 3 or more goals a game and was really the team's focal point in the forward line. When Zac was firing the team was unstoppable.

**Luke Gallen:** Luke had another strong year and his pace and skills mean he can play at any position on the ground. Luke creates the play and is happy to take a bounce or two to create space for a long kick. He kicked some amazing goals on the run over the year and takes out goal of the year

**Brendan Ford:** Brendan found his way to the backline this year and took up the leadership position of full back. With a strong mark and a penetrating kick he was unstoppable in defence. But Brendan can also play up forward and kick goals which he did with the under 12's, in one game kicking an amazing 10 goals.

**Benjamin Wrigley:** Benjamin was a tough back man that lets nothing through to the goals. His tackling was a feature of his play and he loves to run through a pack and clear the ball out of danger. He goes hard for the ball and would regularly beat two or more opposition. A great year of footy.

## UNDER 12'S

Coach's Report – Anthony McNamara

The 2012 Drummoyne under 12's came together at a special team building night early in March and at this session, the boys agreed to work towards three objectives in the 2012 season.

- The first objective was to improve our basic AFL skills of kicking, handball and marking, and gain a greater appreciation of some of the games basic tactics.
- The second was to strive for on field success, secure a top four position and experience finals football.
- The last and probably the most important objective was to ensure we all had fun in doing it.

Also on the night we elected our leadership group - Angus McNamara was voted to Captain the team, and Ben Stevanovic and Jack Vozzo identified as leaders within the team.

I'm delighted in the way the boys have approached their skills development both at training and on game day. I'm happy to report that each and every player has made considerable advancement in their "how to's"

- How to kick a drop punt.
- How to handball with back spin
- How to mark with hands out in front.

Our on-field performance was also a major highlight, with the team winning all but two home-and-away games and secured the minor premiership after our last game against Knox Grammar. The boy's performance throughout the home-and-away season was simply outstanding and truly something we should reflect on with pride.

As a result of this success, we quickly revised our second objective from playing in the 2012 finals series to winning the premiership, and with a resounding win over Easts in the first final, we were well on the way to claiming the ultimate prize.

The Grand Final was a tough encounter, and despite the magnificent effort from all the boys we were beaten by a better team on the day. While the loss was a bitter pill to swallow, it provided the boys some valuable lessons for the future, like never underestimating the opposition and what happens in the season is irrelevant, because Grand Finals are all about what happens on the day.

Finally, I'd like to thank all Adrian and Graeme for their continued and unqualified support throughout the year – their assistance and support was invaluable.

I'd also like to thank the boy's parents for their support and of course the many volunteers who, when combined, form the Drummoyne Power Junior AFL Club.

Yours sincerely  
Anthony McNamara

## Player Profiles

<b>Frane Babic</b>	Frane is a ruckman with tonnes of potential. He has claims for the prize for most improved kicking skills in 2012. Perhaps a replacement for Shane Mumford in a couple of years?
<b>Samuel Bignold</b>	Sam is following in the footsteps of Karmichael Hunt and Israel Falou by moving from Rugby League to AFL. Sam has the heart as big as Phar Lap and ball skills to be the next Kieran Jack.
<b>James Brookshaw</b>	The team's big man up forward. Jimmy dominates when on the lead and is extremely strong overhead. Sounds very similar to an old Saint turned Swan - Tony 'Plugger' Lockett.
<b>Lindon Durrant</b>	Very solid and reliable back pocket. Strong "eyes only for the ball" defender who's desperation for the ball draws similarities to the Swan's Rhyse Shaw's.
<b>Brendan Ford</b>	The ever reliable substitute from the rookie list. Brendan not only filled in, on occasions he dominated. Who could forget his 10 goal haul at Jubilee Oval – simply outstanding!
<b>Scott Hansford</b>	This first year player made his mark early in the season. He consolidated his position on the wing, and narrowly missed out being named the team's Rookie of the Year. An outstanding first year of AFL – with many more to come!
<b>Will Heine</b>	Will picked-up from where he left off in 2010, when he won the team's Rising Star award. This strong and pacey winger was an important factor in "The Power's" centre line dominance.

<b>Joshua Kerr</b>	Josh grabbed the challenge to become the team's number one Ruckman at Finals time. He played with a determination to win the ball and displayed a "never give up" attitude. Although not Canadian, Josh's playing style is similar to the Swans Mike Pike.
<b>Michael Lambropoulos</b>	'The Tank'. Michael's asset is his sheer strength, and throughout the year many opposition back men fell victim to Michael's steam roller approach to goal. Michael was always reliable when goals were needed!
<b>Ewan McDonald</b>	The ultimate utility player. Ewan played in all positions on the field, but in the finals he held down an important defence role. His ball skills and attack on the ball were 'Adam Goodes' like. An outstanding year!
<b>Angus McNamara</b>	This skilful and committed leader worked tirelessly in the centre. He supported the back line when needed, and caused havoc to the opposition when he was within range of goal. His leadership in the finals was Brett Kirk like – courageous and unwavering.
<b>Aiden Micallef</b>	Captain Courageous. While he may be one of the smallest player's on the field he is by far the most fearless. His kicking and handball skills improved over 2012 and this year's finals experience will position him well for a roving position next year's team. Aiden has the heart and stamina of the Kangaroo's Brett Harvey.
<b>Keanu Mino</b>	The winner of this year's Rising Star award. Keanu's first year in AFL was exceptional, both in terms the skills he developed and his on field performance. His strong "eyes only for the ball" drive out of the back line was an answer to this coach's prayers. Can't wait to see him assume the centre half back role in 2013.
<b>Louis Mosmann</b>	As winner of the team's "Rookie of the Year award Louis came into the team as the complete package. <ul style="list-style-type: none"> <li>• Skilled, yet willing to learn.</li> <li>• Courageous, and focused only on winning the ball.</li> <li>• Committed, and always willing to accept the hard assignments.</li> </ul> His performance on Grand Final Day was outstanding and exemplified each of these attributes. A future Josh Kennedy in the making!
<b>Lewis Patton</b>	Lewis was a major contributor in the team's forward line. He had an uncanny knack of working his way to the front of a pack and taking strong marks. If the ball did hit the ground, his speed allowed him to quickly gather possession and sneak a six pointer. A much improved player in 2012.
<b>Thomas (Tommy) Queenan</b>	Tommy was a secret weapon we often used in the forward line. His goal kicking skills are like those of 'Daniel Motlop', even kicking a goal from the grand stand one night at training. 2012

was yet another solid performance from this Drummoyne Power stalwart.

**Ben Sanders**

Teddy Richards and Ben had similar seasons. Both have shown considerable improvement over previous seasons and have been rock solid in defence. Ben always rose to the occasion, and his level of commitment became obvious to all with his rapid return after a shoulder injury.

**Cooper Searle**

Cooper's ability to play in all positions on the field gave the team the flexibility it needed to be successful. Supported by his work at the Swans Academy Cooper's skills improved dramatically over the season. Cooper's speed and agility running down the wing matched the standards set by the Swan's Lewis Jetta.

**Ben Stevanovic**

Ben is an experienced campaigner in the U12 competition and combined with his natural talent, he made an extra ordinary contribution to the teams on field performance. Ben won the team's Best and Fairest and was a much respected member of the leadership group.

**Jack Vozzo**

Jack had a great start to the 2012 season. Voted into the leadership group and playing some great football before suffering a serious injury early in the season. This tragically cut short Jack's season, but the team gained a lot of confidence when he returned and took the field on Grand Final day.

## SYDNEY HARBOUR TEAMS

### UNDER 13'S DIVISION 1

Coach's Report – Glen Burgess

After the premiership success in 2011, the team's elevation to Division 1 in the wider competition presented a number of challenges for the players and coaching staff alike. Questions were raised about the suitability of Div 1 at the time but as they say, "it is what it is".

A squad of 17 was assembled with the task of taking on more competitive opponents, competing in a more physical game and playing the full field without capacity for an interchange bench. The boys started the season well but started to drop off on the leaderboard. To help bolster playing numbers the team called on players in the U12's and later the U11's to help make up the numbers particularly when our boys were unavailable to play due to other commitments.

The team was very appreciative of the boys that did step up to help which included Ben S, Angus McN, Brendan F, Frane, James L, James B, Fraser, Bodey and Ewan to name a few. The commitment also of Sandy and Angus Chilton to play for the team in the latter part of the season was a true example of loyalty to the club, thank you guys.

There were some flashes of brilliance throughout the season with Angus dominating in the ruck and around the ground ably supported by the grit and determination of the ball magnet, Bailey. Each of the boys played their fair share of good footy and should all be pleased with their efforts. Injuries to Lachlan and Bailey put them both out for a long spell.

Whilst there is a degree of disappointment with how the season panned out it is important not to lose sight of the positives playing footy brings. The friendship and comoradre amongst the boys is terrific. They enjoyed their football on and off the field and this is a friendship they will look back on with fondness in years to come.

We cannot always win but is how you deal with it in a positive sense that is important. Life is like that.

I trust they have the resolve to return next year and continue to play and enjoy this great game.

## Player Profiles

**Angus:** Another standout year. Angus worked tirelessly in the ruck and around the ground to give his best for the tea. His absence in several games was noticeable whilst his presence lifted the team to contribute. His sportsmanship and commitment underpin why he was a co captain and in the representative team.

**Bailey:** Another Co Captain who led by example. Bailey has no fear and is doggedly determined to win the ball, particularly the contested ball. He was a prolific ball getter and his disposal was always well calculated and accurate. Bailey's positive outlook was infectious and deserving of his leadership role and representative honours.

**Lewis:** The third Co captain, Lewis was a determined centreman who never gave up until the final siren. H was always amongst the best afield applying pressure on his opponents and gaining plenty of the football in the process. Great season.

**Henry:** In his second year of AFL, Henry picked up where he left off. Starting the season on the wing, he worked his way into the midfield and gave the team plenty of run and carry. A very versatile player who has developed his skills which compliments his competitive nature which he uses to his advantage.

**Alistair:** A true pocket dynamo. Not afraid to continue in a defensive role, Alistair is fearless and competitive. He is a very composed individual who uses his excellent pace and disposal skills to rebound out of defence. Another great year.

**Lachlan:** Lachlan was a key target in the forward line often taking on the best defenders. His fitness improved this year and showed his versatility by playing solidly at centre half back. His disposal skills are excellent and looked to be capping off a solid season before breaking his arm in the Pittwater match , two games shy of his 100 game milestone. Bring on 2013!

**Darby:** Darby had a great season. He showed a determination last year to improve as a footballer and he has achieved this in season 2012. He improved his fitness and backed himself in the contests. Showed enormous promise as a ruckman and acquitted himself whether he played upfront or in the backline. An impressive effort by Darby, well done Champ.

**Jordan:** Jordan slotted in nicely on the half forward line and showed plenty of promise as a second ruckman in a number of games. His skills are developing and he has the capability to be a key position player after kicking a number of impressive goals this season. Thanks for all your efforts.

**Jack:** Jack certainly liked the physicality of the game. He was well suited in the backline and applied plenty of hard tackles on opponents. He was not afraid to step into a contest and played a solid game every week for the team. Great season Jack.

**Daniel:** The newest member of the team. Daniel was certainly a great acquisition. Daniel displayed plenty of skill and more importantly adaptability to cover a number of positions as and when required. Whilst he was solid and ever reliable on the half back flank, he showed plenty of dash and purpose when put into the midfield. An excellent season Daniel.

**Peter:** Peter put in another solid season. He is a great utility player and was rotated between the half back, wing or half forward flanks. He won plenty of the ball in pressure situations and remained resolute throughout every game. Pleasing work this year.

**Rohan:** Playing predominantly on the half forward flank, Rohan provided an elusive target up forward and worked well with his fellow forwards.

**Sean:** Another great season from Sean. After a quiet start he gained some momentum and played some solid games. We found by mid season he played his best footy on the wing and he remained there! Sean has a good turn of speed and will continue to improve as he adjusted to the more physical aspects of youth football.

**Gabe:** Gabe found his niche on the wing after stints in the forward and backlines. His pace and execution of the ball are excellent and he has the promise of developing into a more skilful player in the year ahead. Well done Gabe.

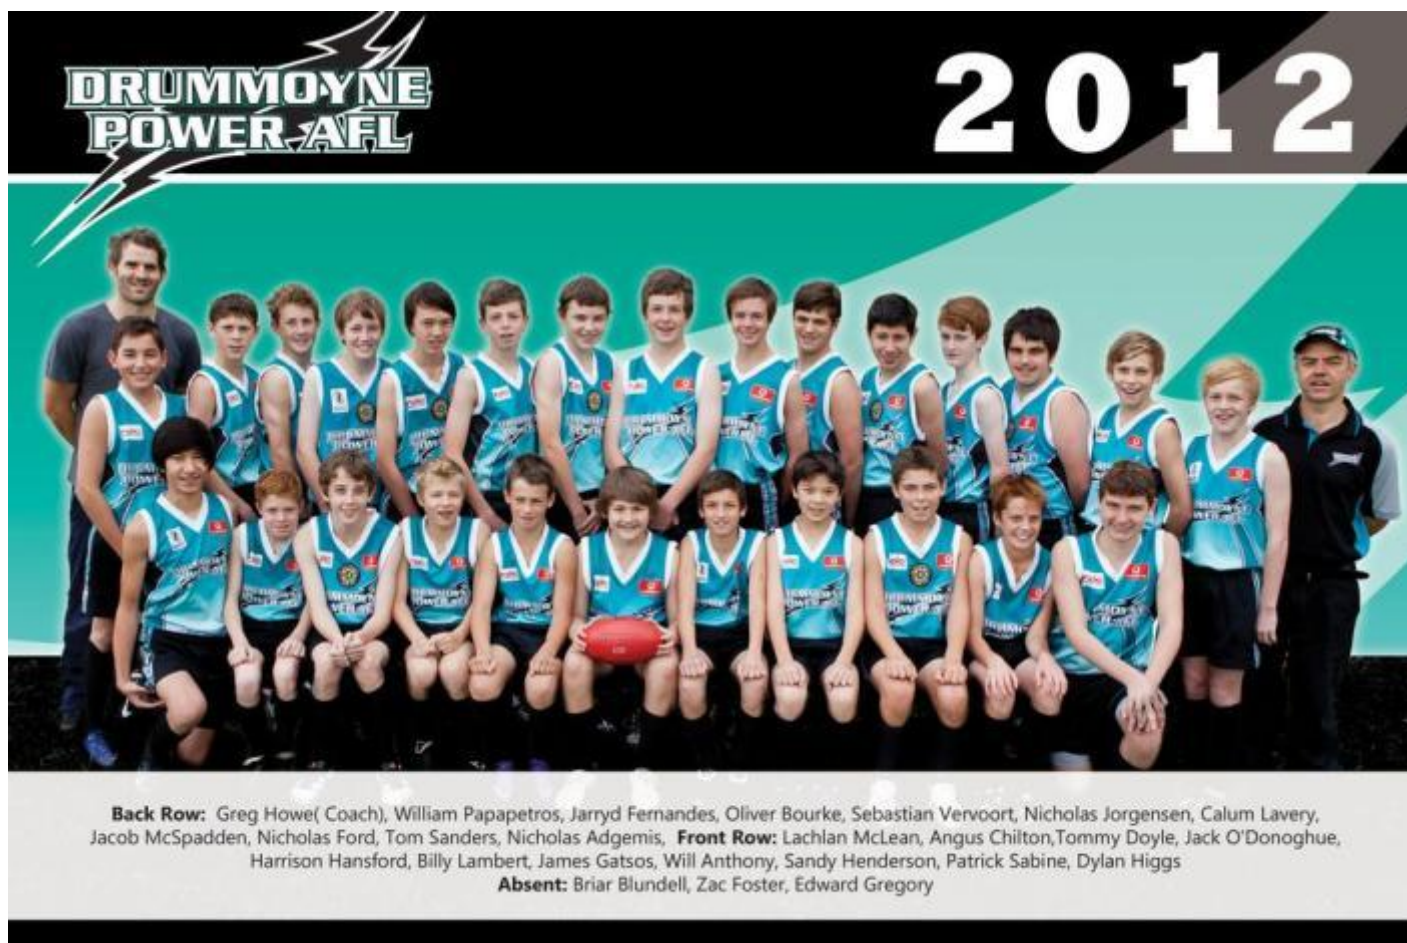

**Riley:** Riley played the pivotal role of centre half forward throughout the season. He notched up plenty of goals and assisted in many others. His overhead marking was his trademark as was his accuracy in front of goal. Thank you for putting in this year.

**Max:** Whilst max was a reluctant defender he played that position very well. He took many a timely mark and was always chasing down opponents and feeding the ball back to the midfield. Great effort all round.

**Joe:** In the season that was, Joe had the unenviable task of playing at full back. He manned up very well against quality opponents and gained plenty of the ball. He was consistently a good performer and one the whole team could rely on to make a contest and to rebound out of defence. His efforts and performance were greatly appreciated by the team and his Coach!

## UNDER 14'S DIVISION 2

Coach's Report – Greg Howe

The 2012 season was a tough year, from the High's of winning a Premiership, to only winning 2 games in 2012, the boys really had to dig deep this year. They were up against some well drilled, bigger bodied sides and they competed to the end.

All a Coach can ask for is effort; determination and heart on the footy field and our boys displayed these traits all year. The team was led by the fearless Billy Lambert and well supported by Jarryd Fernandes and Ben Vozzo. These three displayed invaluable skill and leadership to the team this year.

As a coach, my first commitment is to develop our players, instil belief and confidence in their ability – hopefully this leads to bigger and better things on and off the field. Three boys have deservedly realised success this year at representative level, I personally want to congratulate the following boys on their achievements, hopefully bigger and better things to come:

- 1. Billy Lambert – GIANTS Academy and GSJ City Rep Squad**
- 2. Jarryd Fernandes – SWANS Academy and GSJ City Rep Squad**
- 3. Eddie Gregory – GSJ City Rep Squad**

Eddie's Rep Honours should be celebrated a little more as he came from outside the academy system, with that many talented boys from the Academy system to compete against, Eddie's selection is a true testament to his all rounded sporting ability !

I also want to celebrate the progress and contribution of some of our silent achievers, these boys were some of the most committed, driven and hard working players of the group – yet they are also the quietest ! A

huge year and deserved acknowledgement to Izaak, Jack, Nektar, Will A, and Nick 'The Flying Fist' Jorgensen.

Thank you also to the parents, an old cliché but without you the boys don't play football!!

Lastly, thank you to Sue Storan the most organised and patient Team Manager I have ever seen, she made my job so easy this year and to John for assisting with the Coaching and running on game days.

Hope to see everyone back in 2013 for another great year with the Drummoyne Power!

#### Player Profiles –

**Nick Adgemis:** After a massive 2011 Season, our Big Ruckman was due for another stellar season of domination, unfortunately after a great start to the season, Nick succumbed to a broken finger during the Glebe game and was set to spend an extended period on the sideline. Nick's mental toughness saw him overcome his injury earlier than expected and his return game was outstanding. If Nick continues to refine his skills, he will be one of the dominant players in the U16's.

**Tommy Doyle:** A gifted player, Tommy can contribute in any position on the field. Tommy was at his best as a running back flanker, often beating his opponents and providing the team with run and carry. Tommy would often be at the beginning of each and every charge into our forward line. Tommy's natural awareness and athleticism are key contributors to a fine, all rounded footballer. If Tommy were to put in a solid, tough pre-season he would be able to have another run at Swans Academy Selection. Tommy, I hope to see you back in 2013!

**Jarryd Fernandes:** Huge credit to Jarryd in 2012, his work ethic and passion for the game saw him gain entry into the Swans Academy, a huge effort and one his coach and team mates are proud of. His performance on field was again outstanding, contributing in all positions he was asked to play in. His performance of the year came during our game against Glebe on a rainy day in Alexandria, there may as well have been a brick wall in-between the goal posts as Jarryd almost single-handedly repelled each and every one of Glebe's forward entry's – an impressive performance even acknowledged by the opposition !! Well Done Jarryd!

**Callum Lavery:** Another amazingly consistent year from Callum. A wonderfully gifted player, Callum this year performed extremely well as a back man, ruckman and forward! You know you'll always get fighting spirit and a passion to compete with Callum. A delight to coach, Callum will be a force to be reckoned with in the U 16's!

**Will Anthony:** Will Anthony is one of our smallest players, but you'd argue he has the biggest heart on the team. Regardless of his opponent's size, Will always throws himself at the contest and gives 110 percent each and every time. He has a dogged and voracious appetite for winning the contested ball and our team is much more threatening when Will is playing in a key position. Look forward to Will growing another foot for the 2013 season!!

**Harrison Hansford (HH):** HH – HH was another of our premier ball winners this year. HH was in his element when it was him against 2-3 opponents. HH's tough and consistent displays were outstanding this year. His ball winning efforts and tackling pressure put fear into the eyes of his opponents. Another player slight in stature but a huge heart, I look forward to seeing him back in 2013.

**Nicholas “Ironfist” Jorgenson:** Nick Jorgenson, all I can say is phenomenal. I sometimes had to check his pulse at training and on game day to see if he was still with us, but during a game his usual silent demeanour went out the window, his new nickname for 2012 was ‘The Flying Fist’. With Nick Adgemis injured, Jorgo was asked to play in the ruck a lot this year, and he didn’t let us down. Launching himself into each contest, Nick’s competitive nature really flourished in his new position, he won plenty of ball and drove the ball forward much more than his opponents, he have 100 percent always.

**Sebastian Vervoort:** Seb has had a great year and actually spent more time forward in 2012 than he did back! A bit of a revolution up forward, Seb’s goal kicking prowess really shone through this year! Seb really started to show that he can play an all round game often having stints up forward and even on the ball. Seb was a real contributor and always was reliable in every position he was asked to play in. Hope to see him back in 2013.

**Angus Chilton:** Angus displays all the attributes of a great team player. He plays well above his slight stature and often sneaks a goal from his consistent roving off the feet of our bigger players. Angus has shown determination this year and will hopefully continue his AFL with us next year!

**Alexander ‘Sandy’ Henderson:** I have to really commend Sandy on his performance as a player and as a person in 2012. Sandy was asked if he could help out the U 13’s this year due to low numbers, Sandy willingly obliged, the true sign of a club champion. Sandy played hard all year for the U 13’s and often played for us as well. His contribution to our team is always invaluable, I would personally like to commend Sandy on his performance for us this year and on his tremendous character by assisting the U 13’s – well done Sandy, hope to see you back in 2013!

**Ben Vozzo:** I said this last year, but again Ben has been the glue of our U 14’s team this year. A quiet achiever, Ben’s contribution to our team is hard to measure. He leads by example on the field, one of the most dedicated players we have at training and on game day, he has fantastic skills and can play multiple positions. A true leader in every sense of the word and an extremely valuable member of our team, Ben we hope to see you back fit and raring to go in 2013.

**Oliver Bourke:** Ollie was one of our best mid-fielders all year. Having grown bigger and stronger considerably from last year, Ollie’s size saw him dominate around the field, always consistent, his possesses unique ball winning ability and has tremendous skills. Equally dangerous running hard off the back flank, Ollie has been a great utility player with great poise, skill and decision making. Look forward to his return in 2013.

**Tom Sanders:** Tom has been one of our toughest, key positional players this year. Tom is big and strong and has displayed tough, contested football all year. Tom played extremely well at Full Back, Centre Half Back and pinch hit in the ruck a lot when called upon. His contested marking was a standout this year. Tom was noticeably fitter and faster this year, and it helped him dominate his opponents. Tom will be a pivotal player in our side in 2013.

**Eddie Gregory:** Although we only saw him for approx half our games this year, it was noticeable when we had Eddie in our side. Eddie is gifted with immense speed, toughness and a unique ability to read the game. Always in the right spot at the right time, Eddie dominated in every game he played in. A Stand out for Eddie was being picked in the City Rep team, this was a phenomenal achievement as he was selected in front of many Swans Academy boys who missed out. A gifted athlete, we hope to see more and more of Eddie playing AFL for us in 2013!

**Nektar Bolos:** Nektar really grew as a player this year. He stood tall in defence this year and was one of our more reliable back men. Probably to his own surprise, he won a lot of contested ball and often set up many of our scoring opportunities. His fitness and determination were key factors in his success this year. Nektar, I hope to see you back in 2013 for another great year.

**Jack O'Donohue:** Mr Consistent and Mr Team Player. Jack is one of the first players picked in our team. Ever reliable and the most dedicated I've seen. From my records Jack has only missed 2-3 training sessions and 2 games in the two seasons I have been coach. Wherever he played this year, he contributed. He kicked goals, stopped goals and won gained many possessions this year all through determination and hard work. Jack's a true competitor and a wonderful team player, hopefully we see him back in 2013.

**Isaac Foster:** Another silent achiever, Zac was one of our premier midfielders this year. Zac is all heart, he always displays tremendous courage and determination and leads by example. Zac's un-selfish play earned him the honour of captaining our side in one of our games this year, his performance was outstanding – racking up 30+ possessions and keeping us in the game. A pleasure to coach, I personally hope to see Zac continue his football in 2013 – well done Zac!

**John Garrick:** Johnny G is a superstar in our side. He contributes on the wing, as a small forward and as a running back flanker. His skills have considerably improved since last season, allowing him to dominate play more. Always with a smile on his face, Johnny has been a pleasure to coach and is always one of the first picked due to his infectious enthusiasm. I look forward to seeing Johnny back in 2013.

**Will Papapetros:** Will P is another of our smaller players with huge hearts. Will P is a skilful small forward who often pinch hits in the midfield and on the wing. He has silky skills and when our midfielders got him the ball this year, he almost always converted. A tragic year for Will as he is a Carlton supporter. Hope to see Will back in 2013, fit and raring to go!

**Liam Storan:** One of our dominant tall, Liam filled key positions for us this year and didn't let the team down. Liam played Full Forward, CHF, and CHF and had a stint as Full Back. Liam's skill and pure ball winning skill has seen him play as a utility and dominate all over the field. Hopefully Liam continues to grow and we see him back in 2013, Bigger, Tougher and Meaner!

**Patrick Sabine:** Our trusty Patty dominated for us this year down back. Every reliable, Patty has a unique ability to shut his opponent down and starve him of possession. Patty is also one of our hardest trainers, attending most sessions this year. Unfortunately, Patty ended the season with an injury which will see him miss a lot of football in 2013, hopefully he can still be involved at some level!! Wishing Patty all the best for 2013!

**Lachlan Mclean:** Lachie has been a revelation this year in many key positions. Another silent achiever, Lachie displays passion and commitment on the football field which see him compete hard at every contest. Lachie has been a pleasure to coach and I hope to see him back in 2013.

**James Gatsos:** James grew considerably as a player this year. His contribution in multiple positions this season was fantastic. James gave considerable input as a small forward this year, kicking multiple goals and winning hard fought contests. His spells on the wing and in the mid field were exemplary. James tough, determined brand of football is what our team is all about. Hope to see James back in 2013.

**Briar Blundell:** A few words to explain Briar's performance this year would be inspiring, courageous and tough. Briar has had a few years out of the game, but came back to us this year. Instantly, he dominated in games with incredible pack marks and hard running. He is fit, athletic and tough – all the attributes of a fantastic footballer. Working on his skills in the off season will see him catapult to an outstanding U 16's player in 2013. I personally look forward to seeing Briar back in 2013!

**Jacob McSpadden:** Jake joined us this year, and it was his first year of AFL. It didn't take Jake long to contribute to our team as his Height, Athleticism and Basketball background put him in good stead on the AFL field. Jake is a team player who contributes with his defensive pressure and all round fitness. Honing his AFL skills will see him rise to the next level, hopefully we'll see Jake back in 2013!

**Bill ‘The Kid’ Lambert:** Where do you start with Billy. Our Captain in 2012, Billy was given this privilege after a fantastic pre-season and a hard fought trial match. Billy is at his best in tough conditions, his willingness to place his head over the ball and win the clearance for his team was first class. Billy displayed fantastic skill and determination all year and was rewarded with a spot in the City Rep Team. Billy is a gifted footballer and will have a long career in the game. Billy will have a large role to play in the success of the U 16’s team in 2013!

**Nick Ford:** Nick has had arguably his best year with the club. Asked to play as our Full Back, Nick almost instantly started to dominate in his new position. Nick has been the frustration of many a full forward this year with his strong contested marking and his physical presence. Nick also took the bulk of kick outs this year, so impressive is his kick that it usually sailed 10-20 metres over the heads of our players on the 50m arc! Rumour has it there are still frustrated volunteers searching for lost Sherrins that Nick kicked out with! I hope Nick stays with the game as there is still real room for improvement, if Nick can improve his work rate as a Forward, he could be something special. See you in 2013 Nick!

**Dylan Higgs:** Dylan has been another utility player for us this year, Dylan has played as Full Back, Full Forward, CHB, CHF and has even played in the ruck! Dylan is a committed footballer with a thirst for the contest. His size and experience allowed Dylan to dominate his opponents and win a lot of contested ball. Dylan will play a pivotal part in the success of the U16’s in 2013!

**Klaus Kazamias:** Klaus is another quiet achiever this year. Klaus would quietly go about his business during many of the games this year often gaining possession of the football after persistence and hard work. Klaus got paid many free kicks this year due to his tackling pressure an often unrecognised statistic. I hope to see Klaus back fighting fit in 2013!

## UNDER 16'S DIVISION 2

Coach's Report – Jeremy (Jezz) Hall

A very nice sunny February was the start of the new season for the U16's.

Sunday morning sessions at Taplin Reserve were the main focus for the pre-season training where a Bay run was on the cards for all attending the mornings training. The first of many morning trainings were made up of groups of returning 16's, U14's making the step up, players returning from a stint at another winter sport and a player that's never played the game before.

It was a welcome to all new and returning players, parents, coaching staff and manager. It was also a welcome for myself as this was a new challenge for me as being the coach of the boys.

What I had observed over the following weeks was leadership, skill developing and a team that was developing a bond that would see them grow as the year / season progressed.

After association meetings the side was situated to play in Division 3, a drop from last season but this was not a reflection for the efforts that the boys put in for 2011, it was more of a reward for their persistence and determination that they produced that year.

With the leaders of the team named – Nick Garrick (Capt) and Nick Bertino (Vice Capt) the boys were top of the ladder after 6 games in Division 3 and feared by many clubs due to their ferocious approach at the ball and the team work that had earned them the top spot. Weeks later the Drummoyne U16's were elevated to Division 2. This was an achievement that was a fantastic result for all the hard work that was put in by all involved. A new challenge was about to unfold.

The start of the Division 2 task didn't go as planned as the side went in against close rival Glebe with an undermanned side. This was the first test of many in this division and we were about to travel the rocky roads of Div 2. The following weeks the boys were out played but the endeavour shown by the team was great and heads were held high.

After several weeks of hard fought football the boys were to come across Baulkham Hills in the final game of the season. A team that was also elevated to Div 2 and a team that we had not beaten. A relaxed week for the boys coming into the game and also a fresh side that was to finish off 2012 in the manner that they started it. That final game produced efforts that had not been seen since the start of the season. A crowd of local Hawks and travelled Power supporters watched a great game of skill, attack, defence and team work unfold to see Drummoyne finish off a game that we all classed as the "Grand Final" of Division 3 as both sides were the best in that division before elevation. The boys should be very proud in the way they conducted themselves over the season on and off the field and I hope that they can take away positives from the 2012.

As I said to all after the game it was like a Grand Final of the best two sides from Div 3. Even though a medal was not presented on the day all players should take away the feeling of how great it was to finish off a season that had some great moments.

In short the season had ups and downs but all should take away something from it in a positive way. The team experienced big wins that came from team work and a good style of play while also at times they had experienced the loses which was due to the opposition having a larger physical presence, but in saying that we can learn from those loses and where we can improve on a personal level as well as the team aspect. Well done boys, was a pleasure to have been placed in charge of such a good bunch of young men. To all the retiring players of junior football, good luck to the future and to all the players continuing on, be ready for your next challenge in 2013.

Congratulations to Alex Robertson and Nick Bertino who tried out for the rep side during the school holidays. Of all the reports that were relayed back you represented not only the club well but also yourselves.

A great effort for Captain Nick Garrick who was runner up "Best & Fairest" of Division 2. This is just a fantastic effort especially after only playing 7 Div 2 games.

A huge thank you must go to all families that have assisted throughout the year with the boundary and goal umpiring as well as taking home the footy jumpers (wouldn't liked to have cleaned the jumpers after the Glebe game). The trainers (Ellie and JT) that were there for every game to assist with strapping old injuries and the new ones that suddenly appeared. Jeff Kuhne who helped out with trainings and game day coaching, the help was outstanding and Jeff's knowledge of the game was of high standards. David Garrick was the "Manager" that I believe all clubs / teams would envy due to his expertise in having things so organized not only on game days but also all the background events that have been held through the season, David made my job so much easier. Also a thank you must go to the Drummoyne Football Club (Committee) for the support that the club has given me for this season, it has been very much appreciated as you all have made me felt like a long term member of the club.

**GO POWER**

## Profiles

### **“Jezza” Hall**

Super coach of the U16s in 2012. Brought all his experience and wealth of AFL knowledge to the boys in 2012 and in typical Alan Jeans/ John Kennedy style instilled a tough and hardness in the boys that allowed them the honour of a mid season promotion to a higher division. His disciplined approach taught the boys to play as a team and always back each other up at every contest. He also taught the boys how to have passion for your club, team and team mates .... and his words to inspire the boys to a memorable win in their last game of the season will be remembered by all the U16s in 2012.

### **Jeff Kuhne – Assistant Coach**

Jeff was a very strong support for not only myself but also the boys. His knowledge of football and the opposition was very handy come game day. Jeff was respected by the boys and contributed in many ways throughout the season.

### **Lachlan Bennetts**

Valuable forward. Accurate kick, strong mark and positioned well for team mates. Could play in the backline and on the ball.

### **Nick (Bert) Bertino – Vice Captain**

Started the season as an on-baller but ended up as a great half back flanker. Used his skills and running off the backline to plunge the ball forward. Created havoc for opposition forwards as they didn't know whether to tag him or stay in attack. Vice Captain of 2012, was a good leader with good voice and instructions – well respected.

### **Lucas (Pablo) Cammaratta**

1<sup>st</sup> year player. Not a lot of game time but when on the field he tried as hard as he could. Played in the forward line and put his body on the line at times. A member of the team that team mates loved to have around.

### **Chan, Ka Yin**

Skills a-plenty. When forward was dangerous and could play mid field as well as forward.

### **Lachlan (Dowdy) Dowd**

Could leap over anyone, a hard worker and 100% at every contest. Key player. Dominated his last junior game for Drummoyne.

### **Dunne, Jake**

His tackling intensity was on show in many games with opposition coming off second best.

**Cameron Durrant.** Hard man of the side – the Campbell Brown of Drummoyne. Skills improved as year went by, tackling was 2<sup>nd</sup> to none.

### **Tomas (Tommy) Edwards**

Solid, hard, tough competitor. Valuable in every position played. Leadership qualities . Injury hampered a good year personally.

### **Luke (Coolhand) Eagan**

One of the best and accurate kicks of the side. Deadly in front of goal. Strong mark, good skills was a hassle for the defenders.

### **James Enderby**

This year James went to defence instead of forward this season and did it well. Found on the bottom of packs, had plenty of run and when snuck forward loved a shot. Played the game of his life in his last game for Drummoyne.

### **Nick (Gadget ) Garrick - Captain**

Captain of 2012 and the last of his junior football. Nick lead from the front by having plenty of the ball ,whether it was in the centre, forward line or back line, Nick was everywhere. Tagged in most games but that never halted his determination of wanting and getting the ball. A good leader that lead well and respected by team mates and opposition players and coaches.

### **Cameron (Griffo) Griffiths**

The road runner of the side. With pace, height and developing skills Cameron was a hard person for opposition to line up on.

### **Austin (Aussie) Heesh**

Played in running positions where his pace was pivotal, goal sneak when forward, celebrated when scored.

### **Lachlan (Johnno) Johnson**

The youngest player in the side of 2012. Johnno was one of the toughest players in the side who also never went in softly in any contest. All opposition feared Johnno due to his intensity.

### **Oliver Kemp-Rumens**

Quiet tall forward, strong hands over head, kicked vital goals when needed.

### **Nick Kuhne**

A true half back flanker with plenty of run, tackling and the usual persistence of niggling the opposition forward. Could defend and attack well. Was one of the key players in the back half.

### **Matt Laz**

Dominant left footer who scaled the backline and gathered kicks by reading the play very well.

### **Geoff (Millsy) Mills**

2<sup>nd</sup> Season of AFL. Could fit into most key positions with comfort. Great team member

### **Conrad Nangla**

A new player that was of good size and helped out our big men in defense and forward. Hard at the ball and helped out team mates when in dispute.

### **Xavier ( X ) Nelson**

Sneaky forward with great skills. Positioned well, and the voice of not only the forward line but the rest of the team.

### **Chris Papapetros**

Longest kick in the team, good sized forward who loved to bag a goal.

### **Martin (Marty) Perkins**

Quiet off field but made presence felt when in attack. Many contributions for another 2<sup>nd</sup> year player.

### **Joe (Wiseman) Ringer**

Back bone of the backline. Great old style backman with hardness, determination and control. His quietness was obviously a tactic against the opposition.

### **Alex (Robbo) Robertson**

With a rugby back ground it showed in the way he went about his business. Robbo was the catalyst in getting the ball from the centre to the forward line. Robbos intention was the ball, leaving opposition in his wake. Many a time we seen the famous trade mark “Fend Off – Don’t argue” displayed when Robbo had the ball under one arm.

Started the season as an on-baller but ended up as a great half back flanker. Used his skills and running off the backline to plunge the ball forward. Created havoc for opposition forwards as they didn’t know whether to tag him or stay in attack. Vice Captain of 2012, was a good leader with good voice and instructions – well respected.

### **Lachlan (Nugget ) Uyeda**

After a stint playing League Nugget realized AFL was the right choice. A forward line player whos’ skills improved as the year progressed. Was there to help team mates in some tough times.

### **Joel (Voz) Vozzo**

Small man playing a big man role. Joel’s skills were on display almost every game. Accurate kicking, strong over head and pace was dangerous when on the wing or up forward.

### **Ethan ( Spida) Willis**

Made CHB his own with pace, passion and determination. Good year in first of under 16’s.

## GREATER SYDNEY JUNIORS OUTSTANDING ACHIEVEMENT AWARDS

Name	Team	
Pat Chrystie	Under 9's Black	
Gabriella Stanwix	Under 9's Teal

50	Stanwix, Gabriella	Under 9 Teal
50	Williams, Benjamin	Under 11 Black
50	Wrigley, Benjamin	Under 11 Teal

## THE “IRON HORSE” AWARD

It was a big season for those for who too much footy is just never enough. The “usual suspects” were prominent in playing way more than their 15 game quota; with over 20 games e.g.:

James Brookshaw; Brendan Ford; Bodey Lambert; James Loughnan; Ewan MacDonald; Angus McNamara; Fraser Phillips; Cooper Searle and Ben Stevanovic.

Indeed Bodey has probably set a new Club benchmark as the first to reach 50 games in just two seasons.

But this year the winner with 32 is Gabrielle Stanwix who regularly played four games a weekend, turning out for no less than 5 teams in 5 age groups Under 9 Teal, Under 10 Teal, Under 11 Teal, Inner West U12s and Schols/Power U15.

Am reminded of the response when Fred Trueman, the first cricketer to take 300 Test wickets, was asked how he felt about achieving that record, the reply was simply “bloody tired”

## DRUMMOYNE POWER HONOUR BOARD

“##” Denotes currently registered and playing in 2011

*NB during the formative years of the Club, at the discretion of the Committee, players who joined Drummoyne Power were recognized for their games played from other district Clubs, along with other fixtures including representative games and Little League appearances.*

### 200 GAMES

## DRUMMOYNE POWER CLUB STATISTICS

In season 2012 Drummoyne Power's total player registrations reached the record of 284, an increase of 12% over the 2011 total registrations of 253. This season our 1,000<sup>th</sup> registration was taken. The main contributors were the continuing extraordinary recruiting prowess of Adrian Walton in seeing 51 Under 5/6s join the Power (the Club was founded on just one team of U12 boys!).

Our overall retention levels remain above 70% and average age has fallen further to be just over 10yo.

	Current Age	New Players	Returning	Registrations	% New	% Retained	Lost
Auskick	5/6s	41	10	51	80%	77%	-3
	7	12	10	22	55%	83%	-2
	8	7	9	16	44%	60%	-6
Junior	9	16	15	31	52%	58%	-11
	10	5	19	24	21%	68%	-9
	11	8	34	42	19%	72%	-13
	12	3	16	19	16%	70%	-7
Youth	13	3	19	22	14%	73%	-7
	14	2	28	30	7%	88%	-4
	15/16s	2	25	27	7%	68%	-12
<b>Auskick</b>	<b>5-8s</b>	<b>60</b>	<b>29</b>	<b>89</b>	<b>67%</b>	<b>73%</b>	<b>-11</b>
<b>Junior</b>	<b>9-12s</b>	<b>32</b>	<b>84</b>	<b>116</b>	<b>28%</b>	<b>68%</b>	<b>-40</b>
<b>Youth</b>	<b>13-16s</b>	<b>7</b>	<b>72</b>	<b>79</b>	<b>9%</b>	<b>76%</b>	<b>-23</b>
<b>Drummoyne Power</b>		<b>99</b>	<b>185</b>	<b>284</b>	<b>35%</b>	<b>71%</b>	<b>-74</b>

## CLUB SONG

We've got the **Power** to win,  
The **Power** to rule,  
Come on Drummoyne aggression!  
We are the **Power** from Drummoyne,  
So come on and join,  
The true Drummoyne tradition.  
We'll never stop, stop, stop,  
Til we're top, top, top,  
There's history here in the making.  
It's the **Power** to win,  
We'll never give in,  
Til the flag is ours for the taking.  
**Drummoyne Power!**
